[By Henry Bell.]*, 1730 *Journal of Narrative and Life History*, 1992 *International Journal of Oral History*, 1984 *The Story of the Great War* Francis Joseph Reynolds, Allen Leon Churchill, Francis Trevelyan Miller, 1916 **Custom and Confrontation** Roger M. Keesing, 1992-12 Anthropologists and students of anthropology may read this book because it is a superior ethnography detailed and enriched by theoretical insights But at the heart of this book is a moral take a simple but powerful story about an indigenous people who were wronged who resisted for more than 100 years and who may yet prevail This message ultimately lends the book its true meaning and value William Rodman *Anthropologica* A major contribution to the ethnography and history of Malaita and Melanesia and to the growing literature on cultural resistance But above all his humane and painful analysis of the meeting of peoples living in different worlds and constructing their agendas and moralities on incommensurate and apparently equally arbitrary principles represents a major contribution and challenge to anthropological thought addressing the basic issue of what it is to be human Fredrik Barth **Publications in History** Historical Society of New Mexico, 1927 **Publications in History**, 1927 *New Mexico Historical Review* Lansing Bartlett Bloom, Paul A. F. Walter, 1927 **Let's Make It!** Alfredo Garcia, 2025-04-22 The key to cooking like Freddsters is adding a squeeze of lime and a whole lot of heart So grab an apron and let's make it Alfredo Garcia better known as social media sensation Freddsters is a first generation Mexican American Born in the Rio Grande Valley of Texas and raised in Chicago His vivacious and loveable personality comes across in his viral content where he explores the ways in which his American upbringing and his Mexican heritage blend in the kitchen Naturally Alfredo's cookbook also features Mexican inspired versions of American classics and modern twists You'll learn how to master authentic Mexican staples like how to make your own tortillas and cook a big pot of frioles and then you'll be able to use those foundations to create over 100 fusion masterpieces Think Jalapeno Popper Tacos Chori queso Baked Spaghetti and Poblano Caesar Salad Whether you're looking for a fresh twist on tres leches cake try a bit

Jameson,Sergiu Musteață,2019-06-14 Recent years have witnessed a rapid increase in the fields of cultural heritage studies and community archaeology worldwide with expanding discussions about the mechanisms and consequences of community participation This trend has brought to the forefront debates about who owns the past who has knowledge and how heritage values can be shared more effectively with communities who then ascribe meaning and value to heritage materials Globalization forces have created a need for contextualizing knowledge to address complex issues and collaboration across and beyond academic disciplines using more integrated methodologies that include the participation of non academics and increased stakeholder involvement Successful programs provide power sharing mechanisms and motivation that effect more active involvement by lay persons in archaeological fieldwork as well as interpretation and information dissemination processes Withthe contents of this volume we envision community archaeology to go beyond descriptions of outreach and public engagement to more critical and reflexive actions and thinking The volume is presented in the context of the evolution of cultural heritage studies from the 20th century expert approach to the 21st century people centered approach with public participation and community involvement at all phases of the decision making process The volume contains contributions of 28 chapters and 59 authors covering an extensive geographical range including Africa South America Central America Western Europe Eastern Europe North America and Australasia Chapters provide exemplary cases in a growing lexicon of public archaeology where power is
