Elizabeth Barrett Browning The Hope End Years:

Elizabeth Barrett Browning Barbara Dennis, 1996 Barbara Dennis's much needed study provides a new and illuminating perspective on Barrett Browning focusing on her crucial early years at Hope End near Ledbury Drawing on previously neglected material from Barrett Browning's diaries and her unpublished notebook of 1822-1824 Dennis reveals an active and inquisitive young woman delighting in exploring the Herefordshire countryside and often critical of authority A precocious poet Elizabeth published her first poem The Battle of Marathon at fourteen her second poem An Essay on Mind brought her critical recognition and friendships that were to remain important to her throughout her life including that with Hugh Boyd for whom she developed an intense infatuation But Elizabeth's life at Hope End was not only one of books we learn of her love for her family especially her brother Bro whose tragic early death made it too painful for her ever to return to Hope End after the family's move to London and her early happy relationship with her father who affectionately dubbed her the Poet Laureate of Hope End and encouraged her ambition Elizabeth Barrett Browning Rebecca Stott, Simon Avery, 2014-09-25 This volume will provide students with an introduction to the poetry and life of Elizabeth Barrett Browning one of the most popular poets of her day in Britain and America and who has become one of the great icons of Victorianism for the modern age The authors present a biographical survey study of her poetry its critical reception and an assessment of her influence on later poets This book also examines the complex myths which are associated with Elizabeth Barrett Browning and offers re-readings of her life and work particularly in dispelling the myth of the ailing invalid poet recluse and instead showing her to be one of the great intellectuals of her day immersed in European history and politics from a very early age The book situates Browning within broader historical political and cultural contexts than have yet been examined enabling a better understanding of her poetry and paints the portrait of a fine and innovative poet an intellectual and an astute political thinker **Time, Space, and Gender in the Nineteenth-Century British Diary** R. Steinitz, 2011-10-24 Through close examinations of diaries diary publication and diaries in fiction this book explores how the diary's construction of time and space made it an invaluable and effective vehicle for the dominant discourses of the period it also explains how the genre evolved into the feminine emotive private form we continue to privilege today *The Child Writer from Austen to Woolf* Christine Alexander, Juliet McMaster, 2005-06-16 A collection of essays on the juvenilia of famous authors including Austen the Brontës George Eliot and Virginia Woolf **Masculinity in Four Victorian Epics** Clinton Machann, 2016-05-06 Offering provocative readings of Tennyson's Idylls of the King Barrett Browning's Aurora Leigh Clough's Amours de Voyage and Browning's The Ring and the Book Clinton Machann brings to bear the ideas and methods of literary Darwinism to shed light on the central issue of masculinity in the Victorian epic This critical approach enables Machann to take advantage of important research in evolutionary psychology cognitive science anthropology among other scientific fields and to bring the concept of human nature into his discussions of the poems The importance of the Victorian long poem as a literary genre is

reviewed in the introduction followed by transformative close readings of the poems that engage with questions of gender particularly representations of masculinity and the prevalence of male violence Machann contextualizes his reading within the poets views on social philosophical and religious issues arguing that the impulses drives and tendencies of human nature as well as the historical and cultural context influenced the writing and thus must inform the interpretation of the Victorian epic *Victorian Women Writers and the Classics* Isobel Hurst,2006-09-14 In this study Isobel Hurst brings together two lines of enquiry in recent criticism the Romantic and Victorian reception of ancient Greece and Rome and women as writers and readers in the nineteenth century BOOK JACKET The Encyclopaedia Britannica: Aus to Cal ,1910 **The Encyclopædia Britannica** ,1911 *The Encyclopædia Britannica: Bisharin-Calgary* ,1910 The Encyclopedia Britannica ,1910 The Encyclopædia Britannica Hugh Chisholm,1910 The Encyclopaedia Britannica ,1910 **Strange Music** Laura Fish,2009-10-06 In Laura Fish s ambitious and captivating novel three very different women struggle for freedom While Elizabeth Barrett Browning is confined to bed chafing against the restriction of her doctors and writing poetry and fretful letters at her family s Jamaican estate Kaydia the Creole housekeeper tries to protect her daughter from their predatory master and a recently freed black slave Sheba mourns the loss of her lover As Elizabeth a passionate abolitionist struggles to come to terms with the source of her wealth and privilege both Sheba and Kydia fight to escape a tragic past which seems ever present The resulting novel is an extraordinary evocation of the dark side of the nineteenth century that is both horrifying and ultimately redeeming *Chamber's Cyclopaedia of English Literature* Robert Chambers,1923 A Study Guide for Elizabeth Barrett Browning's "Sonnet 43" Elizabeth Barrett Browning, Cyclopaedia of English Literature Robert Chambers,1904 Delphi Complete Poetical Works of Alice Meynell (Illustrated) Alice Meynell,2021-10-07 The English poet and essayist Alice Meynell was twice considered for the Poet Laureate upon the deaths of both Tennyson and Alfred Austin She was one of the early founders of the Catholic Women s Suffrage Society in support of peaceful means for the achievement of equal suffrage rights for women Meynell s poetry is marked by its simple vocabulary and religious sincerity communicating a gentle mournfulness and a sense of the passing of time The Delphi Poets Series offers readers the works of literature s finest poets with superior formatting This volume presents Meynell s complete poetical works with related illustrations and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to Meynell s life and works Concise introduction to Meynell s life and poetry Rare posthumous poems available in no other collection Images of how the poetry books were first printed giving your eReader a taste of the original texts Excellent formatting of the poems Special chronological and alphabetical contents tables for the poetry Easily locate the poems you want to read Includes Meynell s essays spend hours exploring the poet s prose Ordering of texts into chronological order and literary genres Please visit www.delphiclassics.com to see our wide range of poet titles CONTENTS The Life and Poetry of Alice Meynell Brief Introduction Alice Meynell by Katherine Br gy Complete Poetical Works of Alice Meynell List of Poems in
