Ralph McInerny,2003-11-11 Set against the backdrop of an exciting Notre Dame basketball season Irish Coffee will delight fans of both Notre Dame lore and of Ralph McInerny s impeccably plotted mysteries When Fred Neville of the Notre Dame athletic department winds up dead under mysterious circumstances amateur sleuth and academic Roger Knight and his brother Phil a P I investigate the apparent murder The trouble no suspects No suspects that is until the day of Fred s funeral when several likely candidates suddenly appear at the poor man s wake First Mary Schuster daughter of a faculty widow

shows up at the event dressed all in black with the startling announcement that she and the deceased were secretly in love Then the controversy doubles when another woman arrives with a huge diamond ring on her finger claiming to have been Fred s intended Could it be that unassuming Fred Neville was actually involved with two women in secret and at the same time Roger thinks not and finds a notable piece of evidence to back up his hunch when a secret stash of Fred s poetry turns up clearly written with a single woman in mind Unfortunately the object of Fred s intense love remains unnamed in his verse Suddenly both women are suspects in a vicious crime But it s up to Roger to plug into the campus gossip grid and with a little help from Phil not to mention his vast knowledge of just about everything that happens on campus determine the exact chain of events that led to murder

Shopping for Identity Marilyn Halter,2000 In America today you can connect to your ethnic heritage in dozens of ways or adopt an identity just for an evening Our society is not a melting pot but a salad bar a bazaar in which the purveyors of goods and services spend close to 2 billion a year marketing the foods clothing objects vacations and events that help people express their and others ethnic identities This is a huge business whose target groups are the hyphenated Americans in other words all of us As immigrant groups gain economic security they tend to reinforce not relinquish their ethnic identification Marilyn Halter demonstrates that to a great extent they do it by shopping And their purchasing power is enormous How has the marketplace responded to this hunger Instantly and wholeheartedly tweaking old products and inventing new ones launching new brands in supermarkets new music groups vacation itineraries language courses toys greeting cards et cetera This nexus of business and ethnicity is already seen as the hottest consumer development of this decade and Halter is uniquely qualified to describe its origins the exponential growth of products and advertising and the phenomenal sales of items from salsa to Chieftains CDs She addresses her subject with an abundance of anecdotal evidence telling examples of ethnic marketing and interviews with entrepreneurs many of them immigrants who are vigorously seizing the opportunities offered by the business of ethnicity *Shopping for Identity* is provocative intriguing and farseeing illuminating an important aspect of our contemporary way of life while validating the yearning we all feel for connection to our roots From the Hardcover edition

The Letter Killeth Ralph McInerny,2025-06-25 Once the college football season draws to a close for the Fighting Irish there is little reason to ride out the winter in South Bend Indiana Those who can leave do but P I Philip Knight stays on at Notre Dame when the university asks him to discreetly investigate a rash of threatening letters that have been sent to a number of administrators including the new football coach who resurrected the team in a single year While conspiracy theories are as prevalent as the cold Philip and his brother Roger think the letters are probably a prank or possibly a student paper s attempt at yellow journalism but nothing more Then a controversial professor s car is set on fire a man is found dead on campus and the Knight brothers find themselves hot on the trail of a killer in Ralph McInerny s tenth mystery set at Notre Dame

Adam know when Eve was mad at him The answer to these and many other questions that you may have never considered lie within Yes Doctor We Have Sixteen Dogs is off center off kilter often resulting in a naked Scotsman and hot off a full court press It s filled with jollity frivolity jokes the most pungent of puns and the pith and prattle of Northeast Wisconsin There are knock knock jokes obscure observations obfuscation and perorations It s bawdy but not X rated a bit crass perhaps but never cruel There are poems and more than a few groans but this is after the heart of corn country There are definitions of things you may have thought were already well defined Silly you So come inside and view the world from a mind that was shaped by living with and loving sixteen dogs **Pearson's Magazine** ,1911 Vol 49 no 9 Sept 1922 accompanied by a separately paged section entitled ERA electronic reactions of Abrams *Lead with a Story* Paul Smith,2012-08-31 LEADERSHIP STARTS WITH STORYTELLING With clarity around your message you will energize those you lead and create a vision they can buy into But first you must first write the story that will get them excited and ready to execute Clarity is key for any successful leader so much so that top corporations such as Micorsoft Nike Proctor and Gamble Kimberly Clark and many more have incorporated storytelling into their leadership training programs These companies know that before you can become a strong leader you must first master the art of storytelling so you can communicate your vision to your team and inspire them to execute on objectives The power of storytelling will allow you to Envision Success lead change by identifying goals in your story and building team commitment Create an Environment for Winning create a team culture and identify values that encourage collaboration and value diversity Energize Your Team use your story to help others find passion for their work by building courage inspiration and motivation Inspire and Educate teach your employees key lessons and provide coaching and actionable feedback Empower Others use storytelling to delegate authority and encourage targeted innovation that supports your vision If you want to be a leader others want to follow you must master storytelling and use that skill to communicate a vision that your team can support *Last Things* Ralph McInerny,2003-01-04 Father Dowling is used to unsolicited knocks on the rectory door having done more than his share of counseling and assisting in delicate situations during his long career So when Eleanor Wygant comes to visit Father Dowling he receives her graciously though she is a stranger As it turns out members of her family are longtime parishioners of St Hillary s and it soon becomes clear that with family trouble brewing Eleanor doesn t know where else to turn When she enlists Father Dowling s help in persuading her niece Jessica to scrap the tell all family novel she is writing and concentrate on more earthly pursuits the venerable priest has little idea how enmeshed he is about to become in the family s edgy interrelations For in recent years the family has had its share of melodrama including a philandering patriarch a son who left the priesthood to take up with an ex nun and an underachieving academic and it s up to Dowling to piece together their shared history in the hopes of putting their demons and a vicious previously unknown murder to rest In the hands of Ralph McInerny one of mystery fiction s most beloved authors Last Things is as delightful as his legions of fans have come to expect from the charming Father Dowling series
