Elizabeth Dole:

Elizabeth Hanford Dole Molly M. Wertheimer, Nichola D. Gutgold, 2004-12-30 As a politician what you say and how you say it is almost as important as what you do Political careers are made based not only on substantive achievements but also on style presentation speeches and debates Dole is no exception After a career in government service spanning six presidents from Lyndon B Johnson to George H W Bush she became widely recognized as a leading Republican politician in her own right after her 1996 speech at the GOP convention In 1999 she spent six months campaigning for president before dropping out of the race due to a lack of adequate funds and in 2002 she was elected U S Senator from North Carolina In this biography of Dole the authors show how she has been able to advance the causes she cares about as well as her political career through her consummate skills as a public speaker Dole's career included service in two cabinets as Secretary of Transportation Reagan and Secretary of Labor Bush and she also served as president of the American Red Cross The authors quote liberally from her speeches and interviews to illustrate the events of her political career and to place her choices personal career and political in the context of the times and places in which she grew up and came of age Her trajectory from Southern belle debutante to Harvard Law School student and from political wife to presidential candidate and U S senator is fascinating and the deftness with which she has been able to deflect the criticisms thrown her way is instructive for women of both political parties and for politicians of both genders

The Style and Rhetoric of Elizabeth Dole Rachel B. Friedman, Ronald E. Lee, 2013-12-18 This book analyses the public discourse of Elizabeth Dole It explores the way in which this trail blazing public figure navigated the double binds that confront women who obtain and exercise political power The text argues that Dole crafted a conservative feminine persona in which she depicted herself as a selfless public servant This sense of servant was defined through Dole's appeal to the transcendent moral purposes of Christianity She used this image to great effect in her most noteworthy public addresses especially her 1996 Republican National Convention speech in support of her husband's presidential campaign In her 2008 unsuccessful North Carolina U S Senate reelection campaign Elizabeth Dole's political style unraveled in the face of a series of effective attacks by her opponent Kay Hagan and her own desperate rhetorical appeals to stave off defeat
