*Theism: the Philadelphia Theory* Kurt Bakley, 2020-08-17 Did creation happen in the beginning by a homosexual union? Does the sun and the whole Universe run on the principle of homosexuality? Does the Bible tell of God and angels in heaven having dresses and bras because they are transsexuals and a hermaphrodite? Are the 144,000 witnesses of God in Revelation chapters 7 and 14 homosexuals? Is part of God literally a dunghill? Does part of God speak profanity? After the end of this world, will we all go to live on a new earth with the New Jerusalem filled with homosexuals and lawless, and outside its gates are the religious? Did God make a new covenant in these last days that allows homosexuals and all people into His kingdom forever? Will the Lord God at that time be there as a Hermaphrodite, she-male, as the joining of the two good and evil so all may live forever in peace and joy, which the Bible predicted as the wedding of Christ and His bride? Were all the wisdom and teaching and prophecies of the end time, antichrist and evil reversed? That in the end times, the real evil is religion and that at the end, the New Jerusalem is free and lawless? Was

Abraham's Silence J. Richard Middleton, 2021-11-16 It is traditional to think we should praise Abraham for his willingness to sacrifice his son as proof of his love for God But have we misread the point of the story Is it possible that a careful reading of Genesis 22 could reveal that God was not pleased with Abraham's silent obedience Widely respected biblical theologian creative thinker and public speaker J. Richard Middleton suggests we have misread and misapplied the story of the binding of Isaac and shows that God desires something other than silent obedience in difficult times Middleton focuses on the ethical and theological problem of Abraham's silence and explores the rich biblical tradition of vigorous prayer including the lament psalms as a resource for faith Middleton also examines the book of Job in terms of God validating Job's lament as right speech showing how the vocal Job provides an alternative to the silent Abraham This book provides a fresh interpretation of Genesis 22 and reinforces the church's resurgent interest in lament as an appropriate response to God A Conceptual and Therapeutic Analysis of Fear Sergio Starkstein, 2018-04-17 There is an important gap in the philosophical literature

concerning the concept of fear and its remedies and this book has been designed to examine different concepts of fear that inform its therapy Structured as a historical philosophical investigation of the concept of fear this book is not a purely historical analysis of fear but also provides a broad brushwork rendition of the main concepts of fear as presented by selected philosophers and thinkers and how they have approached its therapy     A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West ,1845     *A Select Library of Nicene and Post-Nicene Fathers of the Christian Church: St. Ambrose: Select works and letters. 1896* ,1896
