

Elizabethan Plays Players

J. L. Styan

Elizabethan Plays Players:

Plays and Players Walter Prichard Eaton, 1916 **The Elizabethan Player** David Albert Mann, 2017-03-27 In this book first published in 1991 David Mann argues for more attention to the performer in the study of Elizabethan plays and less concern for their supposed meanings and morals He concentrates on a collection of extracts from plays which show the Elizabethan actor as a character onstage He draws from the texts a range of issues concerning performance practice the nature of iterance doubling and its implications for presentational acting the importance of clowning and improvisation and the effects of audience and venue on the dynamics of performance The author suggests that the stage representation of players is in part a nostalgic farewell to the passing of an impure but perhaps more vital theatre and in part an acknowledgement of the threat the adult theatre s growing sophistication offered to its institutional and adolescent rivals This title will be of interest to students of Drama and Performance Elizabethan Plays and Players G. B. (George Bagshawe) Harrison, 1956 The Queen's Men and Their Plays Scott McMillin, Sally-Beth MacLean, 1998-05-28 This is the first book devoted to the Queen s Men one of the major acting companies of the age of Shakespeare In describing the troupe s position in the general political situation and the London theatre scene of the 1580s the authors break new ground by showing how Elizabethan theatre history can be refocused by concentrating on the company which produced the plays rather than on the authors who wrote them The book combines a thorough examination of documentary evidence with textual and critical analysis to provide a full account of the characteristics which gave the company its identity its acting style staging methods touring patterns and repertoire The conclusions will interest Elizabethan historians as well as students and scholars of early modern theatre *Plays and Players* , 1979 **Merely Players?** Jonathan Holmes, 2004 This brings together for the first time the diverse voices of actors writing about their experiences of playing Shakespeare **The English Stage** J. L. Styan, 1996-07-13 The English Stage tells the story of drama through its many changes in style and convention from medieval times to the present day With a wide sweep of coverage John Styan analyses the key features of staging including early street theatre and public performance the evolution of the playhouse and the private space and the pairing of theory and stagecraft in the works of modern dramatists He focuses on the conventions by which a playwright actors and their audience create the phenomenon of theatre and the way such conventions have changed over time Styan can be considered among a small number of influential scholars who have helped to develop theatre history from its origins in literary studies into an independent and respected field From the vantage point of a lifetime s study he examines and illustrates the multitude of factors which have brought and continue to bring plays to life *Guilds and the Parish Community in Late Medieval East Anglia, C. 1470-1550* Ken Farnhill, 2001 The parish and the guild were the two poles round which social and religious life revolved in late medieval England This study drawing freely on East Anglian records shows how influential they were in the lives of their communities in the years before the break with Rome and provides an implicit commentary on the impact of the

Henrician Reformation at parish level The records of many of the guilds or fraternities of East Anglia in the years 1470 1550 are examined for evidence of their form function and popularity the spread of fraternities across East Anglia the size of individual guilds types of member and the benefits of guild membership are all studied in detail The social and religious functions of the fraternities are then compared with the parish through a study of the records of two Norfolk market towns Wymondham and Swaffham and two Suffolk villages Bardwell and Cratfield A final chapter studies the fortunes of the guilds during the early years of the Reformation up to their dissolution in 1548 KEN FARNHILL is research associate at the Centre for Medieval Studies University of York *The Shakespearean Stage, 1574-1642* Andrew Gurr,1992-01-23 The Shakespearean Stage is the only authoritative book that describes all the main features of the original staging of Shakespearean drama in one volume the acting companies and their acting styles the playhouses the staging and the audiences For twenty years it has been hailed as not only the most reliable but the liveliest and most entertaining overview of Shakespearean theatre available to students For this third edition Professor Gurr has substantially revised the book bringing it right up to date and incorporating many new discoveries including those of the archaeologists at the sites of the Rose and Globe theatres The invaluable appendix which lists all the plays performed at a particular playhouse the playing company and date of performance has also been revised and rearranged **Elizabethan Plays and Players** Harrison, George B. Harrison,1967 **Who's who in the Theatre** ,1912 Issues for 1914 67 include Notable productions and important revivals of the London stage from the earliest times *A Primer in Theatre History* William Grange,2012-12-14 A Primer in Theatre History covers productions personalities theories innovations and plays from ancient Greece to the Spanish Golden Age Grange discusses theatre from 534 BC in Athens to 1681 AD in Madrid The book contains highly informative chapters on theatre culture in the ancient classical world the medieval period the Italian Renaissance classical Asia German speaking Europe France to 1658 and England to 1642 Following a wide ranging introduction chapters allow the uninitiated reader straightforward access to well researched material often presented in a humorous and approachable fashion Descriptions of films augment discussions of theatre while an extended bibliography and comprehensive index assist the reader in making further inquiries Each chapter features illustrations by Mallory Prucha a designer and graphic illustrator who has received several awards at theatre conferences around the US A Primer in Theatre History does not read like a scholarly tome Its whimsical wrinkles offer readers a more contemporaneous view of theatre than is customary It employs for example frequent references to movies germane to topics and time periods under discussion Such use of film promotes familiarity among younger readers who can then appropriate analogies to theatre performance *Performances at Court in the Age of Shakespeare* Sophie Chiari,John Mucciolo,2019-10-24 A fascinating insight into court entertainment encompassing dance music and performance in the age of Shakespeare The Encyclopaedia Britannica Thomas Spencer Baynes,1878 The Drama ,1919 *Drama Magazine* Charles Hubbard Sergei,William Norman Guthrie,Theodore Ballou Hinckley,1928 **A**

Companion to Renaissance Drama Arthur F. Kinney, 2008-04-15 This expansive inter disciplinary guide to Renaissance plays and the world they played to gives readers a colorful overview of England s great dramatic age Provides an expansive and inter disciplinary approach to Renaissance plays and the world they played to Offers a colourful and comprehensive overview of the material conditions of England s most important dramatic period Gives readers facts and data along with up to date interpretation of the plays Looks at the drama in terms of its cultural agency its collaborative nature and its ideological complexity

The Profession of Player in Shakespeare's Time, 1590-1642 Gerald Eades Bentley, 2014-07-14 This book is a comprehensive study of the customary practices of English players of the period how they lived and worked and were paid organized and cast for parts in the phenomenally popular theaters of England Gerald Bentley discusses sharers hired men boy apprentices musicians touring groups and managers showing that players in general led difficult but seriously professional lives Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Travelling Players in Shakespeare's England S. Keenan, 2002-08-06 Travelling Players in Shakespeare s England is the first extended study of the touring practices and performances of Elizabethan and Jacobean travelling players It opens with a general introduction to the lively competitive world of professional touring theatre Following chapters focus on playing practices and performances in the spaces used as temporary theatres by touring actors such a town halls and country houses The final chapter looks at the decline of this important theatrical tradition in the 1620s

Theatre of Conscience 1939-53 Peter Billingham, 2013-12-16 Theatres of Conscience offers an invaluable and essential insight into four touring British theatre companies whose work and contributions to post war British theatre have largely gone unnoticed Combining a rigorous scholarly evaluation of their work and their broadly ideological and ethical contribution to wider post war developments in British theatre Peter Billingham offers the reader a unique insight into four companies which motivated by enthusiasm principles and creative innovation sought to take the theatre of conscience to theatre less communities in wartime Britain and during the following decade Contemporaries of amongst others Joan Littlewood s Theatre Workshop the Pilgrim Players the Adelphi Players the Compass Players and the Century Theatre represent a significant but rather overlooked phase in the development of twentieth century British theatre
