Anorexia Nervosa and Recovery Ellen Cole,Esther D Rothblum,Karly Way Schramm,2014-06-03 Through the voices of twenty one women Karen Way presents the most objective complete and compassionate picture of what anorexia nervosa is about and more importantly of the complex individual variables and obstacles in the journey to recovery From the premise that anorexia nervosa is an addiction an obsession controlling all aspects of an individual's life and that complete recovery is possible by finding meaning in life this enlightening book contrasts sharply to other books written on the subject by clinicians and theorists which merely speculate on the nature and etiology of anorexia nervosa Anorexia Nervosa and Recovery lets the

reader hear the personal struggles of women who have fought this powerful disease They describe how anorexia controlled their lives and how once they overcame their obsessions with food weight and thinness they were able to lead fulfilling lives This illuminating book encourages and inspires women who are in the throes of anorexia nervosa They will recognize the emptiness in the voices and the descriptions of daily life Therapists and clinicians who treat anorexic women will find intriguing chapters on events which trigger anorexia and what anorexics will do to maintain their strategies for coping Concerned friends and family and others interested in understanding this controlling disease will be enlightened from this important and helpful book

Feast and Famine Robin H. Clare, 2020-05 Feast Famine Healing Addiction with Grace challenges the idea that our addiction epidemic is a substance or vice problem but in reality it is a chronic suffering problem To perpetuate our constant pain we choose our poison such as alcohol drugs food social media to name a few Feast Famine is an addiction and recovery story It examines both Bulimia and addiction in general The book has a strong focus on the silent epidemic of food addiction for women and self persecution by spiritual seekers As a gifted spiritual author Robin's guide for this book is Sophia the Divine Universal Mother Sophia has shared that the only addiction on the planet is to suffering and by following her Divine Healing path outlined in the book one can move from addiction to recovery By embracing our inherent Divine nature we can forego suffering and live a life of recovery and service Grace is available to each one of us regardless of our past mistakes Now is the time to step forward into a life of joy peace love and abundance

Little Girl Crying Belinda Rose, 2018-08-11 I'll bury the pain deep deep down So deep that it can't be found It will not see the light of day If it seeks release I'll purge it away I'll starve the life right out of it And lull the pain a little bit I'll beat the pain the anger fear Till it or I just disappear Abused at home bullied relentlessly at school and raped by someone she loved and trusted Belinda Rose found her emotional pain too much to cope with and thus began the fight of her life against two dark adversaries Anorexia Nervosa and Depression For nearly 38 years she found herself locked in a life and death battle with an eating disorder intent on destroying her mentally physically and spiritually Near death multiple times and at one point hospitalized 13 times within the span of a year and a half doctors all agreed she'd never overcome the eating disorder and would likely die from it It would take nothing less than a miracle for her to find the recovery that seemed impossible She felt lost alone and at the mercy of an illness intent on her destruction All hope seemed gone or was it As a small child Belinda had found comfort and sanctuary from those that abused and bullied her in the arms of her imaginary friend Jesus It would be the deep love and devotion she'd felt for Him since childhood that would lead her on a journey of prayer to an incredible spiritual experience that would miraculously still the Voice of Anorexia lift the darkness of depression and transform her life setting her on a new path Little Girl Crying is a story of survival It's a story of God's love mercy and amazing grace that affirms God is with us even when He is silent But most of all it is a message of hope and encouragement to all that suffer that says never give up because our God is a God of healing and miracles From every chapter beginning with a Bible verse and an inspirational poem to ending with a

prayer to the over 40 compelling original and often heart wrenching black and white illustrations Little Girl Crying is so much more than just another eating disorder memoir but a sense evoking spiritually uplifting experience that meets each of us in our own personal suffering This is a story that is a wild ride on an emotional roller coaster and yet a spiritual journey full of hope and miracles that speaks to perseverance the power of prayer and God s silence amid our suffering The author shares deep insights into the heart of anorexia nervosa the insidious voice that torments and tortures its victim s psyche relentlessly She also offers a short and special section at the end of the book with insightful suggestions for family and friends of ways to support those that are suffering with an eating disorder While Little Girl Crying takes the reader deep into the heart of suffering it also reflects on where God is in the midst of our suffering why He allows it and how we can find both a deeper purpose for it and the blessings in it It is no wonder Little Girl Crying has been called a modern day Pilgrim s Progress
