Featherstone A Novel:

The Tragedy of Featherstone. A novel ... Second edition Benjamin Leopold FARJEON,1887 *The Tragedy of Featherstone. A Novel* Benjamin Leopold Farjeon,1887 *Featherstone* Kirsty Gunn,2004 The mysterious disappearance and absence of a young woman from an isolated Scottish town has a profound impact on the lives of everyone she touched but her possible homecoming could provide even more unsettling changes in their lives *The English Middle-Class Novel* T.B. Tomlinson,1976-06-18 Half a Vamp Christian W. Allers,2012-01-16 Tim Scarsdale is a mild mannered accountant but his life is changed in a big way when he is the victim of a vampire attack Left to die Tim wakes to discover that he has been accidentally turned into a vampire Without his attacker going through the proper planning and preparation though Tim becomes a vampire without any supernatural abilities Desperate to track down the vampire that turned him so that he can convince her to finish the process he turns to a craigslist ad you can find anything on Craigslist for a Professional Vampire Hunter Rob to help him track down the wandering vampire Tim and Rob hit the road together to track down the vampire that turned Tim As unlikely as it seems the vampire hunter and the vampire develop a friendship albeit one that is constantly on shaky ground as Tim tries to keep his vampire status a secret **Criminalizing Dissent** Rob Watts,2019-06-25 While liberal democratic states like America Britain and Australia claim to value freedom of expression and the right to dissent they have always actually criminalized dissent This disposition has worsened since 9 11 and the 2008 Great Recession This ground breaking study shows that just as dissent involves far more than protest marches so too liberal democratic states have expanded the criminalization of dissent Drawing on political and social theorists like Arendt Bourdieu and Isin the book offers a new way of thinking about politics dissent and its criminalization relationally Using case studies like the Occupy movement selective refusal by Israeli soldiers urban squatters democratic education and violence by anti Apartheid activists the book highlights the many forms dissent takes along with the many ways liberal democratic states criminalize it The book highlights the mix of fear and delusion in play when states privilege security to protect an imagined political order from difference and disagreement The book makes a major contribution to political theory legal studies and sociology Linking legal political and normative studies in new ways Watts shows that ultimately liberal democracies rely more on sovereignty and the capacity for coercion and declarations of legal states of exception than on liberal democratic principles In a time marked by a deepening crisis of democracy the book argues dissent is increasingly valuable *Featherstone* Kirsty Gunn,2006 **The Complete Novels of George Eliot** George Eliot,2023-11-18 The Complete Novels of George Eliot presents a comprehensive collection of the author s remarkable works showcasing her unparalleled ability to intertwine psychological insight with keen social observation Eliot s novels range from the pastoral elegance of Adam Bede to the intricate moral dilemmas presented in Middlemarch Written in a fluid prose style that resonates with Victorian depth and nuance these narratives delve into the lives of ordinary individuals grappling with ethical choices in an evolving society all while employing rich character
