

A photograph of a battlefield scene. In the upper center, a helicopter is in flight, its rotors blurred. Below it, a large plume of white smoke or dust rises from the ground. In the foreground, several soldiers are visible from behind, wearing helmets and carrying gear. The ground is dry and dusty. The sky is a pale, hazy blue.

Fearless Man A Novel Of Vietnam:

The Fearless Man Donald Pfarrer, 1916-07-25 The mission is Vietnam in microcosm a quest to find and destroy a secret cache of enemy weapons Leading this fateful journey is Captain MacHugh Clare a draftee who has become the consummate soldier Unconcerned with death each morning he shifts immediately from unconsciousness to action His reward at the end of the mission is the possibility of seeing his wife Beside Mac is his opposite Chaplain Paul Adrano who knows only doubt and disillusion He has come to Vietnam to kill his fear to find his faith again on the field of battle and he will soon know the forbidden power of violence and the pull of sexual temptation Meanwhile in America Mac's Sarah wife fights her own battle against a feeling of uselessness Struggling with notions of a woman's proper role Sarah begins to see possibilities beyond merely waiting for the man she loves The Fearless Man is an epic novel of all the wars we wage to occupy ground forge a future and save our souls The Fearless Man Donald Pfarrer, 2010-01-26

The True Story of the Vietnam War and One Man's Sufferings George Konaf, 2020-03-26 This is a true story about what George Konaf thought about the truth of the Vietnam War before he would die of Agent Orange He now walks with a cane for support He wanted to tell you how the PX and the man who ran the Army who was in charge of the whole Army and every Marine and Air Force the general who assisted the president of the US and how crooked he was and all the other generals who made millions from every war In my mind all of them didn't care for the people of the US What made me sick was that some of these kids went to war but only a few actually went The general and commander never told the US how Vietnam's Agent Orange kills desert wars had bad effects on the soldiers and uranium was the only weapon that would kill the enemy Afghanistan and other enemies that fought in the desert They never told the soldiers of each war that within two to three years they would be impotent for the rest of the lives I George Konaf have been impotent now for thirty years and in my mind I should have been killed in Vietnam But now I am glad I was not and can tell the true story of these men high ranking and millionaires The crooks who run this country At last I am writing to die I am getting weaker every day and now I need a cane to hold me up If I had to do it again I would for my country and for my fellow Americans who are living here I am a true American And now that I told my story I am ready to die

Vietnam Eddie Adams, Hal Buell, 2008 Accompanied by a major traveling exhibition of Adams's work Back of jacket *New Approaches to Rhetoric* Patricia A. Sullivan, Steven R. Goldzwig, 2004 *New Approaches to Rhetoric* provides fresh perspectives on the study of rhetoric and its ability to affect change in today's society Although traditional approaches e.g. neo-Aristotelian to the study of rhetoric have utility for the twenty-first century communication in a complex mass-mediated postmodern age calls for new critical approaches The contributors of this volume including James Darsey Kathryn M. Olson and G. Thomas Goodnight George Cheney Dana Cloud and Barry Brummett explore possibilities for bridging rhetorical studies of the past with rhetorical studies of the future The original essays invite students to join rhetorical theorists and critics in an ongoing dialogue concerning what it means to study communication in a postmodern world Divided

into three Parts New Approaches to Rhetoric challenges and expands the definitions approaches and assumptions governing rhetorical scholarship Part I Rhetorics Ethics and Values addresses in different ways a central question for the study of rhetoric today How and under what conditions will moral arguments be articulated in the 21st century Part II Rhetoric Institutions and Contexts features real life case studies showing students the function of rhetoric in today s world Part III Rhetorics Cultures and Ideologies encourages students to examine ideological approaches to criticism and issues associated with class race and gender Features of this volume Original never before published pieces by leading rhetorical theorists and critics including James Darsey Kathryn Olson and G Thomas Goodnight George Cheney Dana Cloud and Marouf Hasian and John M Murphy and Thomas R Burkholder among others Each part opens with a brief introduction to frame discussion for students Topics and case studies will appeal to students and scholars e g film Disney political keynote addresses autobiography labor union discourse Barry Brummetts Conclusion speculates on what the collection suggests about rhetoric in the 21st century and offers ideas to guide students as they contemplate the future of rhetorical studies New Approaches to Rhetoric is ideal for upper level undergraduate and graduate courses in Rhetoric and in Political Communication in departments of Communication English and Political Science This book is suitable for use as either a primary or supplemental course text and will be invaluable as a general reference for scholars of rhetoric social movements and public sphere studies

Earl Dusty Trimmer,2019-05-16 Earl Dusty Trimmer relates with both skill and personal experience events surrounding our most forgettable and misunderstood war in America s history He brings it all home with his down to earth style and considerable knowledge In Unbreakable Hearts Dusty dives into the Vietnamese history and culture and skillfully brings the reader into understanding our Vietnamese enemy s amazing resolve He brilliantly explains the evolution of our Vietnamese enemy over hundreds of years of invasions and wars Always defending their country to remain free became an art In Chapter 7 Dusty describes the Vietnamese women fighters as Hellcats My own experience with the formidable Vietnamese Viet Cong

women's skills and expertise closely mirrors Dusty's Hooch girls could plant booby traps in a GI's hooch with a skill and savvy they were forced to learn during decades of on the job training in continuous wars with unwelcomed invaders My own Military Police experience after leaving the infantry revealed these incidents vividly In later chapters Dusty moves into our own veterans profound resolve and toughness North Vietnam's famed General Giap called us an honorable enemy One could suggest from this writing that our enemy taught us well We did things in the Vietnam War the average person would have to go to the movies to believe After reading Trimmer's descriptions I must conclude that indeed this book could be one for the movie industry Dusty Trimmer brings to life our days and nights living and fighting in these foreboding jungle warfare conditions After reading this fine work and reflecting on my own experiences I cut away a little more of the pain Pride swells for having served with all of these wonderful veterans of the Vietnam War Pain for our terrible losses For myself these experiences culminated in wisdom I would otherwise have failed to achieve God bless Dusty for telling our story Forward march Brothers

The Ruse of Repair Patricia Stuelke, 2021-08-09 Since the 1990s literary and queer studies scholars have eschewed Marxist and Foucauldian critique and hailed the reparative mode of

criticism as a more humane and humble way of approaching literature and culture The reparative turn has traveled far beyond the academy influencing how people imagine justice solidarity and social change In *The Ruse of Repair* Patricia Stuelke locates the reparative turn's hidden history in the failed struggle against US empire and neoliberal capitalism in the 1970s and 1980s She shows how feminist antiracist and anti imperialist liberation movements' visions of connection across difference practices of self care and other reparative modes of artistic and cultural production have unintentionally reinforced forms of neoliberal governance At the same time the US government and military universities and other institutions have appropriated and depoliticized these same techniques to sidestep addressing structural racism and imperialism in more substantive ways In tracing the reparative turn's complicated and fraught genealogy Stuelke questions reparative criticism's efficacy in ways that will prompt critics to reevaluate their own reading practices **Armor** ,2004

Perspective ,1992-11 **Strategic Review** ,2001 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States Ted Allen Studebaker Gary W. Studebaker,Douglas E. Studebaker,2017-04-12 Ted Studebaker a true peace hero worked for peace through nonviolence By doing so he left a peacemaking legacy that continues to impact mankind through the ages He was a volunteer agriculturalist in the highlands of Vietnam during the war As he began his third year of work he married the love of his life Pakdy a Chinese coworker One week after their marriage Vietnamese forces opposing the Americans entered their house where they killed him Ted was fully prepared and armed with confidence for the work that God had set before him He was totally committed to give of himself without reservation Ted gratefully acknowledged his government's position of accepting alternative service to serve mankind as opposed to military service He wrote to his draft board I don't feel unpatriotic or disloyal to my country However I do think there are certain rights beliefs and values to which one should be more devoted to than his country if he has arrived at them through conscientious thought learning and experience Ted was aware of the opposition he would face for his peacemaking stand yet he was true to his beliefs In doing so he remains an enduring force for peace One Man's Journey Donald T. Hardison, II,2024-02-21 *One Man's Journey* by Donald T Hardison II is the most spirited powerful and emotionally charged memoir we've read so far this year Outstanding Creators Awards Awarded OCA Best Non Fiction Book of Spring 2025 in the following categories Autobiographies Memoirs Biographies Addiction Alcoholism Mental Health Mental Illness Mental Disorders Self Help How to Books Christian Literature Christian Non Fiction Motivational Inspirational Books Best Writing Non Fiction Best Supporting Character First Place Champion Trophy This is the powerful and emotional journey of one man's struggle to find purpose and love in the midst of pain and despair A true story of tragedy and triumph in confronting loss pain and fear with courage and resilience As a devoted follower of God I was cherished as a child but in my early twenties everything changed My world was flipped upside down causing me to lose everything and almost everyone I loved whom I held near and dear to my heart Depression consumed me and my mental

health spiraled until I reached the brink of suicide But by the grace of God I was saved and granted a newfound peace that transformed my entire being Now as an award winning author I travel across the country spreading God s message of healing and offering prayers to uplift and empower those who feel lost and unseen This is my story chronicling my journey of redemption and salvation a testament to the power of love and grace in the face of great adversity An unforgettable story that is sure to captivate your heart and soul Universally written as I know firsthand that none of us are exempt from the many woes life throws our way

My Generation William Styron, 2015-06-02 A vital illuminating collection of the Pulitzer Prize and National Book Award winner s elegant passionately engaged nonfiction My Generation is the definitive gathering of William Styron s nonfiction exposing the core of this greatly gifted highly convivial and profoundly serious artist from his literary emergence in the 1950s to his death in 2006 Here are fifty years of Styron s essays memoirs reviews op eds articles eulogies and speeches reflecting the same brilliant style and informed thinking that he brought to his towering fiction and to a deeply committed public life Including many newly collected and never before published items this compendium ranges from the original mission statement of The Paris Review which Styron helped found in 1953 to a 2001 tribute to his friend Philip Roth creating an essential overview of arts and letters during the post World War II years In these pages Styron writes vividly of childhood days in Tidewater Virginia spent going to movies not reading books It does not mean the death of literacy or creativity if one is drenched in popular culture at an early age He recalls being among the group of soldiers who would have been sent to invade Japan and were saved by Truman s decision to drop the atomic bomb which Styron feels was the right choice even though its absolute rightness can never be proved And he writes as few others have about midlife battles with clinical depression a pain that is all but indescribable and therefore to everyone but the sufferer almost meaningless Here too are Styron s personal encounters with world leaders fellow authors and friends each of whom comes memorably to life Styron recalls sharing contraband Cuban cigars with JFK a naughty memento a conversation piece with a touch of scandal getting lost in the snow with Robert Penn Warren and party hopping with the young James Jones an experience he likens to keeping company with a Roman emperor The beginnings of his masterpieces The Confessions of Nat Turner and Sophie s Choice are chronicled here along with the controversy that greeted the former upon its 1967 publication Throughout Styron celebrates the men and women of his generation whose lives were forged in the crucible of World War II Whether he s recounting a walk with his dog musing on the Modern Library s list of the hundred best English language novels of the twentieth century or contemplating America s fraught racial legacy from his point of view as the grandson of a woman who owned slaves William Styron writes always in urgent finely calibrated prose These fascinating pieces bring readers closer to this great writer and the world he observed interacted with and changed Praise for My Generation William Styron s My Generation Collected Nonfiction is both unsurpassably charming and unflinchingly honest whether recounting the fallout from The Confessions of Nat Turner or reminiscing about the slave owning grandmother who warned him never to

forget he was a Southerner Vogue At its most accomplished Styron s non fiction mixes a conscientious richly traditional prose style with a strong current of fellow feeling a certain awe at the human condition which is what gives power to his best fiction Styron stood tall in his generation and the best of him will stand up over time USA Today A must for every Styron fan s library BBC **Weekly Compilation of Presidential Documents** ,1968 **The Other Side of Grief** Maureen Ryan,2008 Examines novels short stories memoirs and films that document the Vietnam war s impact on the home front This book focuses on the process of readjustment on how the war continued to insinuate itself into their lives their families and their communities long after they returned home
