Embrace The Butcher:

Time and Fevers E. M. SCHORB, 2004-04-20 Winner of the 16th Annual Writers Digest Self Published Award for Poetry 2008 An Eric Hoffer Book Award Winner 2007 I am always happy to drop everything pretty nearly when I make the acquaintance of a new poet as good as E M Schorb James Dickey The poems of E M Schorb shine calmly even as they buzz with energy are connoisseurs with the world and yet transcendent of it make something deeply funny and yet highly sad given a world and a time and a good mind's eye This is the work of a mature intelligence its ironies unadulterated by cynicism and its swells informed by understatement Heather McHugh Schorb's poetry is rich with humor and an almost gestaltic sense of clarity this unique voice allows him to maintain a tonal unity while moving through a variety of forms Raymond Thibodeaux New Delta Review Schorb draws from science art literary history and popular culture balancing these subjects in a thoughtfully conceived and organized book Lurking behind all is the danger and violence of life call it man's and nature's inhumanity to each other which Schorb handles maturely without cynicism and often with a humor that places him somewhere between Marvin Bell and Kenneth Koch Todd Verdun The Carolina Quarterly I think Ed Schorb is one of our very finest poets Some of the poems are breathtaking both for their literary skill and for their human appeal E M Schorb's work has range variety wit depth and a zest for both language and life Anthony S Abbott poet and author of the Novello Prize winning novel Leaving Maggie Hope Schorb's poems are good modern poems on a high literary level some are touched with greatness Cornel Lengyel poet playwright publisher Dragon's Teeth Press

Happy Meat Shyon Baumann, Emily Huddart Kennedy, Josee Johnston, Merin Oleschuk, 2025-06-17 North Americans love eating meat Despite the increased awareness of the meat industry's harms violence against animals health problems and associations with environmental degradation the rate of meat eating hasn't changed significantly in recent years Instead what has emerged is an uncomfortable paradox a need to square one's values with the behaviors that contradict those values Using a large scale multidimensional and original dataset Happy Meat explores the thoughts and emotions that underpin our moral decision making in this meat paradox Conscientious meat eaters turn to the notion of happy meat to make sense of their behaviors by consuming meat they see as more healthy ethical and sustainable Happy meat might be labeled grass fed free range antibiotic free naturally raised or humane The people who produce and consume it together make up the complex landscape of conscientious meat eating in modern Western societies The discourse of happy meat ultimately may not be a sufficient response to all the critiques of meat eating rife as it is with contradictions However it offers a powerful case for understanding how moral boundaries and notions of the good eater are constructed through negotiations of values identity and status

As a turning point that changed the course of the Troubles the Bloody Sunday massacre continues to define ongoing debates about the legacy of the Troubles and the impact of state violence Bloody Sunday has been at the centre of numerous cultural and literary expressions which deal with the grief and trauma of the massacre such as murals songs plays and poetry This volume is the first comprehensive study of the poetry of Bloody Sunday written by critically acclaimed Irish poets including Seamus Heaney Paul Muldoon Thomas Kinsella Seamus Deane and Medbh McGuckian By focusing on poems written between 1972 and 2015 this book examines each poet s attempt to find an apt way of articulating the anger trauma and grief over the massacre with most of the poets continuously returning to the shooting in their poetry throughout their careers The monograph outlines how in the face of adversity the poets draw on old Irish literary traditions such as Gaelic laments and Aisling poetry which offer an indigenous anti colonial and counter hegemonic response to a massacre that was experienced as a colonial aggression It also discusses the complex relationship between poetry and politics and the negotiation between aesthetic freedom and the moral obligation to write about Bloody Sunday *Butchers' Advocate, Dressed Poultry and the Food Merchant ,*1897 *Plain home talk*
