Conjuring Crisis

George Baca, 2010 How have civil rights transformed racial politics in America Connecting economic and social reforms to racial and class inequality Conjuring Crisis counters the myth of steady race progress by analyzing how the federal government and local politicians have sometimes reformed politics in ways that have amplified racism in the post civil rights era In the 1990s at Fort Bragg and Fayetteville North Carolina the city's dominant political coalition of white civic and business leaders had lost control of the city council Amid accusations of racism in the police department two white council members joined black colleagues in support of the NAACP's demand for an investigation George Baca's ethnographic research reveals how residents and politicians transformed an ordinary conflict into a crisis that raised the specter of chaos and disaster He explores new territory by focusing on the broader intersection of militarization urban politics and civil rights

Portraits of African American Life Since 1865 Nina Mjagkij, 2003 Compelling and informative the 14 diverse biographies of this book give a heightened understanding of the evolution of what it meant to be black and American through more than three centuries of U S history
