s Westworld Simon would have done anything to save his best friend after a mysterious accident almost killed her including follow her into a virtual world And what he and Kat discovered there was more terrifying than they could have ever imagined Unwitting hospital patients are being forced to test a device that lets VR be experienced with all five senses The technology is so advanced that it s deadly Now the world s biggest tech corporation is hunting Simon and Kat while war rages in Otherworld the virtual world it created Determined to destroy the Company Simon and Kat must join forces with a hacker a gangster and a digital entity But as they battle to save two worlds they uncover an all new threat to our world the Company s latest creation an augmented reality game called OtherEarth Not only does OtherEarth kill it has the power to erase the line between what s real and what s fantasy Praise for Otherworld A New York Times Bestseller A potent commentary on how much we re willing to give up to the lure of technology EW com A fantastic journey from start to finish Hypable com An engaging VR cautionary tale AV Club Full of high stakes thrillers and fantastic twists and turns fans of Ready Player One are sure to love this addictive read BuzzFeed *The Culvert* Stephen F. Clegg,2025-03-21 In 2014 during a birthday celebration in a country pub members of historic researcher Naomi Wilkes family are intrigued to see an old and faded countryside photograph attached to a chimney breast entitled The Man In The Photo Despite careful studying by everyone else the only person who can see anyone is Naomi s six year old daughter Francesca who says that she can see the man s eyes that she doesn t like him and that he is trying to escape from a hole In 1854 a work detail of selected prisoners from a nearby gaol arrive at Wordale Nabb in Lancashire with the intention of extending an abandoned mine to help improve the water supply to the nearby Whitewall Estate But nobody is aware that their endeavours are going to take them through land that has for the previous three hundred years been believed to be the domain of underground demons And the outcome for both parties separated by one hundred and sixty years is just as gripping and terrifying Keep The Giraffe Burning John Sladek,2011-09-29 John Sladek wrote some of the best science fiction stories of the 20th century and his parodies of famous s f authors are uproariously right on His talent went under appreciated except by a few devoted followers even though his satirical writing was on a par with the early Kurt Vonnegut Keep The Giraffe Burning is Sladek s second short story collection of four published during his life time and contains seventeen stories originally published in mostly various SF magazines between 1968 and 1975 **A ^A Wonderful Guy** Eddie Shapiro,2021-04-03 In A Wonderful Guy Eddie Shapiro sits down for intimate career encompassing conversations with nineteen of Broadway s most prolific and fascinating leading men Full of detailed stories and reflections the talks dig deep into each actor s career together these chapters tell the story of what it means to be a leading man on Broadway over the past fifty years Pop Goes the Decade Ralph G. Giordano,2017-06-05 Covering significant historical and cultural moments public figures and celebrities art and entertainment and technology that influenced life during the decade this book documents the 1950s through the lens of popular culture On the surface the 1950s was a time of post war prosperity and abundance However in spite of a relaxation of immigration policies the good life

in the 50s was mainly confined to white non ethnic Americans A new Cold War with the Soviet Union intended to contain the threat of Communism and the resulting red scare tinged the experience of all U S citizens during the decade This book examines the key trends people and movements of the 1950s and inspects them within a larger cultural and social context By highlighting controversies in the decade readers will gain a better understanding of the social values and thinking of the time The examination of the individuals who influenced American culture in the 1950s enables students to gauge the tension between established norms of conformity and those figures that used pop culture as a broad avenue for change either intentionally or by accident **Paperbound Books in Print** ,1992
