Savage, Dr William Presnell, 2008 We are in a real sense our stories Who we are what we think and how we act are all shaped by the many large and small stories that make up the discourse embedded in our multi sensory social experience It is this postmodern understanding of identity and reality that has prompted the authors to fashion a new way of thinking about doing research in faith communities today particularly through a Doctor of Ministry program It is our belief that in order for faith communities to define themselves and to know what to do in ministry they must first understand the multiple stories which intersect with a given ministry situation in their specific context **Brain-Based Worship** Paula Champion-Jones, 2014-10-07 A new understanding of learning based on the findings of neuroscience can propel the teaching ministry of the Church to new levels of effectiveness Neuroscience is offering fresh insight into how humans learn The resulting teaching paradigm brain based learning is plotting a fresh model for teaching that is proving to make teaching more memorable more applicable and more likely to result in changed thought and behavior It is also refusing to relegate learning to the brain as it re enlists the human body as an instrument of learning Entrusted with the teaching ministry of Jesus no one needs to employ brain based teaching methodology more than those who teach Christ crucified yet in the course of our prime teaching time the worship service we

often violate every guideline This book is written to educate and empower those who plan worship to understand and use brain based teaching strategies Paula Champion Jones is a triple threat She has been designing creative worship services for years she has an enormous heart to see Gods church succeed and now she has the neuroscience to back up how shes invested her own creative gifts You cannot go wrong by reading this book It will open your eyes give you new ideas make you rethink stuff that needs rethinking in short it will teach the most experienced pastors and the most jaded churchgoers to see worship planning in an inspiring new way I cant wait to assign it to students in my worship class Laura K Simmons Professor of Christian Ministries George Fox Seminary **What Matters Most** Leonard Sweet,2012-03-13 Advocates a relationship with Jesus Christ based on personal engagement which can have life changing consequences **Soulsalsa** Leonard Sweet,2009-09-13 Getting a Christian worldview is all the rage these days But how about a Christian worldlife Got one of those Leonard Sweet wants to show you the ins and outs of living an old fashioned faith in these newfangled times In his engaging symphonic thought bytes style Sweet invites you to Mezuzah your inverse Do dirt and do the dishes Cycle to church Give history a shove Cheer rivals from the bench Dance the salsa SoulSalsa unpacks biblical faith in ways that can change how you live in the real world You can be a man or woman who walks the ancient path of a disciple in the world of the future Because the NEW future is NOW and now is the time to practice the 17 Lifestyle Requirements for Membership in the Postmodern Body of Christ It s no longer enough to say Say Amen Somebody It s time to Dance the Salsa Everybody in a culture that desperately needs to see your moves **"A" is for Abductive** Leonard I. Sweet,Brian D. McLaren,Jerry Haselmayer,2003 A playful witty but substantive postmodern ministry for dummies type book that fills the huge and getting huger hunger for something in one volume that introduces basic concepts and vernacular of postmodern ministry

Extraordinary Results from Ordinary Teachers Michael D. Warden, 1998 [The Dawn Mistaken for Dusk](#) Leonard Sweet, 2009-05-18 In his first book conceived and acquired specifically to be delivered electronically Leonard Sweet contends that the church is blind to the changes that are dragging us into the future Therefore it is losing its influence as an agent of change and grace in the world There are now some companies who absolutely want to change the world more than the church writes Sweet He sees the church at a crossroads It will either see the future as a new dawn and therefore embrace it as opportunity Or it will see the future as dusk and therefore hide from the darkness of the world Sweet believes that God will be in the future with or without us and that an Acts 27 movement is afoot This book serves as a naturalization manual to help Christians achieve full citizenship in the new postmodern world It will teach them how to go from being immigrants to natives From foreigners in a strange land to people of God confident and at home in a rapidly changing world
