Debating Psychic Experience Stanley Krippner,Harris L. Friedman,2010-09-02 This book presents a provocative debate between parapsychological advocates who claim that Western science s worldview is incomplete and counteradvocates who insist that parapsychological data is either spurious or can be explained by standard scientific principles Despite ongoing and repeated attempts to prove or disprove the existence of parapsychological events there are still no conclusive findings and certainly no consensus across the worldwide community of scholars scientists and proponents of psychic phenomena Still there is no shortage of information about this fascinating topic to allow everyone to draw their own conclusions This book has been expressly written to make each chapter and topic accessible to a general audience despite containing a vast amount of theoretical material The book is organized into two parts in the first section proponents of the validity of parapsychological data and critics who reject that validity state their respective positions In the second part each group responds to each others statements in the form of a debate Other experts from the United States as well as from Australia and Great Britain provide overviews and conclusions

Alchemical Medicine for the 21st Century Clare Goodrick-Clarke, 2010-06-08 Using the ancient art of spagyrics for treatment of today's health problems Contains detailed indications for using alchemical preparations therapeutically Shows how the essences work holistically to heal the mind body and spirit with the energetic qualities of the plant Provides effective therapy for a wide range of physical and mental disorders Spagyrics is a branch of medicinal alchemy that enhances the healing properties already existing in plants Developed by Paracelsus the magus and alchemist of the early 16th century spagyrics is a holistic therapy that promotes healing at all levels of the human being body soul and spirit Spagyric essences harness the dynamic life force in plants that triggers recovery from the energetic imbalance of illness The harmonizing and balancing qualities of spagyric essences differ from other plant remedies and aromatherapy oils because they not only include the plant's energetic information but also incorporate the salt of the plant from which all toxic matter has been purged The preparation of this alchemical medicine makes it possible to capture the full therapeutic spectrum of plants including the cosmic energies they have absorbed **Alchemical Medicine for the 21st Century** contains detailed indications for using these alchemical preparations to treat both physical and mental disorders The author shows for example that the tincture made from dandelion is especially potent on liver related ailments and also raises the spirit and frees the patient from anger and bitterness The immune system is also boosted by this essence providing tonic effects for allergy sufferers The author a homeopath since 2000 also shows how these spagyric essences can be potentized homeopathically

Entangled Minds Dean Radin, 2009-11-24 Is everything connected Can we sense what's happening to loved ones thousands of miles away Why are we sometimes certain of a caller's identity the instant the phone rings Do intuitive hunches contain information about future events Is it possible to perceive without the use of the ordinary senses Many people believe that

psychic phenomena are rare talents or divine gifts Others don't believe they exist at all But the latest scientific research shows that these phenomena are both real and widespread and are an unavoidable consequence of the interconnected entangled physical reality we live in Albert Einstein called entanglement spooky action at a distance the way two objects remain connected through time and space without communicating in any conventional way long after their initial interaction has taken place Could a similar entanglement of minds explain our apparent psychic abilities Dean Radin senior scientist at the Institute of Noetic Sciences believes it might In this illuminating book Radin shows how we know that psychic phenomena such as telepathy clairvoyance and psychokinesis are real based on scientific evidence from thousands of controlled lab tests Radin surveys the origins of this research and explores among many topics the collective premonitions of 9/11 He reveals the physical reality behind our uncanny telepathic experiences and intuitive hunches and he debunks the skeptical myths surrounding them *Entangled Minds* sets the stage for a rational scientific understanding of psychic experience
