Feathered Star Quilts:

A Flock of Feathered Stars Carolyn Cullinan McCormick, 2013-02-01 I have always been so amazed by feathered star quilts especially the quilts that were made in the 1800s e quilter from the 1800s did not have the tools of today ey made those fabulous quilts using a template made of whatever was available along with their fabric needle thread and scissors My dear friend Diane Donnelly and I share a passion for old quilts In 2009 she gave me a book called Quilts eir Story and How to Make em written by Marie D Webster in 1915 Seeing how excited I was with that book she gave me another later that year called Romance of the Patchwork Quilt in America written by Carrie A Hall and Rose G Kretsinger in 1935 at was all the inspiration I needed to write a book on how to paper piece feathered stars at is the only way to make a feathered star quilt right Some of the designs in the books used pieces that nished at 1 or less and I have to admit some of them were quite a challenge to dra I wanted to get as many designs as possible into one quilt along with a border block I had to have a border block that I had seen on one of the quilts without making the book so big you couldn t li it I hope you like the selection of feathered star blocks I have chosen to include Some of the blocks you may have seen before but others are designs that I think will be a pleasant surprise
