fun **A Book of Feasts and Seasons** Joanna Bogle,1992 A Book of Feasts and Seasons recaptures the lost traditions surrounding major feasts and festivals every occasion of the Christian Year The Seven Festivals of the Messiah Edward Chumney,1994 One of the most fascinating yet probably one of the least understood topics in the Bible is that of the feasts listed in Leviticus In a step by step examination of each festival you will learn foundational truths and the prophetic connections to Jesus first and second comings This book will give tremendous insight into your personal relationship with God Feasts in John Michael A. Daise,2007 In this work Michael A Daise broaches the question of the rationale lying behind the six feasts mentioned in the Gospel of John He argues that in an earlier recension of the Fourth Gospel those feasts were sequenced into a single liturgical year and as such furnished temporal momentum for the concurrent motif of Jesus hour After reviewing the feasts as they appear in the narrative then critiquing the major theories proposed for their purpose the author presents his key premise that the Passover at John 6 4 is to be read not as a regular Passover observed on 14 Nisan first month of the Jewish calendar but as the Second Passover of Numbers 9 9 14 observed on 14 Iyyar second month of the Jewish calendar The law of hadash for barley 6 9 requires a date for chapter 6 after the regular Passover the Exodus manna episode Exodus 16 on which John 6 largely turns dates to 15 Iyyar the contingent character of the Second Passover explains Jesus absence from Jerusalem in John 6 and with John 5 and 6 reversed the chronology of John 2 13 6 71 coheres On such a reading the feasts of the entire Fourth Gospel unfold within a single liturgical year Passover 2 13 Second Passover 6 4 the unnamed feast Pentecost 5 1 Tabernacles 7 2 the Dedication 10 22 23 and Passover 11 55 Inasmuch as this scheme brings chronological design to chapters 2 12 and inasmuch as those same chapters also chronicle the imminent arrival of Jesus hour 2 4 12 23 an overarching purpose for the feasts emerges namely to serve the motif of Jesus hour by marking the movement of time toward its arrival **Seasonal feasts and festivals** E. The Feasts of the Lord Ron Cantrell, 2013-07-11 The Feasts of the Lord are prophetic reenactments of Heaven to earth moments They are prearranged appointments where God dynamically encounters the worshiper with a love feast Some of those events have already taken place while others have yet to be fulfilled The full intention is to encourage intimate communion The First Covenant rich with prophetic meaning gives a unique perspective to our understanding of the New Covenant The Feasts of the Lord teaches the hidden meanings behind the many symbolisms represented in these prophetic celebrations It explores the historical Hebraic and cultural context of the biblical period and reattaches the deep roots of our rich heritage in the soil of ancient Israel The Feasts of the Lord inspires us to recall the blessings of God's goodness in each season celebratively and intentionally and thereby look ahead to the next season of our lives with hopeful expectation

What annual festivals should Christians celebrate? Peter Williams, Booklets in this first series On which days was Christ crucified and resurrected Can we know the year of Christ's crucifixion Does the Bible's Creation account accord with scientific discovery Was Christ crucified on a cross Why should families symbolise the church and kingdom of God Who should take the bread and wine and when Can we be born again during this earthly life What annual festivals should Christians celebrate Is there a Holy Spirit God person What is the true gospel When does the law end for a Christian Should Christians celebrate a weekly Sabbath Each booklet in this series focuses on one theme that is also covered more briefly in the 350 page book *Israel and the Covenants in New Testament Times* Each study's conclusions come from what the Bible reveals consistently answering all the objections the writer has heard to leave nothing even apparently contradicted by any other Bible text By this means they confirm that the booklet provides rock solid Bible truth and that the Bible is truly the word of God Despite this as the booklets series title suggests these conclusions are typically unexpected a primary aim in writing and sharing them If you find anything unpalatable please recognise that God is the real author of what these booklets show and the author little more than a researcher and collator of the subject matter Therefore if you the reader cannot refute what a booklet in this series asserts directly from the Bible
