Dunford, 2000      **Getting Dressed** Carrie Yodanis, 2018-10-10 Getting Dressed teaches sociology through the everyday decision of what to wear It is about the rules that shape how we dress and how and why we conform It is about how and why we imitate others We may think about clothing as our personal style and identity But our personal style is not so personal it is social shaped and limited by countless social influences We use clothes to rank and treat each other as better and worse Yet we need each other to become who we are when getting dressed This book is about what we wear why we wear it and why it matters      **My**
