Empty Souls Living Beyond Your Grave Juanita R. Vedder,2023-06-30 RIP Rest in peace Why is it when a loved one passes away the family and friends say Rest in peace Are the dead really in peace The dead knows nothing so how could that person be in peace So what is the truth behind this saying God makes it clear in His word where people go after they die Is there such a thing of life after death or is death the end of life People have different opinions about this People need to know the truth about where they will spend eternity when they die and not just someone s opinion except the fact that no one wants to know the truth and if they did know the truth they would not tell the deceased person s family that their deceased loved one is spending eternity in hell and being tormented daily Imagine this You are at your loved one s funeral and you say Rest in peace and then someone says to you Why are you saying that This person lived a life of wickedness cheating hurting people lying to people and stealing from people and you say Rest in peace Why should that person be in peace what did they do to deserve peace That person is going to hell and in hell there is no peace Is this something you want to hear at a funeral Too many people are being deceived by this saying only because it helps those who are hurting to clear their mind Yes granted that person s body is dead but are they dead Or are they living beyond their grave The spirit is very much alive So once again is that person resting in peace or how would a person even know What about you where will you spend eternity if you were to die right now Read this book and find out All knowledge of this book has been inspired by God and is backed up by the word of God in it **Fire Bible Student Edition black Bonded Leather** Hendrickson Publishers,Carey
