Elizas Daddy:

Eliza's Wish Rick Farren, 2007-03 Eliza's Wish is the third book in the Dickey Denton series. It's the story of Dickey Denton and the mystery he and his friends uncover at Rocky Neck Lighthouse and the Josiah Wheeler mansion. Spurred on by his vivid imagination and his need to discover the truth about the woman who walks the widow's walk, he seeks guidance from his grandfather. Reluctant at first to give in to Dickey's wishes, Grandpa eventually relents and suggests he seek advice from the spirit of his great great grandmother Eliza Tuffett. Unsure of what to expect, he summons up his courage and decides to risk it. With the help of his friends, they embark on the adventure, and their curiosity takes them back to Rocky Neck Lighthouse and to the haunted Josiah Wheeler mansion on a mysterious journey they'll never forget. The Way Home Megan Chance, 2011-07-20 Eliza Beaudry was determined to leave Richmond and poverty behind, and if that meant trading a few kisses for her freedom, she was more than willing to do so. When handsome gambler Cole Wallace sauntered into town, she saw in him her savior. But Cole's daydreams didn't include the poor daughter of a sharecropper, no matter how pretty, and when he left Richmond, he left Eliza behind penniless and in a world of trouble. With no other choices, Eliza turned to Cole's shy brother Aaron. He was nothing like the man of her dreams, nor was his farm in the middle of West Texas, nowhere. But there was something about him, and suddenly Eliza found herself questioning the life she'd always wanted and wondering if her dreams could change. **Eliza Bing Is (Not) a Star** Carmella Van Vleet, 2018-09-25 How will Eliza make it through the sixth grade? Her ADHD tends to complicate things. Eliza Bing stuck with taekwondo and earned her yellow belt, even though her family expected her to quit. She's tough enough to break boards with her bare hands. Next up, middle school, and hopefully a best friend. The school play turns out to be the perfect opportunity to befriend confident stage-obsessed Annie. But can their friendship survive the spotlight? The joys and sorrows of middle school come to life in this funny and heartfelt sequel to *Eliza Bing Is NOT a Big Fat Quitter*, recipient of the Christopher Award and four child-voted state award nominations. A Junior Library Guild selection. **The Single Dad's Family Recipe** Rachael Johns, 2018-02-01 Is her new job at an Oregon restaurant a recipe for disaster or a second chance? Take one single dad in Oregon working night and day to open his hot new restaurant. Mix in his irresistible new hire, a woman who's flown to this mountain town from New York, burdened by a secret and looking for a fresh start. Simmer until a kiss leads to a clandestine affair that plunges Lachlan McKinnel and Eliza Coleman from the frying pan right into the fire. Praise for the novels of Rachael Johns: Appealing, believable characters and charming small town setting. Publishers Weekly. A sincere and heartfelt story. RT Book Reviews. **Out of the Mist** Lynne Chitty, 2018-03-27 A story about the healing power of landscape. Set within the dramatic landscape of the Isle of Skye, deals with how the sport of running can be used as part of a healing process. In *Out of the Mist*, a woman with a traumatic past eventually fulfills her lifelong dream of visiting the Isle of Skye, but a phone call just as she arrives on the island almost threatens to derail her whole visit. Used to avoiding company, Eliza unexpectedly finds herself invited to join a trip to the Half

Marathon in Portree where she discovers joy and camaraderie within this running fraternity for the first time Can friendship and the haunting landscape that speaks so deeply to her soul give her the courage to overcome her past and to begin again On returning from her holiday a further tragedy drags her back into the horror of her past The story of this past is told from the point of view of Eliza her bedridden mother Edith and her half brother Marcus recently released from prison Each is haunted by the violent events of an attack in their family home eight years earlier which changed all their lives and destroyed their family Out of the Mist asks questions about faith and guilt and regret exploring loneliness and friendship hope and despair Does the past always have to define us or is the human spirit capable of overcoming all things Eliza Berry A Second Chance Daniella Colombo,2022-02-09 Should a young girl save her father at the cost of trillions of fathers Eliza a tormented thirteen year old lives in the near future in a city called Cresco After her dad disappears down a wormhole she is catapulted into the intrigues of an incredible unfamiliar alien world on Earth Realising that everything she once knew was a lie and with her emerging but unreliable special powers Eliza teams up with her new friends TrueBias Yardley and Zeno and sets out on a quest to save her father She soon discovers that it is not only her dad who is in mortal danger but so is the survival of the whole galaxy She has to protect the precious Luxlumen stone from the Viscorpus race But even if she secures the stone as the only bargaining tool does she use it to save her father or the galaxy How can she save them both A note from Daniella Choosing an appropriate book for your child or even for yourself can be a challenge and with so many on offer sometimes making the right choice is a lucky dip The Look Inside feature is excellent as it gives you the opportunity to see the style of writing and the initial direction of the story It is important to highlight that this book is written in British English and has not been translated into American English therefore for younger readers there may be some confusion with language such as Lift Elevator Flat Apartment Pavement Sidewalk I thought I would also add some further information to help you with your choice Eliza Berry A Second Chance does not contain any foul language drug use misuse and there is no reference to sex or any sexual scenes or associated language The story does however contain fight scenes which although are not heavily graphic and some are quite comical sometimes Eliza and her pals are in real danger and there are descriptions of being strangled and held by the throat or hair and other characters being hurt We assume one character is dragged into outer space but this is not confirmed This is a light science fiction novel for children from the age of 10 upwards Eliza Berry the main character is a girl of little confidence and as much as this is a story about adventure and discovery it is also a story of how Eliza transforms from an individual with low self esteem and poor self worth As many 13 year olds she is struggling to find her place in the world and this story I'd like to think takes us on a journey where Eliza learns to love and accept herself for her uniqueness Accepting who we are is an important part of growing up and I touch on the themes of domestic violence low self esteem love family feelings of abandonment isolation fear friendship trust acceptance and honesty All of us are special and unique and we all have a superpower It's just hard sometimes to find it *Eliza's Heart* D.P. Fair Eliza John Davies,2013-03-27 Having picked up the sword of the Crusader in my last novel A PINT SIZED WHISPERER exposing the scandalous pressure applied to pregnant women to terminate their foetus after being told their unborn babies were likely to be suffering with the dreaded Downs Syndrome I now lighten up Although A PINT SIZED WHISPERER was commercially received successfully and questions raised in the House of Commons which rebuked certain sections of the NHS I now return to my genre of easy reading fiction MY FAIR ELIZA is a light hearted parody of Alan Jay Werners book and George Bernard Shaws evergreen musical show My Fair Lady It is more than that It is a heartfelt tribute to those dedicated people they used to call crimpers who couple their dexterity with brush comb and scissors with a friendliness that keep us amused and entertained while we are sat shrouded by a voluminous sheet in their salon chairs **Notes on Peter**

Abrahams' Mine Boy Rodney Nesbitt,1997 **Selections from Eliza Leslie** Eliza Leslie,2011-12-01 Best known for her culinary and domestic guides and the award winning short story Mrs Washington Potts Eliza Leslie deserves a much more prominent place in contemporary literary discussions of the nineteenth century Her writing known for its overtly moralistic and didactic tones though often presented with wit and humor also provides contemporary readers with a nuanced perspective for understanding the diversity among American women in Leslie s time Leslie s writing serves as a commentary on gender ideals and consumerism presents complicated constructions of racial national and class based identities and critiques literary genres such as the Gothic romance and the love letter These criticisms are exposed through the juxtaposition of her fiction and nonfiction instructive texts which range from lessons on literary conduct to needlework from recipes for American and French culinary dishes to travel sketches from songs to educational games Demonstrating the complexity of choices available to women at the time this volume enables readers to see how Leslie s rhetoric and audience awareness facilitated her ability to appeal to a broad swath of the nineteenth century reading public A Distant Shore
