Elijah Theodore Herman Epp,1965 **Elijah: A Man of Like Nature** Theodore H. Epp,2014-03-04 When the enemy of God brought Baal into Israel like a flood the Spirit of God raised up Elijah against him The Lord used a lowly Tishbite to accomplish His purposes Yet Elijah was as human as the rest of us Where he differed from the average believer was in his single minded devotion to God When God commanded Elijah trusted and obeyed Theodore Epp founder and first Bible teacher on the Back to the Bible broadcast explains that although Elijah was a man of like nature he was also an example of faithfulness to God amidst spiritual apostasy who believers can learn from today **Meet Me on the Mountain** William J. Petersen,2009-01-01 This title is now only available on Amazon click the link below How much like Elijah are you He was courageous and risked danger he was afraid and ran away he was sure of himself and of God and he was a loner and needed a friend At times he felt discouraged and depressed yet he knew the God of Israel in a personal way and trusted and obeyed Him Elijah s God is alive today You can know Him as Elijah did You too can have a part in His work You can pray as Elijah did and know that God hears you 157pp Author 2009 reprint **The Life and Legacy of George Müller** George Müller,Susannah Grace Sanger Müller,Arthur T. Pierson,2020-12-17 Musaicum Books presents to you this meticulously edited George Müller collection The word of God alone is our standard of judgment in spiritual things the Holy Spirit alone can teach us about our state by nature show us the need of a Saviour enable us to believe in Christ explain to us the Scriptures help us in preaching etc The first evening that I shut myself into my room to give myself to prayer and meditation over the Scriptures I learned more in a few hours than I had done during a period of several months previously But the particular difference was that I received real strength for my soul in doing so George Müller 1805 1898 was a Christian evangelist and the director of the Ashley Down orphanage in Bristol England He cared for 10 024 orphans during his lifetime and provided educational opportunities for the orphans to the point that he was even accused by some of raising the poor above their natural station in British life He established 117 schools which offered Christian education to more than 120 000 The theology that guided George Müller s work was shaped by an experience in his middle twenties when he came to prize the Bible alone as his standard of judgement Müller wrote frequently about the stewardship of money and the non reliance on earthly riches and how God would bless the man who kept to these principles and felt that laying his own experiences bare would prove the truth of his claims His personal income from unsolicited gifts he refused any kind of salary rose from 151 in 1831 to more than 2 000 in 1870 However he retained only around 300 a year for himself and his family the rest he gave away Müller s faith in God strengthened day by day and he spent hours in daily prayer and Bible reading Content Paths to Power The Pursuit of God The Divine Conquest How to be Filled with the Holy Spirit The Root of the Righteous The Knowledge of the Holy A Believing Behaving Faith: Dr. John Thomas Wylie,2015-03-30 This publication A Believing Behaving Faith is but one in a series of biblical expositions not intended to be an exhaustive study but rather a simple biblical

approach that is a practical commentary and reader friendly in content This is a work that would certainly be appreciated by many clergy and laity alike The purpose of any exposition from the Word of God should always be whether spoken or written to guide inspire teach encourage others to Christ and to live for Christ only In this publication James has much to contribute concerning Christian ethics Again and without doubt we should be hearers of the Word We receive the Word but not as believers only but as doers of the Word Not just as believers of the faith but as doers of the faith in our daily walk with Christ If we truly believe the Word of God then we ought to live a life true and obedient to the Word of God a life acceptable and holy unto God which is our reasonable service a living sacrifice My brothers and sisters read on draw nigh to Christ as he draws closer to you in a more personal and fulfilling way Refer the Bible often and prayerfully as you read the contents of this publication Expect something miraculous and wondrous to take place as you read Live your life in expectancy of even a more blessed abundant life Ask God not only to bless you during and after reading this blessing but also to make you a blessing to others Thank you for supporting this book ministry To God be the glory When asked Why do you write Dr Wylies refers to Habakkuk 2 24 and Ps 97 1112

The Expositor's Bible Alfred Plummer, 2014-12-09 Example in this ebook CHAPTER I THE CATHOLIC EPISTLES This volume is to treat of the General Epistle of St James and the General Epistle of St Jude According to the most common but not invariable arrangement they form the first and the last letters in the collection which for fifteen centuries

has been known as the Catholic Epistles The epithet General which appears in the titles of these Epistles in the English versions is simply the equivalent of the epithet Catholic the one word being of Latin generalis the other of Greek origin In Latin however e g in the Vulgate these letters are not called Generales but Catholic The meaning of the term Catholic Epistles has been disputed and more than one explanation may be found in commentaries but the true signification is not really doubtful It certainly does not mean orthodox or canonical although from the sixth century and possibly earlier we find these Epistles sometimes called the Canonical Epistles Epistol Canonic an expression in which canonical is evidently meant to be an equivalent for catholic This use is said to occur first in the Prologus in Canonicas Epistolas of the Pseudo Jerome given by 2 Cassiodorus De Justit Divin Litt viii and the expression is used by Cassiodorus himself whose writings may be placed between A D 540 and 570 the period spent in his monastery at Viviers after he had retired from the conduct of public affairs The term catholic is used in the sense of orthodox before this date but not in connexion with these letters There seems to be no earlier evidence of the opinion certainly erroneous that this collection of seven Epistles was called Catholic in order to mark them as Apostolic and authoritative in distinction from other letters which were heterodox or at any rate of inferior authority Five out of the seven letters viz all but the First Epistle of St Peter and the First Epistle of St John belong to that class of New Testament books which from the time of Eusebius H E III xxv 4 have been spoken of as disputed i e as being up to the beginning of the fourth century not universally admitted to be canonical And it would have been almost a contradiction in terms if Eusebius had first called these Epistles catholic H E II xxiii 25 VI xiv 1 in the sense of being universally accepted as authoritative and had then classed them among the disputed books Nor is it accurate to say that these letters are called catholic because they are addressed to both Jewish 3 and Gentile Christians alike a statement which is not true of all of them and least of all of the Epistle which generally stands first in the series for the Epistle of St James takes no account of Gentile Christians Moreover there are Epistles of St Paul which are addressed to both Jews and Gentiles in the Churches to which he writes So that this explanation of the term makes it thoroughly unsuitable for the purpose for which it is used viz to mark off these seven Epistles from the Epistles of St Paul Nevertheless this interpretation is nearer to the truth than the former one To be continue in this ebook
