## **Elizabeth Manning Hawthorne A Life In Letters:**

*Elizabeth Manning Hawthorne* Elizabeth Manning Hawthorne, 2006 An annotated selection of unpublished letters by Nathaniel Hawthorne's sister Retrieved from seven different libraries this corpus of letters was preserved by the Manning family chiefly for their value as records of Nathaniel Hawthorne's life and work but they ironically also illuminate the life and mind of a fascinating correspondent and citizen of New England with incisive views and commentaries on her contemporaries her role as a woman writer Boston and Salem literary culture and family life in mid 19th century America This book illuminates Elizabeth's early life the trauma caused for sister and brother by the death of their father her and her brother's education and the tensions the two children experienced when they moved in with their mother's family the wealthier Mannings instead of the poorer though socially more venerable Hawthornes following their father's death The letters portray Elizabeth's constrained relationship with Nathaniel's wife Sofia Peabody and counter Sophia's portrayal of her sister in law as a recluse oddity and queer scribbler These 118 letters also reveal Elizabeth Hawthorne's tremendous gifts as a thinker correspondent and essayist her interest in astronomy a lifelong drive toward self edification in many fields and her extraordinary relationship with Nathaniel As a sibling and a fellow author they were sometimes lovingly codependent and sometimes competitive Finally her writing reveals the larger worlds of politics war the literary landscape class family life and the freedoms and constraints of a woman's role all by a heretofore understudied figure Elizabeth Manning Hawthorne Elizabeth Manning Hawthorne, Cecile Anne De Rocher, 2001

**Hawthorne's Habitations** Robert Milder, 2013-01-04 Hawthorne's Habitations draws on letters manuscripts and the author's little studied French and Italian notebooks to present a portrait of four fascinating locations in the middle of the nineteenth century and offer a convincing portrait of the way place informed Hawthorne's melancholy psychology and dark style Sophia Peabody Hawthorne Patricia Dunlavy Valenti, 2015-05-26 As is often the case with spouses of celebrities Sophia Peabody Hawthorne was overshadowed by her husband While Nathaniel Hawthorne is renowned for numerous publications including *The Scarlet Letter* that staple in high school English curricula Sophia's remarkable life and career did not receive the recognition they deserve She was however a source for many of Nathaniel's stories and responsible for much that he accomplished Sophia was an artist one of the first in America to earn income from her painting and decorative arts she was also a writer and traveler to foreign countries at a time when women typically confined their activities to the home Patricia Dunlavy Valenti began to tell this story in *Sophia Peabody Hawthorne A Life Volume 1 1809 1847* 2004 This biography concludes now in a second volume which details the less examined and more surprising second half of Sophia's life Valenti's thorough research culminates in a compelling revealing account of Sophia's travels to Britain and Europe and her intense personal relationships outside her marriage with men and women among them notable figures in American history and literature As an impoverished widow Sophia dealt resourcefully with the consequences of her husband's financial carelessness as a mother her liberal practices resulted in

unintended sometimes unfortunate consequences Throughout every vicissitude her relentless optimism prevailed With the publication of *Sophia Peabody Hawthorne A Life* Volume 2 1848 1871 Sophia emerges forever from the shadow cast by her husband Historians and general readers alike will be drawn to this riveting account of an interesting important woman and what her life reveals about American history and culture at a moment of national conflict emerging class divisions and evolving gender roles

*Hawthorne in His Own Time* Ronald A Bosco, Jillmarie Murphy, 2007-06 At his death Nathaniel Hawthorne 1804 1864 was universally acknowledged in America and England as the Great Romancer Novels such as *The Scarlet Letter* and *The House of the Seven Gables* and stories published in such collections as *Twice Told Tales* continue to capture the minds and imaginations of readers and critics to this day Harder to capture however were the character and personality of the man himself So few of the essays that appeared in the two years after his death offered new insights into his life art and reputation that Hawthorne seemed fated to premature obscurity or at least permanent misrepresentation This first collection of personal reminiscences by those who knew Hawthorne intimately or knew about him through reliable secondary sources rescues him from these confusions and provides the real human history behind the successful writer Remembrances from Elizabeth Peabody Sophia Hawthorne Oliver Wendell Holmes Ralph Waldo Emerson Bronson Alcott Rebecca Harding Davis and twenty others printed in *Hawthorne in His Own Time* follow him from his childhood in Salem through his years of initial literary obscurity his days in the Boston and Salem Custom Houses his service as U S Consul to Liverpool and Manchester and his life in the Anglo American communities at Rome and Florence to his late years as the Great Romancer In their enlightening introduction editors Ronald Bosco and Jillmarie Murphy assess the postmortem building of Hawthorne s reputation as well as his relationship to the prominent Transcendentalists spiritualists Swedenborgians and other personalities of his time By clarifying the sentimental associations between Hawthorne s writings and his actual personality and moving away from the critical review to the personal narrative these artful and perceptive reminiscences tell the private and public story of a remarkable life

**All the Devils Are Here** David Greven,2024-04-05 The English literary influence on classic American novelists depictions of gender sexuality and race With All the Devils Are Here the literary scholar David Greven makes a signal contribution to the growing list of studies dedicated to tracing threads of literary influence Herman Melville s Nathaniel Hawthorne s and James Fenimore Cooper s uses of Shakespeare and Milton he finds reflect not just an intertextual relationship between American Romanticism and the English tradition but also an ongoing engagement with gender and sexual politics Greven limns the effect of Shakespeare s Much Ado about Nothing on Hawthorne s exploration of patriarchy and he shows how misogyny in King Lear informed Melville s evocation of the step mother world of orphaned men in Moby Dick Throughout Greven focuses particularly on male authors treatment of femininity arguing that the figure of woman functions for them as a multivalent signifier for artistic expression Ultimately Greven demonstrates the ambitions of these writers to comment on the history of the Western tradition and the future of art from their unique positions as Americans

**Hawthorne** Brenda Wineapple, 2012-01-11 Handsome reserved almost frighteningly aloof until he was approached then playful cordial Nathaniel Hawthorne was as mercurial and double edged as his writing Deep as Dante Herman Melville said Hawthorne himself declared that he was not one of those supremely hospitable people who serve up their own hearts delicately fried with brain sauce as a tidbit for the public Yet those who knew him best often took the opposite position He always puts himself in his books said his sister in law Mary Mann he cannot help it His life like his work was extraordinary a play of light and shadow In this major new biography of Hawthorne the first in more than a decade Brenda Wineapple acclaimed biographer of Janet Flanner and Gertrude and Leo Stein Luminous Richard Howard brings him brilliantly alive an exquisite writer who shoveled dung in an attempt to found a new utopia at Brook Farm and then excoriated the community or his attraction to it in caustic

satire the confidant of Franklin Pierce fourteenth president of the United States and arguably one of its worst friend to Emerson and Thoreau and Melville who unlike them made fun of Abraham Lincoln and who also unlike them wrote compellingly of women deeply identifying with them he was the first major American writer to create erotic female characters Those vibrant independent women continue to haunt the imagination although Hawthorne often punishes humiliates or kills them as if exorcising that which enthralls Here is the man rooted in Salem Massachusetts of an old pre Revolutionary family reared partly in the wilds of western Maine then schooled along with Longfellow at Bowdoin College Here are his idyllic marriage to the youngest and prettiest of the Peabody sisters and his longtime friendships including with Margaret Fuller the notorious feminist writer and intellectual Here too is Hawthorne at the end of his days revered as a genius but considered as well to be an embarrassing puzzle by the Boston intelligentsia isolated by fiercely held political loyalties that placed him against the Civil War and the currents of his time Brenda Wineapple navigates the high tides and chill undercurrents of Hawthorne s fascinating life and work with clarity nuance and insight The novels and tales the incidental writings travel notes and children s books letters and diaries reverberate in this biography which both charts and protects the dark unknowable core that is quintessentially Hawthorne In him the quest of his generation for an authentically American voice bears disquieting fruit
