Emergence Of The Muse Major Canadian Poets From Crawford To Pratt

Edited by Butler Marian, Marian Butler

Emergence Of The Muse Major Canadian Poets From Crawford To Pratt:

The Emergence of the Muse Bryan N. S. Gooch, Maureen Niwa, 1993 **Home Ground and Foreign Territory** Janice Fiamengo, 2014-04-03 Home Ground and Foreign Territory is an original collection of essays on early Canadian literature in English. Aiming to be both provocative and scholarly, it encompasses a variety of sometimes opposing perspectives, subjects, and methods with the aim of reassessing the field, unearthing neglected texts, and proposing new approaches to canonical authors. Renowned experts in early Canadian literary studies, including D. M. R. Bentley, Mary Jane Edwards, and Carole Gerson, join emerging scholars in a collection distinguished by its clarity of argument and breadth of reference. Together, the essays offer bold and informative contributions to the study of this dynamic literature. Home Ground and Foreign Territory reaches out far beyond the scope of early Canadian literature. Its multi-disciplinary approach innovates literary studies and appeals to literature specialists and general readership alike.

Canada and the Idea of North Sherrill E. Grace, 2002-04-15 Canada and the Idea of North examines the ways in which Canadians have defined themselves as a northern people in their literature, art, music, drama, history, geography, politics, and popular culture. From the Franklin Mystery to the comic book superheroine Nelvana, Glenn Gould's documentaries, the paintings of Lawren Harris, and Molson beer ads, the idea of the north has been central to the Canadian imagination. Sherrill Grace argues that Canadians have always used ideas of Canada as North to promote a distinct national identity and national unity. In a penultimate chapter, *The North Writes Back*, Grace presents newly emerging northern voices and shows how they view the long tradition of representing the North by southern activists, artists, and scholars. With the recent creation of Nunavut, increasing concern about northern ecosystems, and social challenges, renewed attention to Canada's role as a circumpolar nation. Canada and the Idea of North shows that nordicity still plays an urgent and central role in Canada at the start of the twenty-first century.

A Reassessment of Early Twentieth Century Canadian Poetry in English R. Alexander Kizuk, 2000 This volume discusses more than a dozen poets who commanded large audiences in the first part of the 20th century and presents separate chapters on the public poetry and criticism of the period. In most cases, the book contains the most substantial treatments of the poets available to date.

ReCalling Early Canada Jennifer Blair, 2005-05 ReCalling Early Canada is the first substantial collection of essays to focus on the production of Canadian literary and cultural works prior to WWI. Reflecting an emerging critical interest in the literary past, the authors seek to retrieve the early repertoire available to Canadian readers: fiction and poetry, certainly, but family letters, photographs, journalism, and captivity narratives are also investigated. Filling a significant gap in Canadian criticism, the authors demonstrate that to recall the past is not only to shape it but also to reshape the present. This fresh interest in the cultural past, informed by new approaches to historical inquiry, has resulted in a unique and diverse investigation of more than two centuries of a little-known early Canada. Foreword by Carole Gerson.

Journal of Canadian Poetry, 1995 **Canadian Book Review Annual**, 1993 *Canadian Who's Who 2007* Elizabeth Lumley, 2007 Now in its ninety-seventh year of
