**Social Studies Content for Elementary and Middle School Teachers** Penelope Joan Fritzer, 2002 We live in a world where our mobile devices have become extensions of ourselves We depend on them for instant connections to entertainment social media news and deals The phone has become our ticket loyalty card and catchall wallet Networks are faster phones are smarter and the mobile shopper is ready to spend money now What can a business do to maximize the mobile buying power of the new impulse consumer Gary Schwartz has written a groundbreaking book that outlines the history of the mobile industry and shows just how businesses can build up their mobile platforms to maximize online sales He ll explain How to minimize barriers between the shopper and a sale How marketers can connect and more important reconnect with loyal shoppers The technology available now and what s coming soon and how to pick a solution that will deliver results But like Blink or Freakonomics this isn t just a book for businesses It s also an eye opening look into the ways our economy is changing every second of every day

Gary Schwartz analyzes a phenomenon that's modifying people's actions and challenges our assumptions about our behavior as consumers. Anyone interested in the ways our behavior as shoppers is changing and what we can do to better harness this opportunity will find this book to be essential reading.

**Elementary & Middle School Social Studies** Pamela J. Farris, Susan M. Cooper, 1997. This methods textbook takes a whole language approach to teaching social studies and features the experiences of classroom teachers and college members. Updated and expanded literature examples include many titles that feature people of diverse backgrounds and abilities. Each chapter includes activities with an assessment section, technology products, thematic units, and focus in the classroom boxes. Geography and economics chapters have been included in this edition, focusing on map skills and economic issues. The text is accompanied by an instructor's manual and evaluation items and Microtest III.

*Social Studies in Elementary Education* Walter Parker, 2009. The purpose of this book is to introduce new teachers to the world of social studies teaching and learning in elementary and middle schools. Geography, history, government, and the other social sciences are delivered into the palm of the new teacher's hand along with a suite of tools for bringing social studies to life in the classroom. The book is organized into three sections: the first orients the reader to the mission of social studies education to the increasingly diverse children we teach; the second concentrates on the curriculum; and the third deals with instruction: how we plan and teach this curriculum. Three central themes continue to pervade the book: democratic citizenship, diversity, and the social sciences to ultimately encourage teachers to excite their students about closing the gap between social realities and democratic ideals. An exceptionally strong chapter on multicultural issues. Chapter 2 helps future teachers truly understand the changing demographics of the American classroom.

**Social Studies for the Elementary and Middle Grades** Cynthia S. Sunal, Mary Elizabeth Haas, 2008. Replete with lessons, best practices in teaching strategies, and the latest on the constructivist approach, this text demonstrates how to help diverse students construct important social studies concepts and skills. Packed with activities up to date, technology, teaching strategies, and a constructivist approach, this text demonstrates how to use developmentally appropriate strategies to help students construct important social studies ideas and skills. Building on the success of previous editions, *Social Studies for the Elementary and Middle Grades* discusses flexible strategies for teaching today's diverse learner, the structure of the knowledge to be learned, how to help students reconstruct present ideas, and how to translate theory and recent research into lesson plans and units.

*Social Studies Methods with a Constructivist Approach*. Designed as a main text for undergraduate and graduate level courses in both Elementary and Middle School social studies methods in the Department of Curriculum and Instruction.

**History and Imagination** Ronald V. Morris, 2012-03-08. In *History and Imagination*, elementary school social studies teachers will learn how to help their students break down the walls of their schools, more personally engage with history, and define democratic citizenship. By collaborating together in meaningful investigations into the past and reenacting history, students will become experts who interpret their findings, teach their

peers and relate their experiences to those of older students neighbors parents and grandparents The byproduct of this collaborative intergenerational learning is that schools become community learning centers just like museums and libraries where families can go together in order to find out more about the topics that interest them There is an incredible value in the shared and lived experiences of reenacting the past of meeting people from different places and times an authority and reality that textbooks cannot rival By engaging elementary social studies students in living history whether in the classroom after school or in partnership with local historical institutions teachers are guaranteed to impress upon the students a special desired understanding of place and time
