Elvis Presley The King Of Rock And Roll:

Elvis Presley Robert Daily,1996 Examines the rock star s childhood family life musical career films and legacy *Elvis Presley* Jeremy Harmer,1964 **Elvis Presley** Robert Dailey,2000-01-01 Upbeat but honest portrait of the singer who changed the face of rock and roll Impact Biographies **Elvis Presley** Frank D'Onofrio,2020-12-26 Elvis Presley rocketed from oblivion and became one of the greatest influences of the 20th Century It is the story of what happened Without a doubt in early 1954 Elvis Presley was the least likely to achieve stardom A poor teenage truck driver for a local electric company coming from a Memphis housing project In 1954 Rock and Roll music was just in its embryo stage not yet defined as a musical genre Evolving from black music emanating from the black owned nightclubs in the southern United States It was Called Rhythm and Blues R he became the Midwife of Rock and Roll Music tm Dewey s influence on Elvis and other contemporaries such as Buddy Holly and others has to date been overlooked in contemporary history On July 5th 1954 Elvis Presley arrived at the Memphis Recording Studios to perform a demo for owner and record producer Sam Phillips no relation to Dewey At that moment Elvis had not sung a single note professionally He auditioned for hours without any success or glimmer of hope On the brink of ending his first recording session without success a nervous scared teenager paced the floor during a late break Nervously he just started to play chords to an old blues song called That s All Right Mama with a slight alteration of tempo and style That was when Lightning Struck Nervous young Elvis Presley playing to pass time thought no one was listening Playing the song in a slightly different way caught Sam Phillips by surprise Another person in the control room that night than Sam Phillips it is questionable if young Elvis Presley s career would have even started The book describes the early career of Elvis Presley The lightning storm started on July 5th 1954 and its terminal velocity on September 9th 1956 During the Ed Sullivan Show over 60 million people watched the coronation of Elvis Presley as the definitive King of Rock and Roll First coined by High school friend and local DJ Memphis Disc Jockey George Klein GK as The King of Rock and Roll It was an innocent but truthful description of what transpired the first two years of his career 1954 1956 But the road to the title had pitfalls Elvis The King of Rock and Roll describes why Elvis Presley earned and deserved this title Altering a trajectory of history in a single moment On July 5th 1954 Elvis Presley started a firestorm that transformed popular music while forever changing the landscape of the music industry A firestorm which would transform the world Elvis Presley The King of Rock and Roll puts the reader in the midst of it Within three years Elvis Presley went from the brink of a failed audition to the largest selling recording artist in the world The musical genre pioneered by Elvis and his contemporaries presented Rock Roll to a new audience Arguably helping bridge a cultural divide and would be a catalyst of change for generations You will feel the emotions of the young teenager and understand what caused the world s transformation Focusing primarily on the music events and people around him all catalysts to his success The unassuming public persona and demeanor of young Elvis Presley giving him the capacity to usher in the music of Rock Roll and changing

Rock 'N' Rhymes Rich Rilleau,2016-08-18 THIS is my first book or attempt at a book It comes from my love of writing and the use of words and the different forums they are used in like the dialogue in a movie script and the impact it can have on the audience when the main character shares a secret that dramatically changes the direction of the movie or your favorite song where it feels like those lyrics were what you wanted to say and the singer is singing to you These are some of the ways words have spoken to me I have a great appreciation for music and the history of the bands and artists that play it I have also loved the little stories and nuggets that accompany the making of an album or how a song was arrived at or what it was inspired by So this book is a collection of short stories about bands and their songs names of bands and other odds and ends that have popped into my head over the years I hope you enjoy reading it as much as I enjoyed writing it and always remember to keep your eyes on the road and your hands upon the wheel
