Stanley Burnshaw

Elinor Frost A Poets Wife:

Elinor Frost, a Poet's Wife Sandra L. Katz, 1988 **The Robert Frost Encyclopedia** Nancy L. Tuten, John Zubizarreta, 2000-12-30 Often thought of as the quintessential poet of New England Robert Frost is one of the most widely read American poets of the 20th century He was a master of poetic form and imagery his works seemed to capture the spirit of America and he became so emblematic of his country that he read his work at President Kennedy's inauguration and traveled to Israel Greece and the Soviet Union as an emissary of the U S State Department While many readers think of him as the personification of New England he was born in San Francisco published his first book of poetry in England matured as a poet while abroad taught for several years at the University of Michigan and spent many of his winters in Florida This reference helps illuminate the hidden complexities of his life and work Included in this volume are hundreds of alphabetically arranged entries on Frost's life and writings Each of his collected poems is treated in a separate entry and the book additionally includes entries on such topics as his public speeches various colleges and universities with which he was associated the honors that he won his biographers films about him poets and others whom he knew and similar items Each entry is written by an expert contributor and closes with a brief bibliography The volume also provides a chronology and concludes with a general bibliography of major studies *Robert Frost Among His Poems* Jeffrey S. Cramer, 2007-07-30 Based on the arrangement of *The Poetry of Robert Frost* 1969 Part One of this work attempts to identify Frost's intentions by placing each poem in the biographical historical and geographical context of his life It further examines conscious and unconscious points of association annotates words and phrases and provides when possible a date of composition along with the place of publication Part Two consists of an annotated bibliography of poems published during Frost's life but uncollected at the time of his death and those published posthumously or yet collected **The Life of Robert Frost** Henry Hart, 2017-04-17 *The Life of Robert Frost* presents a unique and rich approach to the poet that includes original genealogical research concerning Frost's ancestors and a demonstration of how mental illness plagued the Frost family and heavily influenced Frost's poetry A widely revealing biography of Frost that discusses his often perplexing journey from humble roots to poetic fame revealing new details of Frost's life Takes a unique approach by giving attention to Frost's genealogy and the family history of mental illness presenting a complete picture of Frost's complexity Discusses the traumatic effect on Frost of his father's early death and the impact on his poetry and outlook Presents original information on the influence of his mother's Swedenborgian mysticism **The Letters of Robert Frost** Robert Frost, 2021-04-30 The third installment of Harvard's five volume edition of Robert Frost's correspondence *The Letters of Robert Frost* Volume 3 1929-1936 is the latest installment in Harvard's five volume edition of the poet's correspondence It presents 601 letters of which 425 are previously uncollected The critically acclaimed first volume a *Times Literary Supplement* Book of the Year included nearly 300 previously uncollected letters and the second volume 350 more During the period covered here Robert Frost was close to the

height of his powers If Volume 2 covered the making of Frost as America's poet in Volume 3 he is definitively made These were also however years of personal tribulation The once tight Frost family broke up as marriage illness and work scattered the children across the country In the case of Frost's son Carol both distance and proximity put strains on an already fractious relationship But the tragedy and emotional crux of this volume is the death of Frost's youngest daughter Marjorie Frost's correspondence from those dark days is a powerful testament to the difficulty of honoring the responsibilities of a poet's eminence while coping with the intensity of a parent's grief Volume 3 also sees Frost responding to the crisis of the Great Depression the onset of the New Deal and the emergence of totalitarian regimes in Europe with wit canny political intelligence and no little acerbity All the while his star continues to rise he wins a Pulitzer for *Collected Poems* in 1931 and will win a second for *A Further Range* published in 1936 and he is in constant demand as a public speaker at colleges writers workshops symposia and dinners Frost was not just a poet but a poet teacher as such he was instrumental in defining the public functions of poetry in the twentieth century In the 1930s Frost lived a life of paradox as personal tragedy and the tumults of politics interwove with his unprecedented achievements Thoroughly annotated and accompanied by a biographical glossary and detailed chronology these letters illuminate a triumphant and difficult period in the life of a towering literary figure

Robert Frost in Context Mark Richardson, 2014-04-14 This new critical volume offers a fresh multifaceted assessment of Robert Frost's life and works Nearly every aspect of the poet's career is treated his interest in poetics and style his role as a public figure his deep fascination with science psychology and education his peculiar and difficult relation to religion his investments as thinker and writer in politics and war the way he dealt with problems of mental illness that beset his sister and two of his children and finally the complex geo-political contexts that inform some of his best poetry Contributors include a number of influential scholars of Frost but also such distinguished poets as Paul Muldoon Dana Gioia Mark Scott and Jay Parini Essays eschew jargon and employ highly readable prose offering scholars students and general readers of Frost a broadly accessible reference and guide

Critical Companion to Robert Frost Deirdre J. Fagan, 2007 Known for his favorite themes of New England and nature Robert Frost may well be the most famous American poet of the 20th century This is an encyclopedic guide to the life and works of this great American poet It combines critical analysis with information on Frost's life providing a one-stop resource for students

Frost William Roetzheim, 2007-04 This biographical drama tells the story of Robert Frost's life primarily using his own words and works In *Frost* Robert Frost has come back to life and stepped onto the stage in all of his former glory He takes the reader with him on a journey of discovery as we share his triumphs and failures his loves and hates and most of all his insecurities and arrogance Whether you already love Robert Frost's poetry or you are only vaguely aware of his work you'll come away understanding the man and his life's work Playwright William Roetzheim has won awards that include winning or finalist in Best Books National Poetry Anthology of the Year and Poetry Book of the Year Benjamin Franklin Audio Book of the Year Foreword Magazine Audio Book of the Year

Faulkner Society Poetry Award Oberon Prize and the Bill Fisher Award for Best New Fiction **American Writers**
Elizabeth H. Oakes, 2004 **Book Review Digest** focuses on the rich diversity of American novelists
, 1929 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications
Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the
English language Reviews of the following types of books are excluded government publications textbooks and technical
books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate
in a group of selected periodicals in the humanities social sciences and general science published in the United States
Canada and Great Britain Publisher **Love and Need** Adam Plunkett, 2025-02-18 Braiding together biography and
criticism Adam Plunkett challenges our understanding of Robert Frost's life and poetic legacy in a pathbreaking new work By
the middle of the twentieth century Robert Frost was the best loved poet in America He was our nation's bard simple and
sincere accompanying us on wooded roads and articulating our hopes and fears After Frost's death these clichés gave way to
equally broad though opposed portraits sketched by his biographers chief among them Lawrence Thompson When the critic
Helen Vendler reviewed Thompson's biography she asked whether anyone could avoid the conclusion that Frost was a
monster In **Love and Need: The Life of Robert Frost's Poetry** Adam Plunkett blends biography and criticism to find the truth of
Frost's life one that lies between the two poles of perception Plunkett reveals a new Frost through a careful look at the
poems and people he knew best showing how the stories of his most important relationships heretofore partly told mirror
dominant themes of Frost's enduring poetry withholding and disclosure privacy and intimacy Not least of these relationships
is the fraught intense friendship between Frost and Thompson the major biographer whose record of Frost Plunkett seeks to
set straight Moving through Frost's most important work and closest relationships with the attention to detail necessary to
see familiar things anew Plunkett offers an original interpretation of Frost's poetry tracing Frost's distinctive achievement to
an engagement with poetic tradition far deeper and more extensive than he ever let on Frost invited his readers into a
conversation like the one he sustained with his literary forebears intimate and profound yet Frost kept his private self at a
remove Here Plunkett brings the two together the poet and the poetry and draws us back into conversation with America's
poet **The South Carolina Review**, 1990 **Texas Woman of Letters, Karle Wilson Baker** Sarah R. Jackson, 2005
Karle Wilson Baker was the best known Texas poet of the early twentieth century Yet while many of her male contemporaries
remain well known to Texas literature she is not Her energy and significant role in shaping the literature of Texas equaled
those of Walter Prescott Webb or J Frank Dobie with whom she ranked as the first Fellows of the Texas Institute of Letters
Her modern lifestyle as an independent new woman and her active career as a writer teacher and lecturer placed her among
the avant garde of women in the nation although she lived in the small town of Nacogdoches She was a multi talented writer
with a wide range of interests yet she championed Texas and the history and natural beauty of East Texas above all else

Sarah R Jackson's thoroughly researched biography of Karle Wilson Baker introduces her to a new generation. Baker's life also opens a window onto the literary times in which she lived and particularly the path of a woman making her way in the largely male dominated world of nationally acclaimed writers. Beyond the literary insights this book offers, Jackson spotlights developments in East Texas such as the discovery of oil and the founding of what would become Stephen F Austin State University in Baker's hometown. Extensive work in a number of regional and state archives and interviews with many who remembered Baker allow Jackson to offer an account that is not only thorough but also lively and entertaining.

The Collected Poems and Selected Prose Stanley Burnshaw, 2010-01-01 Stanley Burnshaw began to publish poems in the 1920s and founded his own verse journal in 1925. After serving as coeditor and drama critic of the *New Masses* weekly 1934-1936, he entered book publishing, directing the Dryden Press until 1958, when he joined Henry Holt. The first of his nineteen earlier works, *André Spire* and *His Poetry*, appeared in 1934 and the last in 1990. A *Stanley Burnshaw Reader* with an introduction by Denis Donoghue. The present volume, the definitive Burnshaw collection, offers all the poems he wishes to preserve and a full representation of his prose, including *My Friend My Father* in its entirety. *The Collected Poems and Selected Prose* is vital reading for anyone wishing to be fully acquainted with the man whom Karl Shapiro called one of the best respected men of letters of our time.

Take Arms Against a Sea of Troubles Harold Bloom, 2020-10-13 The great poems, plays, novels, stories teach us how to go on living. Your own mistakes, accidents, failures, at otherness, beat you down. Rise up at dawn and read something that matters as soon as you can. So Harold Bloom, the most famous literary critic of his generation, exhorts readers of his last book, one that praises the sustaining power of poetry. Passionate. Perhaps Bloom's most personal work, this is a fitting last testament to one of America's leading twentieth-century literary minds. Publishers Weekly. An extraordinary testimony to a long life spent in the company of poetry and an affecting last declaration of Bloom's passionate and deeply unfashionable faith in the capacity of the imagination to make the world feel habitable. Seamus Perry, *Literary Review*. Reading this stirring collection testifies, helps in staying alive. Kirkus Reviews starred review. This dazzling celebration of the power of poetry to sublimate death, completed weeks before Harold Bloom died, shows how literature renews life amid what Milton called a universe of death. Bloom reads as a way of taking arms against the sea of life's troubles, taking readers on a grand tour of the poetic voices that have haunted him through a lifetime of reading. High literature, he writes, is a saving lie against time, loss of individuality, premature death. In passages of breathtaking intimacy, we see him awake late at night, reciting lines from Dante, Shakespeare, Milton, Montaigne, Blake, Wordsworth, Hart Crane, Jay Wright, and many others. He feels himself edged by nothingness, uncomprehending but still sustained by reading. Generous and clear-eyed, this is among Harold Bloom's most ambitious and most moving books.

American Review Vivian Trow Thayer, 1924 Includes section Books.

Robert Frost Lesley Lee Francis, 2017-09-29 In this volume, Lesley Lee Francis, granddaughter of Robert Frost, brings to life the Frost family's idyllic early years. Through their own words, we enter the daily lives of Robert, known as RF to his family.

and friends his wife Elinor and their four children Lesley Carol Irma and Marjorie The result is a meticulously researched and beautifully written evocation of a fleeting chapter in the life of a literary family Taught at home by their father and mother the Frost children received a remarkable education Reared on poetry nurtured on the world of the imagination and instructed in the art of direct observation the children produced an exceptional body of writing and artwork in the years between 1905 and 1915 Drawing upon previously unexamined journals notebooks letters and the little magazine entitled The Bouquet produced by the Frost children and their friends Francis shows how the genius of Frost was enriched by his interactions with his children Francis depicts her grandfather as a generous devoted and playful man with a striking ability to communicate with his children and grandchildren She traces the family s adventures from their farm years in New Hampshire through their nearly three years in England This enchanting evocation of the Frost family s life together makes more poignant the unforeseen personal tragedies that would befall its members in later years *Library Journal* Melvil Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells, 1963 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Issued also separately *Library Journal* , 1963 **Robert Frost and Feminine Literary Tradition** Karen L. Kilcup, 1998 Uncovers heretofore overlooked influences and connections in the evolution of Frost s poetry
