## **Elishas Rooms I Can Read:**

*Making Room for Mystery* David M. Holley, 2025-07-25 We sometimes hear about events that seem too strange to fit with our usual ways of thinking about what can happen Someone perceives an appearance of a loved one in danger at the same moment the person is undergoing a crisis at a distant location A patient who has long ago lost all cognitive functioning suddenly begins to interact with others for a short time before dying Someone dreams of barely avoiding an accident and the near miss occurs the next day Some reports of strange occurrences can be explained away but repeatedly hearing about such things from credible sources can lead us to wonder whether the world is more mysterious than the predictable order we have taken for granted This book considers what it would mean for Christians to accept that the natural order has hidden depths that can produce strange phenomena How might it affect our understanding of such things as divine guidance or petitionary prayer or extraordinary healings How would we think about God's action in the world if our understanding of the created order allowed more room for mystery Phases and Rooms Rev. Ricky Edwards, 2012-02-02 Phases and Rooms is a book written to help leadership Ministry of helps and the five fold ministers to complete the full redemptive plan that God has for our life Brother Hagin used to say that many ministers never get out of their first phase of ministry This is a tragedy in today's day and age It has become ever so important as that time nears Jesus's return for us to be effective and finish the race that God has prepared for us This book takes a biblical look at the development of the call of God upon our lives We as ministers have much to accomplish in the ministry God has given us Whether you are in the Ministry of helps the five fold ministry and especially if you are just starting out this book will bring light illumination and revelation to the full redemptive plan that God has for our life and ministry Integrity and character have become punchlines and cliches in the society we live in However in these end times never has teaching on the subject been more needed Effective leadership has to be developed out of the art of following If you have a deep hunger and are after the perfect will of God concerning your ministry then this book will prove to be an invaluable tool that beckons to be read over and over again gleaning the invaluable nuggets and revelations

dangerously small baby was born on the floor of her grandmother's house in Lottery Jamaica on Christmas Day Staceyann's mother did not want her and her father was not present no one except her grandmother thought Staceyann would survive It was her grandmother who nurtured and protected and provided for Staceyann and her older brother in the early years But when the three were separated Staceyann was thrust alone into an unfamiliar and dysfunctional home in Paradise Jamaica There she faced far greater troubles than absent parents So armed with a fierce determination and exceptional intelligence she discovered a way to break out of this harshly unforgiving world Staceyann Chin acclaimed and iconic performance artist now brings her extraordinary talents to the page in a brave lyrical and fiercely candid memoir about growing up in Jamaica She plumbs tender and unsettling memories as she writes about drifting from one home to the next coming out as a lesbian and finding the man she believes to be her father and ultimately her voice Hers is an unforgettable story told with grace humor and courage

*Bible Stories & Crafts for Holidays and Seasons* Mary Tucker, 2005

Juxtaposition and the Elisha Cycle Rachelle Gilmour, 2014-01-16 This monograph examines the juxtaposition of narrative units in biblical narrative and the effect this has on interpretation Early rabbinical and inner biblical interpretations suggest that juxtaposition was an intentional device used by biblical editors and authors to shape the meaning of their material Therefore this monograph develops a framework for recognising the ways in which adjacent units interpret and re-interpret one another and presents this framework as an important hermeneutical tool Stories and episodes that are linked chronologically affect one another through a relationship of causes and consequences The categories of contradiction corroboration and question and answer are also used to describe the types of interaction between narrative units and demonstrate how such dialogues create new meaning Indicators in the text that guide the audience towards the intended interpretation are identified in order that a poetics of juxtaposition is developed The theoretical basis established in the first half of the monograph is then applied to the Elisha cycle Each episode is interpreted independently and then read in juxtaposition with the surrounding episodes producing a fresh literary reading of the cycle Furthermore in order to demonstrate how juxtaposition functioned as a diachronic process attention is given to the literary history of the cycle We conjecture earlier interpretations of the Elisha episodes and compare them to the final form of the cycle Finally the Elisha cycle is itself a story juxtaposed with other stories and so the same principles of interpretation are used to suggest the meaning of the cycle within the book of Kings
