Embracing Your Power Woman Coming Of Age:

Lasting Female Educational Leadership Laura Hills,2012-08-14 Our colleges and universities are being led in large part by baby boomers who are now in later midlife Huge numbers of those middle aged leaders will retire within the next 10 years While we know that being in later midlife and impending retirement must influence a person in a leadership position at an institution of higher learning we don t really understand how This book is based upon an empirical study that linked higher education leadership to one aspect of midlife known as generativity This psychosocial phenomenon was described by Erik Erikson as a desire that peaks in midlife to leave something for future generations before one dies Generativity typically manifests itself in the legacy one intends to leave The author of this book has completed a multiple case study of women who are in later midlife and who hold high level leadership positions at an institution of higher learning In this work she shares more than has ever been known about the nature antecedents and support of generativity in the leadership of female higher education leaders in midlife

Lilith: The Power of the Woman's Spirit in the Age of Aquarius Ed Russo,2014-08-06 Embrace the darkness for there you will find the light

We all have been told in this patriarchal system that to look for salvation is to look upward and outward to a god or gods to worship. We are not here to worship but to look inside ourselves and embrace who we are and grow to our full potential. Inanna is the archetypal Goddess of love and war. Her descent into the Underworld is a reflection of our journey of going inward to face our true nature. When we fight this, we then are at war with nature. Lilith is Inanna's handmaiden, as we ourselves can also become partners with Inanna. Realizing who we are, we then embrace the balance with the female archetype with the male archetype, which will bring us wholeness as women become stronger and men and women come to love themselves. This new perspective is what is taken place as we enter into the Age of Aquarius. **The Complete Idiot's**

Guide to Menopause Deb Baker, Maureen Pelletier, M.D; C.C.N; F.A.C.O.G., 2000-10-12. This guide for women in their late thirties to late fifties is meant to demystify the menopause condition, symptoms, remedies, side effects, and emotional impact. The information about remedies includes both traditional and alternative treatments. The author stresses the benefits of good nutrition and fitness. Dare to Wear Your Soul on the Outside Gloria J. Burgess, 2008-11-03. In this inspirational book,

Gloria Burgess uses the touching story of her father's relationship with William Faulkner as a starting point to explore a classic topic: how to bring forth the character qualities of love, wisdom, trust, faith, gratitude, creative action, vision, and integrity. Burgess declares the sacred promises of legacy living as part of a transformational process that helps us connect to our past by honoring those who came before us, living with intention in the present, and freeing our talents so we can realize our potential. Dare to Wear Your Soul on the Outside also includes practical exercises for fostering greater authenticity and purpose in our lives. Girl Power Marisa Meltzer, 2024-05-01. In the early nineties, riot grrrl exploded onto the underground music scene, inspiring girls to pick up an instrument, create fanzines, and become politically active. Rejecting both traditional gender roles and their parents' brand of feminism, riot grrrls celebrated and deconstructed femininity. The media went into a titillated frenzy, covering followers who wrote slut on their bodies, wore frilly dresses with combat boots, and talked openly about sexual politics. The movement's message of revolution, girl style, now soon filtered into the mainstream as girl power.

popularized by the Spice Girls and transformed into merchandising gold as shrunken T-shirts, lip glosses, and posable dolls. Though many criticized girl power as at best frivolous and at worst soulless and hypersexualized, Marisa Meltzer argues that it paved the way for today's generation of confident girls who are playing instruments and joining bands in record numbers. Girl Power examines the role of women in rock since the riot grrrl revolution, weaving Meltzer's personal anecdotes with interviews with key players such as Tobi Vail from Bikini Kill and Amy Ray of the Indigo Girls. Chronicling the legacy of artists such as Bratmobile, Sleater Kinney, Alanis Morissette, Britney Spears, and yes, the Spice Girls, Girl Power points the way for the future of women in rock. **Academic Well-Being of Racialized Students** Benita Bunjun, 2021-04-30T00:00:00Z. Canadian universities have an ongoing history of colonialism and racism in this white settler society. Racialized students, Indigenous, Black, and students of colour who would once have been forbidden from academic spaces and who still feel out of place, must

navigate these repressive structures in their educational journeys Through the genres of essay art poetry and photography this book examines the experiences of and effects on racialized students in the Canadian academy while exposing academia's lack of capacity to promote students' academic well-being The book emphasizes the crucial connections that racialized students forge which transform an otherwise hostile environment into a space of intellectual collaboration community building and transnational kinship relations Meticulously curated by Dr Benita Bunjun this book is a living example of mentorship reciprocity and resilience

Love Your Lady Landscape Lisa Lister, 2016-07-05 A powerful and timely book teaching women how to connect to the wisdom of their bodies to heal, rebalance and transform their lives There was a time roughly 5000 years ago when SHE Power reigned and lady landscapes were revered A time when the space between a woman's thighs was considered a power portal with a direct hookup to Source Love Your Lady Landscape is a healing journey through the terrain of what it is to be a woman When a woman isn't in alignment with her feminine essence she may experience exhaustion and overwhelm lack sexual desire or passion for life and generally feel out of sync In this book Lisa Lister uses a myriad of tools and practices such as Earth based spirituality shamanic teachings movement and dance and breath and sound work to teach women how to reconnect to their feminine wisdom in order to start rebalancing all aspects of their lives Based on Lisa's own 11 year journey of healing and reconnecting with her body this book will help you release guilt and shame from the past explore self-pleasure and sensuality understand, read and connect with your body's signs and signals learn about your menstrual cycle and its connection with the rhythms of nature and the universe discover the sacred art of receiving express your creativity find your voice to communicate your needs wants and desires Love Your Lady Landscape will move women into a fiercely loving and healing relationship with their body and will teach them how to use its cycles and signs to create a life of vitality fulfillment and creation

The New Senior Woman Barbara M. Fleisher, Thelma Reese, 2013-10-15 As people live longer and better lives both women and men may look forward to many years in retirement But living well in retirement depends on a variety of decisions people make as they prepare for and enter this new chapter of life and living This book is for and about women approaching and experiencing life in their senior years This largest and fastest growing part of the population is living in a manner very different from our mothers whose roles in life were much more predictable and circumscribed than ours Today's senior women live longer are healthier better educated more involved in the world and more active than the women who preceded us Figuring out these uncharted years without role models or guideposts can be challenging but here the authors gather the stories of today's senior women who have jumped hurdles answered questions and made decisions they never saw their mothers make Through these stories readers will find fellowship and guidance wisdom and acknowledgment of the challenges and triumphs that lie ahead Culled from women in their sixties and beyond and from a variety of backgrounds and current living situations the stories reveal the realities of life for retirement age women and demonstrate the dreams joys concerns and fears that come along with this phase of life They

address questions about living arrangements adult children loss of a spouse or partner relationships and friendships part time work social connections health concerns and more Facing these new situations with class dignity sass and smarts these women reveal the various ways today's senior women can live and love her retirement years **Dreamers of a New Day** Sheila Rowbotham, 2011-07-01 From the 1880s to the 1920s a profound social awakening among women extended the possibilities of change far beyond the struggle for the vote Amid the growth of globalized trade mass production immigration and urban slums American and British women broke with custom and prejudice Taking off corsets forming free unions living communally buying ethically joining trade unions doing social work in settlements these dreamers of a new day challenged ideas about sexuality mothering housework the economy and citizenship Drawing on a wealth of research Sheila Rowbotham has written a groundbreaking new history that shows how women created much of the fabric of modern life These innovative dreamers raised questions that remain at the forefront of our twenty first century lives **A Woman's Journey to Freedom** Sandra Simpson Lesourd, 1998-03 **There She Goes Again** Aviva Dove-Viebahn, 2023-12-15 There She Goes Again interrogates the representation of ostensibly powerful women in transmedia franchises examining how presumed feminine traits love empathy altruism diplomacy are alternately lauded and repudiated as possibilities for effecting long lasting social change By asking under what terms women protagonists are imagined envisioned embodied and replicated in media this book challenges how we should define and whether we need feminine forms of knowledge and power **The Power of Positive Choices** Gail McMeekin, 2001-06-21 Gail has the ability to show us how to move our lives forward with power dignity and grace She is truly the Goddess of Creativity Loretta LaRoche bestselling author of Juicy Living Juicy Aging The world is on overload at least from our modern day Western perspective Gail McMeekin believes that we can effectively reduce stress in our lives and bring more meaning into them and she has developed a program to help people to do just that by showing them the power of making positive choices Readers are taught to see their Serenity Stealers issues habits people that need to be subtracted from their lives With those negative life choices gone choices that deplete their energy and sidetrack them from their goals readers are shown how to make positive life choices Carefully selected and added one at a time these life choices will bring them closer to the joy and meaningfulness they need and desire The Power of Positive Choices is short and brief by design Filled with probing questions and helpful self tests it is a brilliant distillation of the steps we each need to take to make the power of choice work a clear vibrant go go juice of a book Jennifer Loudon author of Why Bother Discover the Desire for What's Next By showing us how to confront and banish what's holding us back and how to consciously choose what's best in the long run this book reminds us that we have choices that affect the quality of our lives and helps us create a life in which joy plays a leading role Patti Breitman author of How to Say No Without Feeling Guilty [The Female Artist in Academia](#) Anastasia Kamanos, 2019-11-07 This book delves into the conflicts contradictions and paradoxes inherent in the lives of women who as artists and academics seek to connect their personal and professional lives

in their work It explores how creativity and the pursuit of self knowledge relate to their lives and arises from the author s own experience as a woman writer and academic Inquiries into creativity and feminist critical and cultural theory provide the framework for examining how the identity of the female artist is shaped within the patriarchal institution of academia These inquiries allow a deeper understanding of the impact of this institution on the life and work of the female artist both within and beyond academia As an auto ethnographic study Kamanos distinctive voice is developed through narratives journals letters and a development of personal metaphors as well as with a dialogue with others As performative text the narratives map a process of transformation that traces the artist s path from silence to voice This book has important implications for women in higher education as self study is revealed to be an essential methodological instrument for the articulation of alternative authentic perspectives of marginalized and under represented women Moreover the acknowledgement of the academic artist paradigm in teacher education opens the path for a re viewing of the metaphors of self denial impersonation and masks that are part of the landscape of teacher knowledge

Woman in Sacred Song Eva Munson Smith,1888 Star Power Aaron Barlow,2014-08-11 Stars do have real power but not all of them wield it wisely This work explores how a variety of celebrities developed their brands and how celebrity can become a jumping off point to entirely unrelated activities Over the past century a new breed of entertainer has arisen one where the old division between on camera talent and the suits behind the scenes has largely eroded From Mabel Normand and Charlie Chaplin to Lady Gaga and Quentin Tarantino entertainers have attempted to cross specialties and platforms to new arenas from politics to philanthropy and more An ideal resource for general readers as well as students of American popular culture and media at the undergraduate through scholar level Star Power The Impact of Branded Celebrity details the new ways entertainers are working in expanded environments to broaden their brands while also providing the history behind this recent trend The two volume set comprises four main sections one that provides historical background a second on entertainers moving beyond stardom a third focused on commerce and education and a final section on cultural missions The work documents how earlier entertainers set the stage for today s stars by exploiting their celebrity to take greater artistic control of their projects and provides articles that depict each artist from a number of perspectives Readers will understand what motivates the most important contemporary entertainers working today and better grasp the business of entertainment as a whole how Hollywood works and who is really in control
