A Chinese Jesuit Catechism Anthony E. Clark, 2021-01-09 This book is the first scholarly study of the famous Jesuit Chinese children s primer the Four Character Classic written by Giulio Aleni 1582 1649 while living in Fujian China This book also includes masterful translations of both Wang Yinglin s 1551 1602 hallowed Confucian Three Character Classic and Aleni s Chinese catechism that was published during the Qing 1644 1911 Clark s careful reading of the Four Character Classic provides new insights into an area of the Jesuit mission in early modern China that has so far been given little attention the education of children

This book underscores how Aleni's published work functions as a good example of the Jesuit use of normative Chinese print culture to serve the catechetical exigencies of the Catholic mission in East Asia particularly his meticulous imitation of Confucian children's primers to promote decidedly Christian content     **ACTFL 1979** ,1980     **American Book Publishing Record Cumulative, 1950-1977** R.R.
