And round our souls entwine

Help for an honourable clan sore trampled in the dirt!

## Elegy Of Innocence:

Elegy of Innocence Richard Shaw,1979      Fatal Denial Annie Menzel,2024-05-28 Fatal Denial argues that over the past 150 years US health authorities explanations of and interventions into Black infant mortality have been characterized by the biopolitics of racial innocence a term describing the institutionalized mechanisms in health care and policy that have at once obscured enabled and perpetuated systemic infanticide by blaming Black mothers and communities themselves Following Black feminist scholarship demonstrating that the commodification and theft of Black women s reproductive bodies labors and care is foundational to US racial capitalism Annie Menzel posits that the polity has made Black infants vulnerable to preventable death Drawing on key Black political thought and praxis around infant mortality from W E B Du Bois and Mary Church Terrell to Black midwives and birth workers this work also tracks continued refusals to acknowledge this routinized reproductive violence illuminating both a rich history of care and the possibility of more transformative futures      *Elegies*
