

Elephant War

Sarva Daman Singh

Elephant War:

War Elephants Konstantin Nossov, 2012-04-20 Elephants have been deployed as weapons for centuries particularly in South and South East Asia where war elephants constituted the bulk of most armies in the region from antiquity right up to the 19th century This book offers an insight into the incredible history of these living tanks focusing on the design of the equipment and armament that made them so terrifying The author Konstantin S Nossov traces the history of war elephants from their deployment against Alexander the Great s army at the battle of Gaugamela through to their use in the 19th century by the armies of South East Asia analyzing the battle formation and tactics of war elephants in action and how these tactics developed

War Elephants John M. Kistler, 2007-10-01 Elephants have fought in human armies for more than three thousand years This is the largely forgotten tale of the credit they deserve and the sacrifices they endured

War Elephants Sabine Lorca, 2025-03-29 War Elephants explores the fascinating history of elephants in ancient warfare highlighting their initial dominance and eventual decline These massive animals often armored and bearing armed riders were once a formidable tactical asset The book reveals intriguing details such as how some cultures invested heavily in elephant domestication and training while others developed specialized anti elephant tactics to neutralize their impact The book progresses chronologically beginning with the natural history of elephants and their suitability for war It then examines their use in significant battles and campaigns from Alexander the Great s encounters to Hannibal s daring crossing of the Alps Finally it analyzes the factors that led to their obsolescence including logistical challenges and new military technologies This study uniquely examines the ecological and economic context surrounding the use of war elephants detailing the resources needed for their upkeep and deployment By combining historical narrative with scientific insights War Elephants provides a comprehensive account of these magnificent creatures as instruments of war appealing to military history enthusiasts and anyone interested in the intersection of humans animals and conflict

The Greatest Killer Donald R. Hopkins, 2002-09-15 Originally published as *Princes and peasants* 1983

Ancient Warfare Michael Woods, Mary B. Woods, 2000-01-01 Examines ancient weapons and their uses in Mesopotamia Egypt China India Greece Rome and Mesoamerica

Elephants & Kings Thomas R. Trautmann, 2015-08-03 Because of their enormous size elephants have long been irresistible for kings as symbols of their eminence In early civilizations such as Egypt Mesopotamia the Indus Civilization and China kings used elephants for royal sacrifice spectacular hunts public display of live captives or the conspicuous consumption of ivory all of them tending toward the elephant s extinction The kings of India however as Thomas R Trautmann shows in this study found a use for elephants that actually helped preserve their habitat and numbers in the wild war Trautmann traces the history of the war elephant in India and the spread of the institution to the west where elephants took part in some of the greatest wars of antiquity and Southeast Asia but not China significantly a history that spans 3 000 years and a considerable part of the globe from Spain to Java He shows that because elephants eat such massive

quantities of food it was uneconomic to raise them from birth Rather in a unique form of domestication Indian kings captured wild adults and trained them one by one through millennia Kings were thus compelled to protect wild elephants from hunters and elephant forests from being cut down By taking a wide angle view of human elephant relations Trautmann throws into relief the structure of India's environmental history and the reasons for the persistence of wild elephants in its forests

Ancient Indian Warfare Sarva Daman Singh, 1989 In *Ancient Indian Warfare* the author has pieced together all the available archaeological data and made a thorough study of the entire range of Vedic literature in a bid to present for the first time as complete a picture of warfare as these sources permit He deals with a period so far given scant attention or none at all He stops where virtually all the other writers on the subject begin The Epic and Buddhist material has been used to support elucidate and complete the picture of the rearly period The archaeological evidence has been utilized as fully as possible to add the weight of material proof to literary testimony The author explores the domestication of horses and elephants and their use for military purposes the invention of wheeled vehicles and the battle chariot the use of metals for the manufacture of weapons the nature of ancient arms and armour forts and fortifications military order and organisation and the uneasy birth of a moral consciousness evidenced in the development of a code of war *The Asian Elephant* Peter Jackson, 1990 This Action Plan considers elephant populations across Asia on the basis of size and provides recommendations to enhance their long term survival It also considers the management of elephants in captivity Given that the basis for improved management of elephants throughout Asia must be sound systematic scientific research the Action Plan recommends a number of research projects that need to be carried out in the field *Biology, Medicine, and Surgery of Elephants* Murray Fowler, Susan K. Mikota, 2008-02-28 Elephants are possibly the most well known members of the animal kingdom The enormous size unusual anatomy and longevity of elephants have fascinated humans for millenia *Biology Medicine and Surgery of Elephants* serves as a comprehensive text on elephant medicine and surgery Based on the expertise of 36 scientists and clinical veterinarians this volume covers biology husbandry veterinary medicine and surgery of the elephant as known today Written by the foremost experts in the field Comprehensively covers both Asian and African elephants Complete with taxonomy behavioral geographical and systemic information Well illustrated and organized for easy reference *Elephant Destiny* Martin Meredith, 2009-04-27 For thousands of years the majestic elephant has roamed the African continent as beloved by man as it has been preyed upon But centuries of exploitation and ivory hunting have taken their toll now as wars and poachers continue to ravage its habitat as disease and political strife deflect attention from its plight the African elephant faces imminent extinction What will become of these magnificent beasts As the elephant's future looms ever darker Martin Meredith's concise and richly illustrated biography traces the elephant's history from the first ivory expeditions of the Egyptian pharaohs 2500 years ago to today exploring along the way the indelible imprint the African elephant has made in art literature culture and society He shares recent extraordinary discoveries about the elephant's

sophisticated family and community structure and reveals the remarkable ways in which elephants show compassion and loyalty to each other. Elegant, illuminating and urgent, *Elephant Destiny* offers a beautiful and important tribute to one of earth's most majestic creatures at the very moment it threatens to vanish from being.

Warfare in the Ancient World
 Brian Todd Carey, Joshua B. Allfree, John Cairns, 2006-01-19
 An interesting study of the development of military organization and strategy across several millennia from Bronze Age Mesopotamia to the last days of Rome. The Pegasus Archive. *Warfare in the Ancient World* explores how civilizations and cultures made war on the battlefields of the Near East and Europe between the rise of civilization in Mesopotamia in the late fourth millennium BC and the fall of Rome. Through an exploration of twenty-six selected battles, military historian Brian Todd Carey surveys the changing tactical relationships between the four weapon systems: heavy and light infantry and heavy and light cavalry, focusing on how shock and missile combat evolved from tentative beginnings in the Bronze Age to the highly developed military organization created by the Romans. The art of warfare reached a very sophisticated level of development during this three-millennia span. Commanders fully realized the tactical capabilities of shock and missile combat in large battlefield situations. Modern principles of war like the primacy of the offensive, mass and economy of force were understood by pre-modern generals and applied on battlefields throughout the period. Through the use of dozens of multiphase tactical maps, this fascinating introduction to the art of war during western civilizations' ancient and classical periods pulls together the primary and secondary sources and creates a powerful historical narrative. The result is a synthetic work that will be essential reading for students and armchair historians alike. An ambitious book that sets out to cover four and a half thousand years of military history from the rise of the first civilizations in the Near East to the fall of the Western Roman Empire.

History of War
Chinese and Indian Warfare - From the Classical Age to 1870
 Kaushik Roy, Peter Lorge, 2014-12-17
 This book examines the differences and similarities between warfare in China and India before 1870, both conceptually and on the battlefield. By focusing on Chinese and Indian warfare, the book breaks the intellectual paradigm requiring non-Western histories and cultures to be compared to the West and allows scholarship on two of the oldest civilizations to be brought together. An international group of scholars compare and contrast the modes and conceptions of warfare in China and India, providing important original contributions to the growing study of Asian military history.

The ^ALiving Elephants
 Raman Sukumar, 2003-09-11
 This book pulls together the available information on both Indian and African elephants, synthesizing the biology, ecology, behavior, evolution, and conservation of elephants and covering the history of human interactions with elephants. There is no other broad treatment of the subject.

The Elephant Tourism Business
 Eric Laws, Noel Scott, Xavier Font, John Koldowski, 2020-11-23
 Elephant tourism is a growing activity in many countries across Asia and Africa and is popular with tourists from all parts of the world. Elephant tourism has grown rapidly, providing the only viable way for elephants and their owners to survive since the banning of logging. Old logging camps have been developed into sanctuaries for some elephants, but many other camps were established as entertainment centres.

resulting in serious welfare issues for the elephants and their mahouts The profits from elephant tourism in Asia have encouraged African operators to follow a similar business model This book draws attention to the need for a comprehensive and rigorous focus on local solutions to improve the welfare of captive elephants their mahouts and local residents and to enhance tourists experiences of elephant tourism

Weapons and Warfare Spencer C. Tucker, 2020-03-26 This work covers major weapons throughout human history beginning with clubs and maces through crossbows swords and gunpowder up to the hypersonic railgun lasers and robotic weapons under development today Weapons and Warfare is designed to provide students with a comprehensive and highly informative overview of weapons and their impact on the course of human history In addition to providing basic factual information this encyclopedia will delve into the greater historical context and significance of each weapon The chronological organization by time period will enable readers to fully understand the evolution of weapons throughout history The work begins with a foreword by a top scholar and a detailed introductory essay by the editor that provides an illuminating historical overview of weapons It then offers entries on more than 650 individual weapons systems Each entry has sources for further reading The weapons are presented alphabetically within six time periods ranging from the prehistoric and ancient periods to the contemporary period Each period has its own introduction that treats the major trends occurring in that era In addition 50 sidebars offer fascinating facts on various weapons Numerous illustrations throughout the text are also included

Animals and War Anthony J. Nocella II, Colin Salter, Judy K.C. Bentley, 2013-12-19 Animals and War Confronting the Military Animal Industrial Complex is the first book to examine how nonhuman animals are used for war by military forces Each chapter delves deeply into modes of nonhuman animal exploitation as weapons test subjects and transportation and as casualties of war leading to homelessness starvation and death With leading scholar activists writing each chapter this is an important text in the fields of peace studies and critical animal studies This is a must read for anyone interested in ending war and fostering peace and justice

The Laws of Yesterday's Wars 2 Samuel C. Duckett White, 2022-08-22 How international is international humanitarian law The Laws of Yesterday's Wars 2 From Ancient India to East Africa together with its companion volume The Laws of Yesterday's Wars From Indigenous Australians to the American Civil War Brill Nijhoff 2021 attempts to answer that question It offers a culture by culture account of various unique restrictions placed on warfare over time Containing essays by a range of laws of war academics and practitioners it approaches the laws of yesterday's wars from a wide cross section of history and culture seeking to find any common ground and to demonstrate a history of international law outside the usual confines of its development by Europeans and its later contributions This volume includes studies on Japanese Islamic and Eastern Native American rules of war

Hannibal's Last Battle Brian Todd Carey, Joshua B. Allfree, John Cairns, 2007-10-18 A crisply written well researched superb piece of scholarship about one of the most dramatic and decisive battles in the ancient world Journal of Military History At Zama in what is now Tunisia in 202 BC the armies of two great empires clashed the Romans

under Scipio Africanus and Carthaginians led by Hannibal Scipio's forces would win a decisive bloody victory that forever shifted the balance of power in the ancient world. Thereafter Rome became the dominant civilization of the Mediterranean. Here Brian Todd Carey recounts that battle and the grueling war that led up to it. He offers fascinating insight into the Carthaginian and Roman methods of waging war, their military organizations, equipment, and the tactics the armies employed. He also delivers an in-depth critical assessment of the contrasting qualities and leadership styles of Hannibal and Scipio, the two most celebrated commanders of their age. With vivid prose and detailed maps of the terrains of the time, Hannibal's Last Battle is an essential text for fans of military history and students of the classical period. [Southeast Asian Warfare, 1300-1900](#)

Michael Charney, 2018-12-24. This study of warfare in Southeast Asia between the fourteenth and nineteenth centuries examines the chief aspects of warfare in the region. It begins with an examination of the cultural features that made warfare in the region unique, followed by a discussion of the main weapons used and the two major sites of fighting: sieges and naval contests. Three chapters examine the role played by animals such as elephants and horses. The final two chapters examine the shift from mercenary armies and masses of levies to smaller standing armies. The study closes with an examination of the tumultuous nineteenth century in which European naval power won the coast and rivers while Southeast Asians held the advantage further inland. **The Ivory King**

Charles Frederick Holder, 2022-01-17. In **The Ivory King**, Charles Frederick Holder immerses readers in a riveting narrative that explores the intricate relationship between humanity and the natural world, particularly focusing on the majestic elephants of Africa. Employing a rich descriptive literary style interwoven with scientific observation and adventure, Holder presents the life cycle of the extraordinary Asian elephant and the historical significance of ivory. This work stands as a poignant reflection of late 19th-century attitudes towards wildlife conservation, revealing the tension between admiration and exploitation pervasive in that era. Charles Frederick Holder, an esteemed American naturalist, was deeply influenced by his childhood experiences as a collector and observer of nature. His extensive travels and scholarly pursuits in marine biology and entomology likely provided him with a profound understanding of ecological systems and the urgency of protecting them. Holder's passion for wildlife and his advocacy against rampant poaching resonate powerfully in **The Ivory King**, making it not just a narrative but a call to action. This book is highly recommended for anyone interested in wildlife conservation, natural history, and the ethical dimensions of humanity's relationship with nature. Holder's masterful storytelling, combined with his rich insights, provides a profound and thought-provoking examination of these themes, making **The Ivory King** an essential read for contemporary audiences.

As recognized, adventure as without difficulty as experience practically lesson, amusement, as competently as conformity can be gotten by just checking out a ebook **Elephant War** after that it is not directly done, you could agree to even more vis--vis this life, a propos the world.

We present you this proper as without difficulty as simple showing off to acquire those all. We offer Elephant War and numerous books collections from fictions to scientific research in any way. accompanied by them is this Elephant War that can be your partner.

Elephant War Introduction

Elephant War Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Elephant War Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Elephant War : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Elephant War : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Elephant War Offers a diverse range of free eBooks across various genres. Elephant War Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Elephant War Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Elephant War, especially related to Elephant War, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Elephant War, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Elephant War books or magazines might include. Look for these in online stores or libraries. Remember that while Elephant War, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Elephant War eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Elephant War full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Elephant War eBooks, including some popular titles.

FAQs About Elephant War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Elephant War is one of the best book in our library for free trial. We provide copy of Elephant War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Elephant War. Where to download Elephant War online for free? Are you looking for Elephant War PDF? This is definitely going to save you time and cash in something you should think about.
