Eleven Comedies:

The Eleven Comedies Aristophanes, 2013-02-04 Eleven of his 40 plays survive virtually complete. These plays provide the only real examples of a genre of comic drama known as Old Comedy and they are in fact used to define the genre. Also known as the Father of Comedy and the Prince of Ancient Comedy, Aristophanes has been said to recreate the life of ancient Athens more convincingly than any other author. *The Eleven Comedies* Aristophanes, 1934 [The Eleven Comedies, Vol 2](#) Aristophanes, 2018-10-17 *The Eleven Comedies vol 2* By Aristophanes. A poor man Ah by Zeus you know not now what I am worth but you will know when you disembowel the old Heliast's money bag. 39 BDELYCLEON Come get back indoors both you and your ass PHILOCLEON Oh my brethren of the tribunal oh Cleon to the rescue BDELYCLEON Go and bawl in there under lock and key And you there pile plenty of stones against the door thrust the bolt home into the staple and to keep this beam in its place roll that great mortar against it Quick s the word [The Eleven Comedies](#) Aristophanes, 2003-11-01

The work incorporates elements of political satire, dream interpretation, and a close examination of human foibles. *The Eleven Comedies (Complete)* Aristophanes, This was the fourth play in order of time produced by Aristophanes on the Athenian stage; it was brought out at the Lenaean Festival in January 424 B.C. Of the author's previous efforts, two, *The Revellers* and *The Babylonians*, were apparently youthful essays and are both lost. The other, *The Acharnians*, forms the first of the three Comedies dealing directly with the War and its disastrous effects and urging the conclusion of Peace; for this reason it is better ranged along with its sequels, *the Peace* and *the Lysistrata*, and considered in conjunction with them. In many respects *The Knights* may be reckoned the great Comedian's masterpiece: the direct personal attack on the then all-powerful Cleon with its scathing satire and tremendous invective being one of the most vigorous and startling things in literature. Already in *The Acharnians* he had threatened to cut up Cleon the Tanner into shoe leather for the Knights, and he now proceeds to carry his menace into execution, concentrating the whole force of his wit in the most unscrupulous and merciless fashion against his personal enemy. In the first mentioned play Aristophanes had attacked and satirized the whole general policy of the democratic party, and incidentally Cleon, its leading spirit and mouthpiece; since the death of Pericles he had painted the miseries of war and invasion arising from this mistaken and mischievous line of action as he regarded it, and had dwelt on the urgent necessity of peace in the interests of an exhausted country and ruined agriculture. Now he turns upon Cleon personally and pays him back a hundredfold for the

attacks the demagogue had made in the Public Assembly on the daring critic and the abortive charge which the same unscrupulous enemy had brought against him in the Courts of having slandered the city in the presence of foreigners In this bitterness of spirit the play stands in strong contrast with the good humoured burlesque of *The Acharnians* and the Peace or indeed with any other of the author's productions which has reached us The characters are five only First and foremost comes Demos The People typifying the Athenian democracy a rich householder a self indulgent superstitious weak creature He has had several overseers or factors in succession to look after his estate and manage his slaves The present one is known as the Paphlagonian or sometimes as the Tanner an unprincipled lying cheating pilfering scoundrel fawning and obsequious to his master insolent towards his subordinates Two of these are Nicias and Demosthenes Here we have real names Nicias was High Admiral of the Athenian navy at the time and Demosthenes one of his Vice Admirals both held still more important commands later in connection with the Sicilian Expedition of 415 413 B C Fear of consequences apparently prevented the poet from doing the same in the case of Cleon who is of course intended under the names of the Paphlagonian and the Tanner Indeed so great was the terror inspired by the great man that no artist was found bold enough to risk his powerful vengeance by caricaturing his features and no actor dared to represent him on the stage Aristophanes is said to have played the part himself with his face in the absence of a mask smeared with wine lees roughly mimicking the purple and bloated visage of the demagogue The remaining character is the Sausage seller who is egged on by Nicias and Demosthenes to oust the Paphlagonian from Demos favour by outvying him in his own arts of impudent flattery noisy boasting and unscrupulous allurement After a fierce and stubbornly contested trial of wits and interchange of Billingsgate the Sausage seller beats his rival at his own weapons and gains his object he supplants the disgraced favourite who is driven out of the house with ignominy

The Eleven Comedies Aristophanes,1930 **The Eleven Comedies** Aristophanes,2013-09-13 The Eleven Comedies Aristophanes Volume 2 Greek Classics This Comedy which was produced by its Author the year after the performance of *The Clouds* may be taken as in some sort a companion picture to that piece Here the satire is directed against the passion of the Athenians for the excitement of the law courts as in the former its object was the new philosophy And as the younger generation the modern school of thought were there the subjects of the caricature so here the older citizens who took their seats in court as jurymen day by day to the neglect of their private affairs and the encouragement of a litigious disposition appear in their turn in the mirror which the satirist holds up There are only two characters of any importance to the action Philocleon friend of Cleon and his son Bdelycleon enemy of Cleon The plot is soon told Philocleon is a bigoted devotee of the malady of litigiousness so typical of his countrymen and an enthusiastic attendant at the Courts in his capacity of dicast or jurymen Bdelycleon endeavours to persuade his father by every means in his power to change this unsatisfactory manner of life for something nobler and more profitable but all in vain As a last resource he keeps his father a prisoner indoors so that he cannot attend the tribunals
