*Embracing Grace* L.D. Clark, 2015-12-12 The story of grace did not begin with the New Covenant It started with Gods first revelation of himself Grace and mercy are and have always been part of Gods character Mankind has not always enjoyed the fuller revelation of grace as given to this generation Author L D Clarks *Embracing Grace Where the Law Ends Grace Begins* explains the evolution of grace It is revealed in Genesis but generations who lived before Christ could not enjoy its fullness because wrath was upon every soul that sinned While the law of Moses temporarily stayed the execution of justice it did not offer soul salvation After Jesus bore Gods wrath for us all greater grace became Gods gift to us all It behooves us to know understand and avail ourselves to this new relationship with the Father through Jesus Christ Grace is part of the Fathers legacy to this generation *Embracing Grace Where the Law Ends Grace Begins* shows you how to revel in Gods grace and deepen your faith

Bird, 2016-02-09 A new commentary for today's world *The Story of God Bible Commentary* explains and illuminates each passage of Scripture in light of the Bible's grand story The first commentary series to do so SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts Its story centric approach is ideal for pastors students Sunday school teachers and laypeople alike Each volume employs three main easy to use sections designed to help readers live out God's story LISTEN to the Story Includes complete NIV text with references to

other texts at work in each passage encouraging the reader to hear it within the Bible's grand story EXPLAIN the Story Explores and illuminates each text as embedded in its canonical and historical setting LIVE the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students Romans Romans is a letter that has had monumental impact in the history of Christian thought Delving into Romans helps us see more clearly the biblical story of how God reveals his salvation to both Israel and the nations and compels us to read the Old Testament with a hermeneutical lens which identifies Jesus as the centerpiece of Israel's redemptive history Edited by Scot McKnight and Tremper Longman III and written by a number of top notch theologians The Story of God Bible Commentary series will bring relevant balanced and clear minded theological insight to any biblical education or ministry **We not Me** Andy Matheson, 2014-06-01 It is well known that individualism and consumerism are so pervasive that they have become the spectacles through which we view and understand our lives including our spirituality Sadly we keep these glasses on as we read our Bibles and in the process we allow our reading to reinforce our individualism Many readers and expositors of the Bible take verses without due concern for their context In the process verses that were originally intended to be understood within a community setting are made to mean something different from what their authors intended One of the most serious consequences is that passages which refer to our community life are made to reinforce our individualism This is not handling the Word of Truth correctly In We Not Me Andy Matheson argues that we need to embrace the perspective of the God who sees His vision is relational he sees with communal lenses Community is so core to God's nature and purposes that it undergirds everything that is implicitly inferred or explicitly stated on every page of the Bible If we can rediscover what it means to be a community the kind of community where all barriers are broken down and where our lives reflect the original vision of the gospel then we play a much more effective part in ushering in God's Kingdom Jesus, Criteria, and the Demise of Authenticity Chris Keith, Anthony Le Donne, 2012-08-30 This volume discusses the new approaches regarding the criteria of authenticity and their relevance in the quest for the historical Jesus studies **Holy Subversion (Foreword by Ed Stetzer)** Trevin Wax, 2010-01-08 Christians are too often guilty of pledging their allegiance to the influential principalities and powers of this age rather than to Christ alone In Holy Subversion Trevin Wax challenges such behavior by urging a return to the subversive lifestyle of the earliest Christians Their proclamation and demonstration that Jesus is Lord directly opposed the Caesar worship of their day Today Christians in the West must choose between Jesus and our Caesars self success money leisure sex power What would it look like asks Wax if today's church reclaimed the communal subversive nature of the gospel intentionally undermining all contenders for our devotion How would the message that Jesus is Lord change our thinking about our jobs our families and our church participation Here this gifted pastor theologian offers help in taking our faith public dethroning modern day Caesars honoring the Lordship of Christ and understanding the church as the ultimate counterculture an embodiment of Christ's supremacy over all **Memories of Jesus** Robert B. Stewart, Gary R.

Habermas,2010 A gathering of scholarly essays in response and tribute to James D G Dunn s influential book Jesus Remembered followed by a response from Dunn himself **Images of Salvation in the New Testament** Brenda B. Colijn,2010-10-05 The New Testament does not develop a systematic doctrine of salvation writes Brenda Colijn Instead it presents us with a variety of pictures taken from different perspectives Students of the New Testament and of theology will both find their vision broadened and their understanding deepened by this rich informative study As the author seeks to understand their implications for people of faith she uncovers how New Testament images provide the building blocks of the master story of redemption Can You Hear My Pain Now? Michael G. Maness,Kevaughn Mattis,2022-05-05 Pastoral care and its theology get a gentle boost from some of the best in the business of caring for the soul When a person hurts they often look to God Several pathfinders give new light from their specialties each one speaking powerfully uniquely and artfully from decades of experience Dr Amos Yong s article on disability forwards the amazingly helpful term temporarily able bodied Greek Orthodox Dr Vasileios Thermos and Roman Catholic Dr Robert Fastiggi enlighten next to the powerful testaments of Professor Godfrey Harold on South Africa and Dr Samuel Yonas Deressa on Ethiopia Each weathered author contributes universal insights into the grace of our great God and challenges pastors throughout the Christian world to kindly consider the heart of the afflicted These finely hewn stones can be used by anyone in the ministry to sharpen their serve Mattis and Maness offer this third collection from Testamentum Imperium with a prayer that these will open new avenues of sensitivity to the hearts and souls of those in travail and aid those who are called by God to serve those in pain **40 Days Living the Jesus Creed** Scot McKnight,2008 McKnight inspires readers to try to daily fulfill the Jesus Creed to love God with every ounce of being The 40 readings reflect the essence of Christian love *Following Jesus* Phillip C. Thraill,2022-10-17 Two questions are braided together in Luke s Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke s Gospel is dense with story after story about Jesus s stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus s original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me Introduction to Spirituality (Foundations for Spirit-Filled Christianity) Gary Tyra,2023-06-20 This introduction explores Christian spirituality as a pursuit of the global church today It encourages students to adopt a lifestyle spirituality which involves relational intimacy with the triune God Gary Tyra is well known for his work in the field of

Christian spirituality and has years of experience in the classroom and in the church In this book Tyra encourages us to adopt a Pauline lifestyle spirituality whereby we keep in step with the Holy Spirit so that we might experience an ongoing mentoring relationship with the Son in order to faithfully and fruitfully engage in the mission of the Father Keeping in step with the spirit unfolds in a lifestyle spirituality a collection of convictions commitments and customs that constitute the disciple s lifelong journey with the triune God This book is part of a new series that reflects the changing face of global Christianity Series volumes are written by leading Pentecostal Charismatic scholars who highlight themes of interest to Pentecostal Charismatic students however the books are respectful appreciative and inclusive of a variety of church families and traditions Series editors are Jerry Ireland Paul W Lewis and Frank D Macchia      **Messy** A. J. Swoboda,2012-04-13 Christianity is messy Unanswered prayers Painful choices Unresolved regrets We re called to have faith and yet we doubt We try to be perfect but we fall short This is the chaos It s all around us There s no limit to it And there s no quick fix for it Both annoyingly honest and refreshingly humorous Messy reassures Christians that God can reveal Himself in their clutter Author and pastor A J Swoboda offers biblical insight and vivid personal stories to redefine faith from something that must be perfect to something that is imperfect but can still give beauty meaning and purpose to a messy life As entertaining as it is challenging this book teaches Christians what it means to trust in each other in grace in hope and in a Savior who defied the rules of death Here s to finding joy in your chaos      Scattering Ashes Joyce Smith Helyer,2016-06-08 Scattering Ashes is a resource for Christian families confronting the reality of their loved one s gay lifestyle Joyce Smith Helyer takes the reader on a journey that changed her life when her brother began their midnight Christmas Eve conversation with these words Joyce I have something to tell you As I waited expectantly for what he was going to say next he paused but then shifted the conversation He tried again but the same thing happened I felt like he was trying to land an airplane in trouble and kept circling the airport looking for the best approach His attempted landings kept falling short of the runway A vague sense of uneasiness began to fill my mind Little did I realize that my nice typical Christian experience would be undergoing a significant change Fear I could barely articulate almost overwhelmed me Finally I looked at my handsome 26 year old brother and knew the words he was having so much difficulty saying Ron are you trying to tell me you re gay His quiet response echoed across the living room I thought you had it figured out      Leadership Formation in the African Context Samuel Deressa,2022-03-25 The teachings of Christian leadership have been dominated by a focus on the influence of a leader on its followers Samuel Deressa s new book Leadership Formation in the African Context highlights how an African concept of community and holistic approach to ministry provides a biblically sound approach to understanding leadership formation and practice in this new age This book links the issue of missional leadership with the life of the congregation It provides theological and practical insights into how we can understand leadership formation in contexts where churches are engaged in the Missio Dei as a community of believers      **Evangelical Theology** Michael F. Bird,2013-10-29 Evangelical

Theology is a systematic theology written from the perspective of a biblical scholar Michael F Bird contends that the center unity and boundary of the evangelical faith is the evangel gospel as opposed to things like justification by faith or inerrancy The evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood Using the gospel as a theological leitmotif an approach to Christian doctrine that begins with the gospel and sees each loci through the lens of the gospel this text presents an authentically evangelical theology as opposed to an ordinary systematic theology written by an evangelical theologian According to the author theology is the drama of gospelizing performing and living out the gospel in the theatre of Christian life The text features tables sidebars and questions for discussion The end of every part includes a What to Take Home section that gives students a run down on what they need to know And since reading theology can often be dry and cerebral the author applies his unique sense of humor in occasional Comic Belief sections so that students may enjoy their learning experience through some theological humor added for good measure

*Story, Signs, and Sacred Rhythms* Chris Folmsbee, 2010-08-10 Today's teens are even more passionate about changing the world than the generation before them They are learning just how closely their lives tie in to God's sweeping story of redemption And as they see how their journeys of faith are connected to an ongoing story they are asking how to go deeper into that story So how can we help align their passion with God's mission so that their lives and the world can be changed *Story Signs and Sacred Rhythms* presents a new model for youth ministry that is relevant to the missional church and the changing culture After challenging youth pastors around the world to consider *A New Kind of Youth Ministry* Chris Folmsbee now brings a practical approach to youth ministry that will offer a clear and compelling vision of a narrative missional youth ministry present a theologically rich and accurate summary of God's story and mission equip you with an approach to youth ministry that enables you to create sustain and refine environments for Christian transformation unpack a ministry design that is customizable measurable and evaluative allowing you to refine and change course as needed empower you to transform an emerging generation resulting in teens joining God in his mission to restore the world By exploring a narrative approach that is about God's story looking at the signs of God which are God's images and metaphors to guide our lives and discovering the saintly cadences that provide the connection between God and mission you'll find concepts and ideologies of an entirely new way of thinking about and doing youth ministry

**The Holy Spirit in Mission** Gary Tyra, 2011-10-19 The church has been

called to participate in God's mission in the world. But without a robust biblical sense of the Spirit's action, how can we be sure we're fulfilling that call? In this innovative work of missional pneumatology, Gary Tyra synthesizes charismatic and evangelical perspectives to flesh out the nature and purpose of the church's preaching, proclamation, and service.
