

- One of the best lyrical poets of the Elizabethan Age was Edmund Spenser. In 1579 he produced a poem in 12 books, called *The Shepherd's Calendar*.
- It is significant for experimenting in meter and form, and the subject matter is diverse, but mainly pastoral.
- Spenser's greatest work is another long poem, *The Faerie Queene*. Spenser invented a special meter for it, called the 'Spenserian Stanza', which has often been used since.
- His best works also include poems *Epithalamion*, *Prothalamion*, and a collection of sonnets, *Amoretti*.
