Eli and Sybil Jones Rufus M. Jones, 2015-07-09 Excerpt from *Eli and Sybil Jones Their Life and Work* In our busy and material lives we all need to be reminded at times that there have been and still are among us those who have deadened love

of self whose struggle on earth far from being to amass any kind of treasures is to bring before as many human beings as possible the great plan of salvation the means of elevation from degradation to lofty Christian individuality and the source of a power and a love which are making all things new in proportion as submission is given thereto We are not always conscious of the strength exerted around us by seemingly trivial forces but their work is no less important in the development of the globe than the violent upheavals which overawe us by their stupendous might So often quiet lives extend a wider permanent influence for the welfare of man than do those of men and women who receive the unstinted praise of their contemporaries About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
