mercilessly murdered by an unknown assailant While I find cold cases frustrating due to the lack of closure they bring crimes as horrific as this ought to be dredged up from the archives of true crime To forget them is to abandon hope of the killer being brought to justice Come with me to 1970s Texas to learn about the shocking serial killer known as The Pied Piper This criminal sought teenage boys to carry out his wicked crimes and even enlisted the help of a teenager to lure youngsters to his home What would then occur in his house of horrors is nothing short of nightmarish The ending to this case is compatible with a twisted horror movie Then there s the disturbing case of the Welsh cannibal The man lured his victim back to a hotel room with him before barbarically attacking her The hotel owner heard the screams coming from room seven so she unlocked the door only to be greeted with an awfully bloody sight She raced to call the police screaming down the phone He s eating her Join me in understanding more about these crimes as well as six more lesser known cases in Unbelievable Crimes Volume Six As with all content covering true crime this book contains descriptions of violence assaults and murder
