Elvis and the Beatles Trina Young, 2018-10-05 The King of Rock and Roll and The Fab Four Behind the Scenes ELVIS AND THE BEATLES takes a fascinating look back at the year to year evolution of the careers of both The King of Rock and Roll and The Fab Four simultaneously while debunking false stereotypes The book uncovers how surprisingly similar the careers of Elvis and The Beatles were and the multitude of ways that their personal and professional lives intersected The book also examines the complex relationship between the two biggest musical acts and their managers Much more went on behind the scenes than most people realize Fascinating revelations include Why The Beatles loved Colonel Parker The truth about the jam session between Elvis and The Beatles Why The Beatles were banned in Memphis Elvis vs The Beatles Who dissed who first The friendship between Brian Epstein and Colonel Parker How The Beatles almost recorded in Memphis Which Beatle wanted to be Elvis producer Why The Beatles did not understand Elvis Presley's musical passions How Colonel Parker helped The Beatles Why Elvis was not on the Sgt Pepper cover Muhammad Ali's link to both The secret reporter present when Elvis met The Beatles Which Beatle was Presley's favorite How Elvis inspired Sgt Pepper Singer Sophie Tucker's connection to both Presley's spiritual quest started before The Beatles Why Elvis got more to perform on The Ed Sullivan Show Which Beatles songs Elvis sang How The Beatles inspired Elvis Who was bigger Elvis or The Beatles The book includes an 8 page photo section By comparing and contrasting the parallel lives careers and tragedies of Elvis Presley and The Beatles this book explores like never before the surprising relationship between the two biggest superstars of the last century *The Beatles and John Lennon* Stella H. Alico, 1979-01-01 **Influencing the Beatles. How Buddy Holly, Little Richard, and Elvis Presley Impacted the Iconic Band** Phyllis Economy, 2017-05-31 Essay from the year 2016 in the subject Sociology Media Art Music grade 99 0 Winthrop University course Honor's Seminar language English abstract John Paul George and Ringo are four of the most recognizable names in the music world These four musician masterminds came together to create some of the most well known and classic songs that are still praised today Some of today's biggest musicians cite The Beatles as being one of their biggest influences It is difficult to fathom that The Beatles were once the starving artists waiting for their big break while admiring other artist and styles Three great influences that shaped The Beatles music include Buddy Holly Little Richard and The one and only King Elvis Presley While all three of these musicians impacted The Beatles strongly Elvis style sound and all around charisma left a lasting impression on all four of the young eager members These iconic artists excited the band and influenced their music career which in turn shaped the lives of so many other musical artists **Elvis With the Beatles!** S. Moore, 2017-08-25 Elvis Presley with the Beatles **How Does It Feel?** Grant Maxwell, 2015-08-21 Grant Maxwell examines the recorded music of popular culture with the same subtlety and care as he brings to the literary and philosophical texts of high culture He seeks not just breadth of knowledge but coherence of insight not just accumulation of knowledge but depth of understanding Richard Tarnas author of The Passion of

the Western Mind Grant is a very distinguished cat James Howard Kunstler author of The Geography of Nowhere The first three chapters about each title character and their particular artistic genesis are good cultural history and excellent pop music analysis his explication of Dylan s rejection of modernity is one of the better summations available of this complicated figure The accounts provide fresh rewarding perspectives on historical moments that have been theorized to death if not outright mythologized and Maxwell s historical blow by blow does great service as a patient careful examination of each watershed Grasping at any threads that might bind high culture with low this very polar tension generates the ultimately subtle magnetism of Maxwell s book Thomas Conner H Net Reviews How Does It Feel traces the significance of rock and roll through the early careers of Elvis Presley The Beatles and Bob Dylan drawing on some of the most profound philosophical ideas of the last few centuries Through the artists own words and intimate accounts this study suggests that archaic modes of thought including those associated with mysticism alchemy shamanism and ecstatic spiritual practice and even with often trivialized phenomena described by words like magic destiny and prophecy are vitally important for understanding how these musicians were able to catalyze the inception of an epochal revolution in human consciousness From the recording of Presley s first hit at Sun studio to the Beatles primal Hamburg initiation to Dylan s transfiguration this study shows how rock and roll has enacted the return of relational modes repressed since Descartes equation of thought with human being in the seventeenth century Although the privileging of rationality materialism and science has apparently been in service to the development of humanity s intellectual capacities this ascent of man has come at the expense of intuitive affective and embodied ways of knowing However nothing can be repressed forever and rock and roll appears to have been a compensatory reaction to the modern rationalization and disenchantment of culture Through an engaging retelling of the familiar narratives from a novel philosophical perspective How Does It Feel illuminates how the renewed attention to bodily experience performed by these musicians has opened the door to even more deeply repressed premodern modes mediating what appears to be the emergence of a new world view that integrates modern and premodern premises *Elvis With the Beatles!* S.
