Elusive Summit The Biography:

Kongur Chris Bonington, 2020-05-07 It was Kongur that dominated everything and was the focus of our gaze and aspirations So thought Chris Bonington upon the Chinese Mountaineering Association's decision to open many of Tibet and China's mountains to foreigners in the 1980s Not only did this mean that Kongur China's 7 719 metre peak was available to climb but that those choosing to do so would be among the first to set foot there It was an opportunity too good to miss For the planned alpine style ascent of this daunting peak Bonington assembled a formidable team including Peter Boardman Joe Tasker Al Rouse and expedition leader Michael Ward Their reconnaissance and 1981 expedition brought opportunity for discovery and obstacles in equal measure they were able to explore areas that had eluded westerners since Eric Shipton's role as British Consul General in Kashgar in the 1940s but appalling weather unplanned bivouacs and tensions characterised their quest for the ever elusive route to the summit Featuring diary extracts and recollections from each team member this account not only captures the gripping detail of the ascent attempts but also the ebb and flow of the relationships between the remarkable mountaineers involved Add to this the pioneering medical work on high altitude illnesses conducted by the four man medical team and the result is a book which captures a unique moment in mountaineering history Written with the cheer and eloquence typical of Chris Bonington Kongur captures the essence of adventure and exploration that brings readers back to his books time and time again

Canadian Book Review Annual, 1983 *S. Rajaratnam, The Authorised Biography, Volume Two: The Lion's Roar* Irene Ng, 2024-07-03 S Rajaratnam one of Singapore's core founding fathers and its first Foreign Minister was a man of ideas ideals and action In engaging prose Irene Ng bestselling author of the first volume of Rajaratnam's biography The Singapore

Lion reveals as never before how Rajaratnam changed the course of his country's history often by the sheer force of his ideas and will. The second volume *The Lion's Roar* begins with his struggles during Singapore's traumatic years in Malaysia from 1963 to 1965. Informed by decades of research, numerous interviews and access to Mr Rajaratnam's private and government papers, the book gives new insight into his personality and priorities as he was confronted with Singapore's sudden independence which left the island exposed to all the calamities of a vulnerable state. The book relates in fine narrative and analytical detail the evolution of Singapore's foundational ideals and values as well as its foreign policy principles and strategies. Through its pages we follow him as he transformed Singapore's relations with its neighbours, co-founded ASEAN and rallied the regional grouping to oppose the Vietnamese invasion of Cambodia. We look over his shoulder as he drafted what would become Singapore's National Pledge. We witness his political skills as labour minister as he steered through the most far-reaching labour reform in the nation's history and laid the foundation for Singapore's unique cooperative model of tripartism. And we experience Rajaratnam's final years when he faced the end of his life with the same courage that he brought to every battle he ever fought. More than merely the definitive biography of Rajaratnam, the book is also a story about the human condition about what individuals given genius, courage and willpower can achieve beyond what most thought is possible and what people and nations will endure if they have inspirational and moral leadership. **Music Magazine**, 1982
