Emblem And Expression Meaning In English Art Of The Eighteenth Century:

Emblem and Expression Ronald Paulson,1975 *Emblem and Expression* Ronald Paulson,1975 **Emblem and Expression** Robert P. Weeks,1975 **The Global Eighteenth Century** Felicity Nussbaum,2005-08-17 These essays explore both literal and metaphorical crossings of the globe addressing the cultural significance of maps paintings travel writing tourist manuals cultural identities island gardens and other topics in order to lend insight to our perception of global culture during the long 18th century **Conversable Worlds** Jon Mee,2011-09-15 Around 1700 a new commercial society was emerging that thought of its values as the product of exchanges between citizens A welter of publications periodical essays novels and poetry enjoined the virtues of conversation and were enthusiastically discussed in book clubs and literary societies creating their own conversable worlds **Sir John Vanbrugh: The Playwright as Architect** ,1991 Looking for Longitude Katy Barrett,2022-11-17 Why make a joke out of a niche and complex scientific problem That is the question at the heart of this book which unearths the rich and surprising history of trying to find longitude at sea in the eighteenth century Not simply a history on water this is the story of longitude on paper of the discussions satires diagrams engravings novels plays poems and social anxieties that shaped how people understood longitude in William Hogarth s London We start from a figure in one of Hogarth s prints a lunatic incarcerated in the madhouse of A Rake s Progress in 1735 to unpick the visual mental and social concerns which entwined around the national concern to find a solution to longitude Why does longitude appear in novels smutty stories political critiques copyright cases religious tracts and dictionaries as much as in government papers This sheds new light on the first government scientific funding body the Board of Longitude established to administer vast reward money for anyone who found a means of accurately measuring longitude at sea Meet the cast of characters involved in the search for longitude from famous novelists and artists to almost unknown pamphleteers and inventors and see how their interactions informed the fate of longitude s most famous pursuer the clockmaker John Harrison

The Temporality of Taste in Eighteenth-Century British Writing James Noggle,2012-02-09 Is taste a quick momentary experience in the individual mind Or something durable shaped by slow historical processes affecting groups of people at different times and places British writers in the eighteenth century believed that it was both and the tension between these temporal poles shaped the meaning of taste in the period and set a course for aesthetics in following centuries Focusing on works in many genres Alexander Pope s poems David Hume s historiography essays by Hannah More and Anna Barbauld and novels by Frances Burney and William Beckford this book sees the divided temporality of taste as an unpredictable force in British writing The eighteenth century was the age of taste Writers considered its intense effects on individual minds as especially characteristic of the collective present of British modernity whilst they also recognized the disturbing tendency of taste s immediacy and its historical roles to interrupt and foreclose on each other While noting how taste s two temporal flavours may be made to agree in order to consolidate various national social and gendered identities this book also

demonstrates that taste's dual temporality makes it more disruptive than scholars usually think. As such, taste models a kind of critical practice that this book itself endeavours to inherit: the insistent testing of the moment of discernment and on-going patterns of thinking and feeling against each other.

Pictures-within-Pictures in Nineteenth-Century Britain Catherine Roach, 2017-07-05 Repainting the work of another into one's own canvas is a deliberate and often highly fraught act of reuse. This book examines the creation, display and reception of such images. Artists working in nineteenth-century London were in a peculiar position based in an imperial metropole yet undervalued by their competitors in continental Europe. Many claimed that Britain had yet to produce a viable national school of art. Using pictures within pictures, British painters challenged these claims and asserted their role in an ongoing visual tradition. By transforming pre-existing works of art, they also asserted their own painterly abilities. Recognizing these statements provided viewers with pleasure in the form of a witty visual puzzle solved and with prestige in the form of cultural knowledge demonstrated. At stake for both artist and audience in such exchanges was status: the status of the painter relative to other artists and the status of the viewer relative to other audience members. By considering these issues, this book demonstrates a new approach to images of historic displays. Through examinations of works by J. M. W. Turner, John Everett Millais, John Scarlett Davis, Emma Brownlow King and William Powell Frith, this book reveals how these small passages of paint conveyed both personal and national meanings.

Resemblance & Disgrace Helen Deutsch, 1996 By restoring the poet's image to view against the cultural background that branded it as monstrous, Deutsch recasts Pope's literary career from his translations of Homer to his imitations of Horace as itself a form of monstrous embodiment: a stamping of his own personal disfigured image on fragments of the cultural past.

The Answer to the Lyre Loftus Jestin, 2017-04-10 In 1753 Robert Dodsley published *Designs by Mr R Bentley for Six Poems by Mr T Gray*. Sponsored by Horace Walpole, this luxurious quarto was the first major aesthetic expression of the Strawberry Hill circle and a landmark in English book illustration. Kenneth Clarke called it the most graceful monument to Gothic Rococo. Its witty interplay between illustration and text anticipated Blake, who studied it some thirty years later. Among its poems is Gray's famous *Elegy Written in a Courtly Church Yard*. Loftus Jestin offers a facsimile of *Designs*, out of print since 1786, and a full-length interdisciplinary study of the collaboration of Bentley, Gray and Walpole that produced this extraordinary book. He shows the way poems and illustration at once complement, compete with and invigorate each other, and he examines Strawberry Hill, Walpole's house at Twickenham where Bentley's genius flourished. He also considers the interplay of the

sister arts in the work of Hogarth Kent and Pine and surveys the tastes friendships economics and politics that helped shape the development of Bentley's book illustrations

Guess at the Rest Elisabeth Soulier-Detis, 2010-05-27 This engaging study reveals how a half hidden thread of Masonic symbolism runs through Hogarth's work The classical and Biblical references whose ambiguity and apparent paradoxical relation with the eighteenth century situations depicted have often been underlined gain coherence and unity when they are analyzed in the symbolic framework of freemasonry and alchemy Hogarth was busy both using and concealing in his prints The coded meaning is often entirely at odds with the surface one a fact suspected but never proved by critics so far A very original and titillating book for academics and general reader alike Readers will be intrigued by the secrecy of symbols from mythological biblical and Masonic references and hidden codes that have to be deciphered Furthermore they will be also left intrigued by the secret message that the very popular and well known painter is attempting to deliver Academics will be interested in the book since this thorough approach has never been proposed by any of Hogarth's scholars so far

The Visual Worlds of Life Writing Kerstin Maria Pahl, 2025-01-04 An Open Access edition is available The Visual Worlds of Life Writing brings into conversation the two most popular genres in long eighteenth century England portraits and biographies As key instruments of social formation when Britain was forging the nation Linda Colley they were wielded alike by Whigs and Tories the aristocracy and the commercial middle classes high class artists and grub street writers They were most persuasive however when used jointly portrait prints ideally accompanied by Brief Lives sold by the thousands National histories were re issued to include pictures Portraitists were required to stage their sitters as though taken from real life situations Embedded into such interplay between texts and images was an aesthetic claim doing biography was a multimedia enterprise Far from being just words on a page eighteenth century life writing came with frontispiece portraits illustrations or elaborate title pages Biographers directed their readers to existing portraits of their subjects to enhance the reading experience Portraits made of calligraphic writing blurred the boundaries between text and image As a thorough reassessment of visual culture's role in producing biographies this book offers an in depth analysis of the rhetorics of portraiture and life writing an historical account of their sister arts tradition and an inquiry into the social function of profiling people

Samuel Richardson in Context Peter Sabor, Betty A. Schellenberg, 2017-09-21 Since the publication of his novel Pamela or Virtue Rewarded in 1740 Samuel Richardson's place in the English literary tradition has been secured But how can that place best be described Over the three centuries since embarking on his printing career the divine novelist has been variously understood as moral crusader advocate for women pioneer of the realist novel and print innovator Situating Richardson's work within these social intellectual and material contexts this new volume of essays identifies his centrality to the emergence of the novel the self help book and the idea of the professional author as well as his influence on the development of the modern English language the capitalist economy and gendered medicalized urban and national identities This book enables a fuller understanding and appreciation of

Richardson's life work and legacy and points the way for future studies of one of English literature's most celebrated novelists

J.M.W. Turner and the Subject of History Leo Costello, 2017-07-05 J M W Turner and the Subject of History is an in depth consideration of the artist's complex response to the challenge of creating history paintings in the early nineteenth century Structured around the linked themes of making and unmaking of creation and destruction this book examines how Turner's history paintings reveal changing notions of individual and collective identity at a time when the British Empire was simultaneously developing and fragmenting Turner similarly emerges as a conflicted subject one whose artistic modernism emerged out of a desire to both continue and exceed his eighteenth century aesthetic background by responding to the altered political and historical circumstances of the nineteenth century

Fragonard and the Fantasy Figure Melissa Percival, 2017-07-05 A fresh interpretation of the group of Fragonard's paintings known as the figures de fantaisie Fragonard and the Fantasy Figure Painting the Imagination reconnects the fantasy figures with neglected visual traditions in European art and firmly situates them within the cultural and aesthetic contexts of eighteenth century France Prior scholarship has focused on the paintings connections with portraiture whereas this study relocates them within a tradition of fantasy figures where resemblance was ignored or downplayed The book defines Fragonard as a painter of the imagination and foregrounds the imaginary at a time when Enlightenment rationalism and Classical aesthetics contrived to delimit the imagination The book unravels scholarly writing on these Fragonard paintings and examines the history of the fantasy figure from early modern Europe to eighteenth century France Emerging from this background is a view of Fragonard turning away from the academically sanctioned invention towards more playful variants of the imaginary fantasy and caprice Melissa Percival demonstrates how fantasy figures engage both artists and viewers allowing artists to unleash their imagination through displays of virtuosity and viewers to use their imagination to explore the paintings unusual juxtapositions and humour

The Engaging Realm of Kindle Books: A Thorough Guide Revealing the Advantages of E-book Books: A Realm of Ease and Flexibility E-book books, with their inherent mobility and ease of access, have liberated readers from the limitations of physical books. Gone are the days of carrying bulky novels or meticulously searching for particular titles in shops. E-book devices, sleek and lightweight, effortlessly store an wide library of books, allowing readers to immerse in their preferred reads whenever, anywhere. Whether commuting on a busy train, relaxing on a sun-kissed beach, or just cozying up in bed, Kindle books provide an exceptional level of convenience.
