Ellington Was Not A Street:

Ellington Was Not a Street Ntozake Shange, 2004 In a reflective tribute to the African American community of old noted poet Ntozake Shange recalls her childhood home and the close knit group of innovators that often gathered there These men of vision brought to life in the majestic paintings of artist Kadir Nelson lived at a time when the color of their skin dictated where they could live what schools they could attend and even where they could sit on a bus or in a movie theater Yet in the face of this tremendous adversity these dedicated souls and others like them not only demonstrated the importance of Black culture in America but also helped issue in a movement that changed the world Their lives and their works inspire us to this day and serve as a guide to how we approach the challenges of tomorrow Ellington was Not a Street Ntozake

Focusing on a richly significant time in our recent past Sebastian Faulks the bestselling author of *Birdsong* and Charlotte Gray has written his first novel set in America The year is 1960 a fascinating moment of transition in our country when the comfortable Eisenhower years were drawing to a close and the ruthlessly competitive Nixon Kennedy presidential campaign signaled the beginning of a starkly different decade Mary van der Linden has recently moved from London to Washington D C with her two children and her loving admired husband Charlie who is posted to the British Embassy Nearly forty Mary has spent a lifetime as a loyal daughter wife and mother But in this year of so much change she feels compelled to break away from her familiar world and is drawn to the freedom of New York City which is effervescent with parties jazz three martini lunches girls in their summer dresses and men in their Sinatra hats and big ties Greenwich Village is still charmingly bohemian and Miles Davis s hit tune *On Green Dolphin Street* is playing everywhere Mary finds a hotel room in New York and then finds a lover while back in Washington her husband drinks to forget the demands of his job the absence of his wife and the Cold War paranoia that has overtaken the capital Faulks breaks new ground with this novel It is a love story not a war story and it is set in America rather than France Yet readers of his two previous bestselling novels will recognize the close focus of the historical setting the unforgettable characters and the gathering emotional power of the narrative *On Green Dolphin Street* is a dramatic tremendously moving novel that is certain to extend the American audience for this prodigiously talented author s work

The AI Revolution Will Not Be Televised David L. Wadley, 2025-06-19 *The AI Revolution Will Not Be Televised* tells the story of David a self taught investing and stock trading expert who uses his knowledge to teach Black women in Harlem how to achieve financial independence despite a system rigged against them by Wall Street He creates instructional YouTube videos featuring classic R B music to make his trading strategy lessons engaging and approachable David develops a May December relationship with Onyx a professional Black woman who has grown tired of dating men her age and finds comfort in being with a more mature man As his following grows David builds a website and online stock trading platform to better serve his expanding network of students His website has become transformative for many women nationwide who are struggling financially due to circumstances beyond their control However Wall Street is determined to maintain the status quo Love and tragedy combine in the conclusion of this fictional tale based on a true story Despite this tragedy David s many followers ensure that his legacy continues Their dedication determination and belief that financial independence should be a right not a privilege inspire them to fight for economic equality worldwide
