Emerald Tablet Of Hermes The:

Emerald Tablet of Hermes Hermes, The Tablet probably first appeared in the West in editions of the psuedo Aristotlean *Secretum Secretorum* which was actually a translation of the *Kitab Sirr al Asar* a book of advice to kings which was translated into latin by Johannes Hispalensis c 1140 and by Philip of Tripoli c 1243 Other translations of the Tablet may have been made during the same period by Plato of Tivoli and Hugh of Santalla perhaps from different sources The date of the *Kitab Sirr al Asar* is uncertain though c 800 has been suggested and it is not clear when the tablet became part of this work Holmyard was the first to find another early arabic version Ruska found a 12th centruy recension claiming to have been dictated by Sergius of Nablus in the *Kitab Ustqus al Uss al Thani* Second Book of the Elements of Foundation attributed to Jabir Shortly after Ruska found another version appended to the *Kitab Sirr al Khaliqa wa San at al Tabi* a Book of the Secret of Creation and the Art of Nature which is also known as the *Kitab Balaniyus al Hakim fi l Ilal* book of Balinas the wise on the Causes It has been proposed that this book was written may have been written as early as 650 and was definitely finished by the Caliphate of al Ma mun 813 33 Scholars have seen similarities between this book and the Syriac Book of Treasures written by Job of Odessa 9th century and more interestingly the Greek writings of the bishop Nemesius of Emesa in Syria from the mid fourth century However though this suggests a possible Syriac source non of these writings contain the tablet Balinas is usually identified with Apollonius of Tyna but there is little evidence to connect him with the *Kitab Balabiyus* and even if there was the story implies that Balinas found the tablet rather than wrote it and the recent discoveries of the dead sea scrolls and the nag hamamdi texts suggest that hiding texts in caves is not impossible even if we did not have the pyramids before us Ruska has suggested an origin further east and Needham has proposed an origin in China Holmyard Davis and Anon all consider that this Tablet may be one of the earliest of all alchemical works we have that survives It should be remarked that apparantly the Greeks and Egyptians used the term translated as emerald for emeralds green granites and perhaps green jasper In medieval times the emerald table of the Gothic kings of Spain and the *Sacro catino* a dish said to have belonged to the Queen of Sheba to have been used at the last supper and to be made of emerald were made of green glass Steele and Singer 488

The Emerald Tablets of

Thoth-The-Atlantean, 2002 The Spiritual Occult and Historical significance of the Emerald Tablets is almost beyond belief of modern man. Written around 36 000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author Thoth, a Master Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language, and Dr. Doreal, by use of his expertise as an Occultist and Master of time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret but now in this New Age revealed to all Seekers on the Path of Light. Dr. M. Doreal, M.S.D., Psy.D., is the Spiritual Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College, The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind, who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school accredited through the State of Colorado and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully the step-by-step progression all Seekers have searched for in their quest for Oneness with God and for attainment of Cosmic Consciousness. Read, believe or not, but read, and the vibration found therein will awaken a response in your soul. Doreal.

The layers of meaning in the Emerald Tablet have been associated with the creation of the philosopher's stone as well as with other esoteric ideas. *The Emerald Tablets of Thoth the Atlantean* Bart Marshall, 2020-03-05. Most ancient spiritual texts are of unknown or uncertain origin, but few are as deeply shrouded in myth, legend, and mystery as The Emerald Tablets of Thoth the Atlantean and the closely associated and more well-known Emerald Tablet attributed to Hermes Trismegistus. In this book, Bart Marshall, a renowned translator of many eastern and Christian texts, presents these valuable teachings in a poetic, intensely readable form. Scholars speak of the Emerald Tablet as one of the most mysterious documents ever put before the eyes of man and describe it as everything from a succinct summary of Neoplatonic philosophy to an extraterrestrial artifact to a gift from Atlantis. The Tablet is attributed to the legendary figure of Hermes Trismegistus, said to be an ancient philosopher, healer, and sage. References to Trismegistus can be found in Renaissance, Christian, Islamic, Roman, and Greek literature, and the Tablet appears and disappears across the ancient world before and after the birth of Christ. Spiritually, the Emerald Tablet and the Emerald Tablets of Thoth are closely related to alchemy and are said to reveal the secrets of creating the Philosopher's Stone. Alchemical traditions, whether European, Middle Eastern, or Asian, pursue the same prize: the creation of the Philosopher's Stone. Also known as the Pearl of Great Price, the Wish-Fulfilling Jewel, and the Heart of the Sun, it is the tool that turns base lead into gold. The ultimate insight to be discovered by the wise is that the alchemical process is an allegory of spiritual development, outlining inescapable psychological steps one must pass through to reach Self-Realization. It is the ultimate transmutation, turning the base lead of ego into the gold of enlightenment through a process of destruction and refinement. To the master alchemist, producing physical gold is not the objective; Transmuting and refining the soul is the true prize.

SECRETS OF ALCHEMY AND THE QABALAH THE SOURCE OF MYSTIC POWER THERE IS A MATRIX OF THE UNIVERSE LEARN HOW TO ADAPT TO IT Great mystics throughout the ages as well as prophets of the Old and New Testaments tell us that the universe comes from some unknown source and is winding its way towards some unknown end and that its true nature can only be described by means of symbols These symbols are thoughts set forth in pictorial forms which come from the creator of the Unknowable It mirrors both the light and darkness without which nothing could exist It reveals within man the physical moral and intellectual spheres of his activities in that of justice culture and work between man and the universe and between man and God between everything This work strives to explain the secret wisdom of the cosmos which includes understanding the meaning of moral and spiritual equilibrium which demands a balancing of all that exists in our lives as well as in the cosmos

THE ETERNAL LIGHT The Emerald Tablet of Hermes Trismegistus The Precepts of Hermes engraved upon the Emerald Tablet

- 1 Speak not fictitious things but that which is certain and true
- 2 What is below is like that which is above and what is above is like that which is below to accomplish the miracles of one thing
- 3 And as all things were produced by the one word of one Being so all things were produced from this one thing by adaptation
- 4 Its father is the sun its mother the moon the wind carried it in its belly its nurse is the earth
- 5 It is the father of perfection throughout the world
- 6 The power is vigorous if it be changed into earth
- 7 Separate the earth from the fire the subtle from the gross acting prudently and with judgment
- 8 Ascend with the greatest sagacity from the earth to heaven and then again descend to the earth and unite together the powers of things superior and things inferior Thus will you obtain the glory of the whole world and obscurity will fly far away from you
- 9 This has more fortitude than fortitude itself because it conquers every subtle thing and can penetrate every solid
- 10 Thus the world was formed
- 11 Hence proceed wonders which are here established
- 12 Therefore

The Emerald Tablet is purported to be a fourteen step instruction manual for the Alchemical process of turning ordinary metals like lead into something much more valuable like gold If you can decipher the meaning that is Over the centuries many have tried I believe the fourteen statements of the Emerald Tablet to be a symbolic guide to a far greater treasure Legend has it that this guide was written by Hermes Trismegistus an ancient Egyptian philosopher whose discoveries were said to have transformed him through knowledge of this world into a god among men so to speak The Egyptians thought so highly of him that they equated him with their god Thoth see front cover and the Greeks in similar fashion equated him with their god Mercury What is the goal of the Emerald Tablet as transmitted to us by Hermes through the fourteen cryptic statements To transform those of us who can decipher its meaning into a higher level of human consciousness To transform the reader through knowledge into what the Egyptians would have called a god among men This world is a holographic unity that repeats itself in an endless infinite continuum in every direction forever
