Elusive Eden A New History Of California:

The Elusive Eden Richard B. Rice, William A. Bullough, Richard J. Orsi, Mary Ann Irwin, 2017-03-17 California is a region of rich geographic and human diversity The authors of The Elusive Eden masterfully balance the varying environmental and cultural forces that have shaped the history of the most populous of the United States California s story is told with a narrative integrating the area s north south coastal interior and urban rural dichotomies Questions of the role that Californians of every race ethnicity and gender are considered reflecting the significant contribution each has made to make California what it is The book s organization follows a chronological approach but each part begins with a feature chapter centered around a particular theme of that period By focusing on individuals or groups affecting a given period the authors bring California history to life and encourage deeper thought about the issues facing Californians of the time **The**

Globalizing the Community College J. Levin, 2001-04-05 Long regarded as a local institution the community college has become a globalized institution It has been affected by global forces and by the interpretations of organizational members to both global forces and to the responses of intermediaries Globalization as a process finds an outlet within the community college where economic cultural and technological behaviors are advanced along lines consistent with and supportive of globalization Furthermore government actions have directed community colleges to respond and adapt to a global economy In this book seven community colleges are examined to demonstrate organizational change in the 1990s precipitated by globalization

Not So Golden After All Larry N. Gerston, 2017-09-25 Quality public education modern highway systems and reasonably priced housing these are just some of the qualities that once made California one of the most desirable places to live Just a few decades later the state finds itself with an education system that is failing its citizens one of the highest unemployment rates in the nation and a quickly evaporating dream of home ownership Illustrating each step of the breakdown that led to its current state of dysfunction Not So Golden After All The Rise and Fall of California provides insight into a system gone amuck It addresses complicated topics in an engaging manner to help the public and leaders alike understand how to make policies that balance expectations with outcomes Key political themes covered include disconnected institutions perpetually unbalanced budgets immigration voter ignorance interest group influence and dysfunctional institutions Investigating the gridlock that has become all too common within the state's legislature the book Demonstrates the impact of the state's inability to generate sufficient revenue particularly for public education and an under trained workforce Highlights the problems created by poor land use planning from suburban sprawl and government waste to inefficient use of agricultural land Examines how interest groups have been able to wrest control of the processes that were created to keep them in line Identifies the duplication of efforts and other inefficiencies at the state and local levels Author Larry Gerston leaves no stone unturned in his discussion of California's economy position on the Pacific Rim cultural diversity land and water issues and its relationship with the federal government He examines the state's infrastructure natural resources immigration issues education finance healthcare civil rights planning and development security laws political parties and power structures to provide civic leaders and policy makers with the understanding required to restore

Thomas J. Osborne,2018 There are moments when we forget how fortunate we are to have the California coast The state is home to 1 100 miles of uninterrupted coastline defined by long stretches of beach and jagged rocky cliffs Coastal Sage chronicles the career and accomplishments of Peter Douglas the longest serving executive director of the California Coastal Commission For nearly three decades Douglas fought to keep the California coast public prevent overdevelopment and safeguard habitat In doing so Douglas emerged as a leading figure in the contemporary American environmental movement and influenced public conservation efforts across the country He coauthored California s foundational laws pertaining to shoreline management and conservation Proposition 20 and the California Coastal Act Many of the political battles to save the coast from overdevelopment and secure public access are revealed for the first time in this study of the leader who was at once a visionary warrior and coastal sage

Not Just Green, Not Just White Mary E. Mendoza, **Phoebe Apperson Hearst** Alexandra M. Nickliss,2018-05-01 In Phoebe Apperson Hearst A Life in Power and Politics Alexandra M Nickliss offers the first biography of one of the Gilded Age s most prominent and powerful women A financial manager businesswoman and reformer Phoebe Apperson Hearst was one of the wealthiest and most influential women of the era and a philanthropist almost without rival in the San Francisco Bay Area Hearst was born into a humble middle class family in rural Missouri in 1842 yet she died a powerful member of society s urban elite in 1919 Most people know her as the mother of William Randolph Hearst the famed newspaper mogul and as the wife of George Hearst a mining tycoon and U S senator By age forty eight however Hearst had come to control her husband s extravagant wealth after his death She shepherded the fortune of the family estate until her own death demonstrating her intelligence and skill as a financial manager Hearst supported a number of significant urban reforms in the Bay Area across the country and around the world giving much of her wealth to organizations supporting children health reform women s rights and well being higher education municipal policy formation progressive voluntary associations and urban architecture and design among other endeavors She worked to exert her ideas and implement plans regarding the burgeoning Progressive movement and was the first female regent of the University of California which later became one of the world s leading research institutions Hearst held other prominent positions as the first president of the Century Club of San Francisco first treasurer of the General Federation of Woman s Clubs first vice president of the National Congress of Mothers president of the Columbian Kindergarten Association and head

of the Woman s Board of the Panama Pacific International Exposition Phoebe Apperson Hearst tells the story of Hearst s world and examines the opportunities and challenges that she faced as she navigated local national and international corridors of influence rendering a penetrating portrait of a powerful and often contradictory woman The Valley of the Shadow of Death Kermit Alexander,Alex Gerould,Jeff Snipes,2015-09-22 Former NFL star Kermit Alexander tells the true story of the massacre of his family and his subsequent years of despair followed by a spiritual renewal that showed him a way to rebuild his family and reclaim his life Amazon com **Farming the Home Place** Valerie J. Matsumoto,2019-06-30 In 1919 against a backdrop of a long history of anti Asian nativism a handful of Japanese families established Cortez Colony in a bleak pocket of the San Joachin Valley Valerie Matsumoto chronicles conflicts within the community as well as obstacles from without as the colonists responded to the challenges of settlement the setbacks of the Great Depression the hardships of World War II internment and the opportunities of postwar reconstruction Tracing the evolution of gender and family roles of members of Cortez as well as their cultural religious and educational institutions she documents the persistence and flexibility of ethnic community and demonstrates its range of meaning from geographic location and web of social relations to state of mind Murder State Brendan C. Lindsay,2012-06-01 In the second half of the nineteenth century the Euro American citizenry of California carried out mass genocide against the Native population of their state using the processes and mechanisms of democracy to secure land and resources for themselves and their private interests The murder rape and enslavement of thousands of Native people were legitimized by notions of democracy in this case mob rule through a discreetly organized and brutally effective series of petitions referenda town hall meetings and votes at every level of California government Murder State is a comprehensive examination of these events and their early legacy Preconceptions about Native Americans as shaped by the popular press and by immigrants experiences on the overland trail to California were used to further justify the elimination of Native people in the newcomers quest for land The allegedly violent nature of Native people was often merely their reaction to the atrocities committed against them as they were driven from their ancestral lands and alienated from their traditional resources In this narrative history employing numerous primary sources and the latest interdisciplinary scholarship on genocide Brendan C Lindsay examines the darker side of California history one that is rarely studied in detail and the motives of both Native Americans and Euro Americans at the time Murder State calls attention to the misuse of democracy to justify and commit genocide *Rooted in Barbarous Soil* Kevin Starr,Richard J. Orsi,2000-10-04 The third in a four volume series commemorating California s sesquicentennial this volume brings together the best of the new scholarship on the social and cultural history of the Gold Rush written in an accessible style and generously illustrated with with black and white and color photographs **Poverty in the United States** Gwendolyn Mink,Alice M. O'Connor,2004-11-22 The first interdisciplinary reference to cover the socioeconomic and political history the movements and the changing face of poverty in the United States Poverty in the United States An Encyclopedia of History

Politics and Policy follows the history of poverty in the United States with an emphasis on the 20th century and examines the involvement of public policy and the impact of critical movements in social welfare such as the New Deal the War on Poverty and more recently the end of welfare as we know it Encompassing the contributions of hundreds of experts including historians sociologists and political scientists this resource provides a much broader level of information than previous highly selective works With approximately 300 alphabetically organized topics it covers topics and issues ranging from affirmative action to the Bracero Program the Great Depression and living wage campaigns to domestic abuse and unemployment Other entries describe and analyze the definitions and explanations of poverty the relationship of the welfare state to poverty and the political responses by the poor middle class professionals and the policy elite

The Anatomy of Colorism in America
Robb Nelson, 2025-04-21 The Anatomy of Colorism in America addresses the significance that colorism racial hierarchy and white skin idealization have each had on the lives of individuals across multiple communities and how those experiences have compared with one another These three complexion based imperial systems culturally legally politically and socially divided persons based on differing skin shades hair textures eye shapes facial angles body types or claims to mythical racial backgrounds The Anatomy of Colorism in America argues that the practices associated with empire building and imperial expansion in America such as manifest destiny settler colonialism and indentured servitude and slavery all led to the creation of these complexion based divisions Once formed these divisions led to socially damaging outcomes for the individuals perceived as nonwhite by the local Anglo American settler colonial class This book documents four locations and communities where such circumstances emerged and compares them The four case studies investigated in this book include Blacks in Charleston South Carolina the Californios in Alta California Mormons in Utah and the relationship between Indigenous Hawaiians Japanese immigrants and Anglo American whites in Hawaii
