Our fabulous mother daughter design duo has created 30 original cards for all occasions including holidays, birthdays, births, graduations, anniversaries, get well, thank you, congratulations, and general note cards. A detailed basics section includes general embroidery information plus an overview of all the techniques and tools necessary for embroidering on paper. Embroidery stitches are taught with watercolor how-to illustrations, step-by-step instructions, and close-up photos. Full-size patterns for all projects are provided for easy transfer. Also included is a website link to download the patterns so you can print them directly on your special paper. Embroidering on paper and card stock is a relatively new idea, and this book hits the market as the cross-over craft gains momentum. Fresh original card designs have wide appeal. Only book available dedicated to cards that feature hand embroidery. Link to site for downloading patterns.

Embroidered Greetings Cards Dorothy Wood, 2004 Dorothy Wood shows how easy it is to make a variety of charming and stylish greetings cards using simple embroidery techniques. The stitches are easy enough for beginners to learn; the designs are appealing, and the cards are a beautiful way to send special messages to family and friends. Designs are created on paper, felt, and fabric and embellished with metallic threads, ribbons, beads, and sequins. Motifs include hearts, birds, flowers, trees, and more. The six pretty and stylish projects include templates, clear step-by-step photographs, and helpful information on how to create professional-looking cards and how to embellish them. Novice embroiderers and experienced crafters will be inspired by Dorothy's innovative approach to cardmaking.
