Elijah, Yahweh, and Baal is a masterpiece presented with authority by a twentieth-century accomplished and unsurpassed exegete. It is now translated by a disciple whose elegant rendition sounds as if Hermann Gunkel had originally written himself the book in English. Andre LaCocque, The Chicago Theological Seminary, Chicago, IL. Written a century ago for a church audience eager to learn how the best scholarship of the day could illuminate one of the Bible's most absorbing stories, this little book shows Gunkel at the height of his powers of critical perspicuity, explanatory finesse, and reverent sensitivity, the ideal Bible study leader at once learned, captivating, and devout. Moreover, Gunkel encompasses his subject as few today could or would in such short scope, combining philological acumen, aesthetic appreciation, comparative perspective, and attention to communal folk tradition. His pioneer distinction and constants of human religiosity. The translation includes astute notes by the editor and a helpful list of more recent resources. Robert B. Coote, San Francisco Theological Seminary, San Francisco, CA. Hermann Gunkel, who died in 1932, is one of the greatest teachers and God-fathers of Old Testament study. He has taught us the most about the artistic, imaginative dimensions of the text. His interpretation of the Elijah narrative in this volume is a treasure that merits continuing attention. We may be grateful indeed to K. C. Hanson for bringing it to us in English and to Wipf and Stock for its publication. Gunkel continues to be our teacher and God-father in wise, shrewd reading of the text. Walter Brueggemann, Columbia Theological Seminary, Decatur, GA. **Old Testament Theology** Paul R. House, 1998-11-04. Paul R. House provides a comprehensive theology of the Old Testament, carefully exploring each Old Testament book thematically, summarizing its content, and showing its theological significance within the whole of the Old Testament canon.
