The Cambridge History of American Literature William Peterfield Trent, John Erskine, Stuart Pratt Sherman, Carl Van Doren, 1917

Americans in British Literature, 1770-1832 Professor Christopher Flynn, 2013-04-28 American independence was inevitable by 1780 but British writers spent the several decades following the American Revolution transforming their former colonists into something other than estranged British subjects Christopher Flynn's engaging and timely book systematically examines for the first time the ways in which British writers depicted America and Americans in the decades immediately following the revolutionary war Flynn documents the evolution of what

he regards as an essentially anthropological if also in some ways familial interest in the former colonies and their citizens on the part of British writers Whether Americans are idealized as the embodiments of sincerity and virtue or anathematized as intolerable and ungrateful louts Flynn argues that the intervals between the acts of observing and writing and between writing and reading have the effect of distancing Britain and America temporally as well as geographically Flynn examines a range of canonical and noncanonical works sentimental novels of the 1780s and 1790s prose and poetry by Wollstonecraft Blake Coleridge and Wordsworth and novels and travel accounts by Smollett Lennox Frances Trollope and Basil Hall Together they offer a complex and revealing portrait of Americans as a breed apart which still resonates today *A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century, Containing Thirty Thousand Biographies and Literary Notices, with Forty Indexes of Subjects* Samuel Austin Allibone, 1859 [The Literature of the Middle Western Frontier](#) Ralph Leslie Rusk, 1925 [A Directory of American Poets and Fiction Writers, 1999-2000](#) Poets & Writers, Inc, 1999-01-07 **American Literature Before 1880** Robert Lawson-Peebles, 2003-11-13 American Literature Before 1880 attempts to place its subject in the broadest possible international perspective It begins with Homer looking westward and ends with Henry James crossing the Atlantic eastwards In between the book examines the projection of images of the East onto an as yet unrecognised West the cultural consequences of Viking Colombian and then English migration to America the growth and independence of the British American colonies the key writers of the new Republic and the development of the culture of the United States before and after the Civil War It is intended both as an introduction for undergraduates to the richness and variety of American Literature and as a contribution to the debate about its distinctive nature The book therefore begins with a lengthy survey of earlier histories of American Literature **Mark Twain's Literary Resources** Alan Gribben, 2024-10-15 Dr Alan Gribben a foremost Twain scholar made waves in 1980 with the publication of Mark Twain's Library a study that exposed for the first time the breadth of Twain's reading and influences Prior to Gribben's work much of Twain's reading history was assumed lost but through dogged searching Gribben was able to source much of Twain's library Mark Twain's Literary Resources is a much expanded examination of Twain's library and readings Volume I included Gribben's reflections on the work involved in cataloging Twain's reading and analysis of Twain's influences and opinions This volume long awaited is an in depth and comprehensive accounting of Twain's literary history Each work read or owned by Twain is listed along with information pertaining to editions locations and more Gribben also includes scholarly annotations that explain the significance of many works making this volume of Mark Twain's Literary Resources one of the most important additions to our understanding of America's greatest author *The New Annual Register, Or, General Repository of History, Politics, and Literature for the Year ..*, 1819 **The Monthly Repertory of English Literature, ... Or an Impartial Criticism of All the Books Relative to Literature, Arts, Sciences Etc. Forming a Valuable Selection from the ... English Reviews and**

Magazines. Galignani's Magazine and Paris Monthly Review, (etc.) Paris 1823-25 ,1818 African American Literature Globe Fearon,Globe Fearon Educational Publishing,Pearson Education Canada,1994 Excerpts from the writings of African American authors including James Baldwin Ja A Jahannes John Henrik Clarke Mildred D Taylor Nikki Giovanni Maya Angelou and Ossie Davis *Building an ESL Collection for Young Adults* Laura McCaffery,1998-10-28 This annotated bibliography of more than 500 recommended books meets the needs of teachers and librarians for reading materials for young adults for whom English is a second language Laura McCaffery who has many years of experience with collection development of ESL materials for young adults has selected the best books on a variety of topics to meet curriculum and personal interest needs of young adults Most of the books selected were published between 1992 and 1998 The bibliography is organized by topic adventure mystery and suspense biographies career workplace life skills and parenting folktales myths poetry and classics ethnic diversity history and geography nature and science and sports Indexes by author subject title and ethnic group make searching easy Mainstreamed ESL students can use these books to better understand and make use of regular textbooks Special ESL classes can use the recommended books as part of regular instruction Most of the books recommended are for the intermediate or advanced beginner reading level in English but some very easy books are also included Most of the books are suitable for all learners from grades five through adult Each entry contains a complete bibliographical citation Fry Reading Level Interest Level Library of Congress subjects for cataloging and a 50 to 200 word annotation describing the book and how it can be used by the librarian or teacher who is working with patrons or students A list of distributors of print and nonprint ESL materials completes the work

Whispering the Strategies of Language: An Psychological Quest through **Fearons American Literature**

In a digitally-driven earth wherever monitors reign great and instant transmission drowns out the subtleties of language, the profound strategies and psychological nuances hidden within phrases often move unheard. However, set within the pages of **Fearons American Literature** a interesting fictional value pulsing with organic thoughts, lies a fantastic quest waiting to be undertaken. Penned by an experienced wordsmith, this charming opus attracts readers on an introspective trip, delicately unraveling the veiled truths and profound affect resonating within the very cloth of each word. Within the psychological depths of this moving evaluation, we will embark upon a honest exploration of the book is primary themes, dissect its captivating publishing fashion, and yield to the effective resonance it evokes strong within the recesses of readers hearts.
