Embattled Confederates

COL Charles W. L. Hall

Embattled Confederates:

Embattled Confederates Bell Irvin Wiley, 1964 Pictorial survey of the political leadership and social conditions in the South during the Civil War Includes 300 photographs and Appendices listing members of the Confederate Congress and its Generals Death of a Confederate Arthur N. Skinner, James L. Skinner, 2011-08-15 Spanning nearly a century the letters in this collection revolve around a central event in the history of a southern family the death of the eldest son owing to sickness contracted during service in the Confederate Army The letters reveal a slaveowning family with keen interests in art music and nature and an unshakable belief in their religion and in the Confederate cause William Seagrove Smith was a private in the signal corps of the Eighteenth Battalion Georgia Infantry Smith was part of the force defending Savannah until it fell in late 1864 and then marched with General William J Hardee in his famous retreat out of the city and through the Carolinas Like so many other soldiers on both sides of the conflict William Smith fell not at the hands of an enemy but from disease He died in Raleigh North Carolina on July 7 1865 A parallel and complementary story about William s younger brother Archibald also emerges in the letters As a cadet at Georgia Military Institute Archibald was as his parents fervently wished exempt from service however he ultimately saw and survived action before the war s end Scattered among the many lines in the letters that are devoted to the two brothers are a wealth of particulars about agricultural industrial and social life in the family s north Georgia community of Roswell the Smith family s flight from Sherman s invasion force their lives as refugees in south Georgia and a final reunion of the Smith brothers outside of Savannah just after the city s fall Also included are a number of moving exchanges between the Smiths and the family that cared for William in his final days A brief history of the Smith family through 1863 begins the correspondence while the letters following the war reveal their fortitude in the face of William s death and the hardships of Reconstruction The volume concludes with selected letters from the subsequent generation of Smiths who conjure images of the Old South and revive the memory of William Like the most distinguished Civil War era letter collections The Death of a Confederate introduces a personal dimension to its story that is often lost in histories of this sweeping event *Embattled Confederates* Irvin Wiley, 1964 Confederate Florida William H. Nulty, 1994-01-30 An account of the Union defeat in Florida s most violent action and one that seriously depleted Confederate forces in Atlanta and Charleston Annotation copyrighted by Book News Inc Portland OR **U.S. Colored Troops Defeat Confederate Cavalry** Edwin W. Besch, 2017-04-10 Wilson s Wharf was the first major clash between U S Colored Troops and the Army of Northern Virginia The 1st and 10th USCT infantry regiments supported by two cannon and two U S Navy gunboats faced 11 detachments of veteran Confederate cavalry who were under orders to kill every man Union commander General Edward Wild a one armed abolitionist refused General Fitzhugh Lee s demand for surrender telling Lee to go to Hell The battle resulted in a victory for the mainly black Union force This book describes the action in detail and in the larger context of the history of black U S servicemen including the British recruitment of runaway slaves during the Revolutionary

War the black Colonial Marines who joined the British in torching Washington in the War of 1812 and the South's attempts to enlist slaves in the final months of the Civil War

Conrad Wise Chapman Ben L. Bassham, 1998 Civil War artist Conrad Wise Chapman painted and sketched while on duty as a Confederate soldier Chapman's firsthand knowledge is evident in his work and this text provides both a critical analysis of Chapman's art and a biography incorporating his correspondence and Civil War memoirs

Life Goes on James R. Arnold, Roberta Wiener, 2001-11-01 Looks at life on the home front during the Civil War examining the experiences of men and women from the North and South who kept farms factories hospitals homes and other institutions running during the conflict

The Civil War in Maryland Reconsidered Charles W. Mitchell, Jean H. Baker, 2021-11-10 CONTENTS Introduction Jean H Baker and Charles W Mitchell Border State Border War Fighting for Freedom and Slavery in Antebellum Maryland Richard Bell Charity Folks and the Ghosts of Slavery in Pre Civil War Maryland Jessica Millward Confronting Dred Scott Seeing Citizenship from Baltimore Martha S Jones Maryland Is This Day True to the American Union The Election of 1860 and a Winter of Discontent Charles W Mitchell Baltimore's Secessionist Moment Conservatism and Political Networks in the Pratt Street Riot and Its Aftermath Frank Towers Abraham Lincoln Civil Liberties and Maryland Frank J Williams The Fighting Sons of My Maryland The Recruitment of Union Regiments in Baltimore 1861 1865 Timothy J Orr What I Witnessed Would Only Make You Sick Union Soldiers Confront the Dead at Antietam Brian Matthew Jordan Confederate Invasions of Maryland Thomas G Clemens Achieving Emancipation in Maryland Jonathan W White Maryland's Women at War Robert W Schoeberlein The Failed Promise of Reconstruction Sharita Jacobs Thompson F k the Confederacy The Strange Career of Civil War Memory in Maryland after 1865 Robert J Cook

The Civil War in the Jackson Purchase, 1861-1862 Dan Lee, 2014-02-07 The Jackson Purchase is the far western section of Kentucky In 1861 it was a rich agricultural and iron producing region It also controlled the mouths of the Ohio Cumberland and Tennessee rivers as well as that middle stretch of the mighty Mississippi where it transitions from a northern to a southern river The Purchase was the riverine gateway to the Deep South The obvious military importance of the region caused both the Federal and Confederate governments to pour material resources and military talent into the Purchase in an effort to hold it and defend it against the incursions of their enemies The Jackson Purchase was the Civil War training ground of such army officers as U S Grant C F Smith Leonidas Polk Lloyd Tilghman and the navy's own Andrew H Foote commander of the Federal Brown Water Navy Four major amphibious battles were fought for control of the area Columbus Belmont Fort Henry Fort Donelson and Island Number Ten This book tells the story of the bloody years 1861 and 1862 and the tense contested Union occupation that followed in the region known as The South Carolina of Kentucky

Lost Soul Les Rolston, 2025-01-23 Sam Postlethwaite was a Confederate soldier buried in an unmarked grave in Rhode Island Beginning with nothing more than a handful of dirt author Les Rolston's innocent curiosity about this mysterious soldier's grave became a journey of thousands of miles that eventually led him to the soldier's family The result is this factual account of Postlethwaite's odyssey and the

author's determined efforts to learn his story. Other important facets of this affecting historical account are the experiences of Postlethwaite's fourteen-year-old brother who found glory with Stonewall Jackson in the Shenandoah Valley and a boy from a prominent Rhode Island family who was emotionally ruined by the Civil War. Both their families embittered by war were destined to merge through a Civil War romance and marriage. This book is a tribute to all of the people Northerners and Southerners who joined together to choose forgiveness and understanding over bitterness and hatred.

Counter-Thrust Benjamin Franklin Cooling (III), 2020-02-17. During the summer of 1862 a Confederate resurgence threatened to turn the tide of the Civil War. When the Union's earlier multitheater thrust into the South proved to be a strategic overreach, the Confederacy saw its chance to reverse the loss of the Upper South through counteroffensives from the Chesapeake to the Mississippi. Benjamin Franklin Cooling tells this story in *Counter-Thrust*, recounting in harrowing detail Robert E. Lee's flouting of his antagonist George B. McClellan's drive to capture the Confederate capital at Richmond and describing the Confederate hero's long-dreamt-of offensive to reclaim central and northern Virginia before crossing the Potomac. *Counter-Thrust* also provides a window into the Union's internal conflict at building a successful military leadership team during this defining period. Cooling shows us Lincoln's administration in disarray with relations between the president and field commander McClellan strained to the breaking point. He also shows how the fortunes of war shifted abruptly in the Union's favor, climaxing at Antietam with the bloodiest single day in American history and in Lincoln's decision to announce a preliminary Emancipation Proclamation. Here, in all its gritty detail and considerable depth, is a critical moment in the unfolding of the Civil War and of American history.

Virginia at War, 1862 William C. Davis, James I. Robertson, 2007-04-06. The second volume in this history of Confederate Virginia examines the effects of military occupation, industrial expansion, and the Battle of Antietam. In *Virginia at War, 1862*, leading Civil War historians demonstrate how no aspect of life in the Commonwealth escaped the war's impact. The collection of essays examines topics as diverse as daily civilian life and the effects of military occupation, the massive influx of tens of thousands of wounded and sick into Richmond, and the wartime expansion of Virginia's industrial base, the largest in the Confederacy. Out on the field, Robert E. Lee's army was devastated by the Battle of Antietam, and Lee strove to rebuild the army with recruits from the interior of the state. Many Virginians, however, were far behind the front lines. A growing illustrated press brought the war into the homes of civilians and allowed them to see what was happening in their state and in the larger war beyond their borders. To round out this volume, indefatigable Richmond diarist Judith McGuire continues her day-by-day reflections on life during wartime. The second in a five-volume series examining each year of the war, *Virginia at War, 1862* illuminates the happenings on both homefront and battlefield in the state that served as the crucible of America's greatest internal conflict.

The Mosby Myth Paul Ashdown, Edward Caudill, 2002. Confederate Colonel John Singleton Mosby, 1833-1916, was only one of a number of heroes to emerge during the Civil War, yet he holds a singular place in the American imagination. He is the irrepressible rebel with a

cause the horseman who emerges from the forest to protect the embattled farmer and his household and bring retribution to the invader Mosby was the fabled Gray Ghost of the Confederacy a mythic cavalry officer who operated with virtual impunity behind Union lines near Washington D C The Mosby Myth is the first book devoted to explaining Mosby s place in American culture myth and legend The book provides not just a biography of John Mosby s life but a study of his legacy Well written and informative this book is sure to provoke new thought about the effect of the memory of Mosby and the memory of the Civil War on American society and culture

PRODUCT DESCRIPTION **Embattled Rebel** James M. McPherson, 2015-09-15 From the Pulitzer Prize winning author of Battle Cry of Freedom a powerful new reckoning with Jefferson Davis as military commander of the Confederacy The best concise book we have on the subject McPherson is our most distinguished scholar of the Civil War era The New York Times Book Review History has not been kind to Jefferson Davis Many Americans of his own time and in later generations considered him an incompetent leader not to mention a traitor Not so argues James M McPherson In Embattled Rebel McPherson shows us that Davis might have been on the wrong side of history but that it is too easy to diminish him because of his cause s failure Gravely ill throughout much of the Civil War Davis nevertheless shaped and articulated the principal policy of the Confederacy the quest for independent nationhood with clarity and force He exercised a tenacious hands on influence in the shaping of military strategy and his close relationship with Robert E Lee was one of the most effective military civilian partnerships in history Lucid and concise Embattled Rebel presents a fresh perspective on the Civil War as seen from the desk of the South s commander in chief **The 55th North Carolina in the Civil War** Jeffrey M. Girvan, 2013-01-25 This comprehensive history tells the story of the men who served in the 55th North Carolina from its formation in 1862 through its dissolution in 1865 Drawing on letters memoirs diaries and recollections it depicts the Civil War through the eyes of the soldiers showing what it was like to fight for the Confederacy While providing information on the battles in which the 55th North Carolina took part including the little known Suffolk campaign the main focus of the work is the life of the men the ever present influence of politics and religion as well as the effects of disease and combat Appendices provide a breakdown of the companies in the regiment the regimental roster a list of men who died of disease and a record of the men from the 55th who were killed in battle Contemporary photographs are also included

Revivals to Revolvers . . . to Die for Commonwealth and Family! COL Charles W. L. Hall, 2013-11-05 Over two thousand men were recruited for this regiment from the counties of Hickman Fayette Bullitt Jefferson Graves Franklin Harrison Scott Owen Bourbon and Anderson throughout 1861-1865 The Second Kentucky persevered over three years of unbelievable hardship valorously and under constant threat of death Honoring all Kentuckians past and present Part of the real life story is given to us through the memoirs and diary of Colonel Roger W Hanson commanding the Louisville Legion Jefferson County Kentucky Every attempt has been made to fully represent our regiment in this book to include a regiment roster of all officers and men who selfishly served their state their conscience and the Confederacy **Dad. Front** Albert

Payson Terhune, 1914 **The Granite Farm Letters** John Rozier, 1988 Gathers letters between Edgeworth Byrd a Confederate soldier planter and slave owner and his wife and daughter Dad Albert Payson Terhune, 1914 **Both**
Prayed to the Same God Robert J. Miller, 2007-09-16 Both Prayed to the Same God is the first book length comprehensive study of religion in the Civil War While much research has focused on religion in a specific context of the civil war this book provides a needed overview of this vital yet largely forgotten subject of American History Writing passionately about the subject Father Robert Miller presents this history in an accessible but scholarly fashion Beginning with the religious undertones in the lead up to the war and concluding with consequences on religion in the aftermath Father Miller not only shows us a forgotten aspect of history but how our current historical situation is not unprecedented

Thank you very much for downloading **Embattled Confederates**. As you may know, people have search numerous times for their favorite readings like this Embattled Confederates, but end up in infectious downloads. Rather than enjoying a good book with a cup of coffee in the afternoon, instead they juggled with some malicious virus inside their desktop computer.
