

A promotional image for the television series "Eleventh Hour". It features two main characters: a woman with long blonde hair (Anna Torv) on the left, wearing a dark jacket over a white shirt, and a man with dark curly hair (James Van Der Beek) on the right, wearing a dark coat. They are both looking towards the camera with serious expressions. The background is dark and industrial, with some light reflecting off a metallic surface on the right. A semi-transparent dark banner at the bottom contains the title "ELEVENTH HOUR" in large, bold, white and orange letters.

The Evangelical Register ,1842 Kierkegaard's Writings, XV, Volume 15 Søren Kierkegaard,2009-07-06 In his praise for Part I of Upbuilding Discourses in Various Spirits the eminent Kierkegaard scholar Eduard Geismar said I am of the opinion that nothing of what he has written is to such a degree before the face of God Anyone who really wants to understand Kierkegaard does well to begin with it These discourses composed after Kierkegaard had initially intended to end his public writing career constitute the first work of his second authorship Characterized by Kierkegaard as ethical ironic Part One Purity of Heart Is to Will One Thing offers a penetrating discussion of double mindedness and ethical integrity Part Two What We Learn from the Lilies in the Field and from the Birds of the Air humorously exposes an inverted qualitative difference between the learner and the teacher In Part Three The Gospel of Sufferings Christian Discourses the philosopher explores how joy can come out of suffering **Perfect Figures** Bunny Crumpacker,2007-08-07 Since the beginning of civilization numbers have been more than just a way to keep count Perfect Figures tells the stories of how each number came to be and what incredible associations and superstitions have been connected to them ever since Along the way are some of the great oddities of numbers past as a time when finger counting was a sign of intelligence the Venerable Bede could count to a million on his hands the medieval Algorists who were burnt at the stake for their use of Arabic rather than Roman numerals the Bank of England which stubbornly kept accounts on notched wooden sticks until 1826 Filled with Crumpacker's eloquent wit and broad intelligence Perfect Figures brings the history of numbers to life just as Bill Bryson did for the English language in The Mother Tongue Purity of Heart is to Will One Thing Søren Kierkegaard,2013-03-01 Father in heaven What is a man without Thee What is all that he knows vast accumulation though it be but a chipped fragment if he does not know Thee What is all his striving could it even encompass a world but a half finished work if he does not know Thee Thee the One who art one thing and who art all **The Wisdom of Kierkegaard** Søren Kierkegaard,2013-03-01 Collected here in one volume are three of Søren Kierkegaard's most important works Fear and Trembling Purity of Heart Is to Will One Thing and Sickness Unto Death Fear and Trembling In our time nobody is content to stop with faith but wants to go further It would perhaps be rash to ask where these people are going but it is surely a sign of breeding and culture for me to assume that everybody has faith for otherwise it would be queer for them to be going further In those old days it was different then faith was a task for a whole lifetime because it was assumed that dexterity in faith is not acquired in a few days or weeks When the tried oldster drew near to his last hour having fought the good fight and kept the faith his heart was still young enough not to have forgotten that fear and trembling which chastened the youth which the man indeed held in check but which no man quite outgrows except as he might succeed at the earliest opportunity in going further Where these revered figures arrived that is the point where everybody in our day begins to go further Purity of Heart Is to Will One Thing Father in heaven What is a man without Thee What is all that he knows vast accumulation though it be but a chipped fragment if he does not know Thee What is all his striving could it even encompass a world but a half finished work if he does not know Thee

Thee the One who art one thing and who art all Sickness Unto Death Man is spirit But what is spirit Spirit is the self But what is the self The self is a relation which relates itself to its own self or it is that in the relation which accounts for it that the relation relates itself to its own self the self is not the relation but consists in the fact that the relation relates itself to its own self Man is a synthesis of the infinite and the finite of the temporal and the eternal of freedom and necessity in short it is a synthesis
