Feasting With Panthers 1st Edition:

Feasting with Panthers Rupert Croft-Cooke, 1968 *Feasting with Panthers* is an illuminating study of certain notorious and brilliant Victorians The great flowering of decadent art toward the end of the nineteenth century has prompted Rupert Crofte Cook to examine the lives and the works of the most famous and influential writers of that time the men who made a cult out of their sexual idiosyncrasies who created an esthetic from their perversity and who managed to initiate a revolution in morality that continues today Publisher *Book Prices: Used and Rare*, 1994 Edward N. Zempel, 1994 [Love between Men in English Literature](#) Paul Hammond, 1996-11-12 This is the first book to provide an account of the representation of emotional and sexual relationships between men across English literature from the Renaissance to the modern period Based on new research but aimed at the student and the general reader Paul Hammond discusses major writers such as Marlowe and Shakespeare Tennyson and Wilde Forster and Lawrence but also introduces less familiar texts which cast light on the homosexual culture of their periods There is an extensive bibliography *Library of Congress Catalog* Library of Congress, 1965 A cumulative list of works represented by Library of Congress printed cards [American Book Publishing Record](#), 1997-09 **Male Homosexuality in Literature**, 1980 [The Passions of John Addington Symonds](#) Shane Butler, 2022 The first critical analysis to embrace a wide and representative selection of John Addington Symonds s work beyond his famous essays It explores Symonds as a complex thinker with an ambitious vision of the queerness of the world itself and follows his engagement with the art and literature of classical antiquity **Widener Library Shelflist: English literature** Harvard University.
