

EVEN THOUGH SHE COULD PLAY LOUIE'S guitar now, Elizabeth wanted to buy a guitar of her own. The idea was always hanging there in the back of her mind like a lost dog. Whenever Elizabeth wasn't at school or helping her mother or making up a song, she was going door to door, looking for work.

At one of the first places Elizabeth tried, a woman stepped out on the porch, put her hands on her hips, and said, "What can a little girl like you do?"

Elizabeth was ready. "I can sweep the kitchen," she fired back, "set the table, bring in wood, make a fire, watch your kids, scrub vegetables, make beds, dust the furniture, shake rugs . . ."

She said so many things all in one breath that the woman finally threw up her hands and surrendered. "Come on in," she laughed, "and we'll talk."

Wherever she worked, Elizabeth's favorite job was sweeping the porch. It gave her a chance to sing, keeping time to the music with the rhythmic swish of the broom: "Freight train—swish—freight train—swish—not so fast—swish-swish . . ."

Sometimes she got so carried away with her song that she'd end up sweeping the porch twice.

Elizabeth's odd jobs never made her much money. And when she was stacking wood in the hot sun or hauling a heavy basket of potatoes out of a garden or changing the diaper on a screaming baby, it almost didn't seem worth it. But month after month, those pennies added up.

div div *Miscellaneous Poems. Dedicated to Lord Colchester. By E. S. C. [i.e. Elizabeth S. Abbot, Lady Colchester.]* E. S. C., 1849 [The Bughouse](#) Daniel Swift, 2017-11-07 A captivating biography of Ezra Pound told via the stories of his visitors at Washington DC's St Elizabeths Hospital This story of Pound's politics and his prejudices takes on fresh significance Swift is an alert and eloquent guide I guarantee that The Bughouse will vex you into thinking more deeply about the relation between an artist's life and work and perhaps even about the old-fashioned question of moral responsibility NPR's Fresh Air In 1945 the great American poet Ezra Pound was deemed insane He was due to stand trial for treason for his fascist broadcasts in Italy during the war Instead he escaped a possible death sentence and was held at St Elizabeths Hospital for the insane for more than a decade While there his visitors included the stars of modern poetry T S Eliot Elizabeth Bishop John Berryman Robert Lowell Charles Olson and William Carlos Williams among others They would sit with Pound on the hospital grounds bring him news of the outside world and discuss everything from literary gossip to past escapades This was perhaps the world's most unorthodox literary salon convened by a fascist and held in a lunatic asylum Those who came often recorded what they saw Pound was at his most infamous most hated and most followed At St Elizabeths he was a genius and a madman a contrarian and a poet and impossible to ignore In The Bughouse Daniel Swift traces Pound and his legacy walking the halls of St Elizabeths and meeting modern-day neofascists in Rome Unlike a traditional biography The Bughouse sees Pound through the eyes of others at a critical moment both in Pound's own life and in twentieth-century art and politics It portrays a fascinating multifaceted artist and illuminates the many great poets who gravitated toward this most difficult of men A sensitive investigation into the enigmatic prodigious mind of poet Ezra Pound Daniel Swift draws on memoirs as well as interviews a close reading of Pound's writings and medical records to create a multidimensional portrait of a celebrated controversial literary figure Kirkus Reviews *The Restoration of the Jews: Early Modern Hermeneutics, Eschatology, and National Identity in the Works of Thomas Brightman* Andrew Crome, 2014-05-07 This book offers the first detailed examination of the life and works of biblical commentator Thomas Brightman 1562-1607 analysing his influential eschatological commentaries and their impact on both conservative and radical writers in early modern England It examines in detail the hermeneutic strategies used by Brightman and argues that his method centred on the dual axes of a Jewish restoration to Palestine and the construction of a strong English national identity This book suggests that Brightman's use of conservative modes of literal exegesis led him to new interpretations which had a major impact on early modern English eschatology A radically historicised mode of exegesis sought to provide interpretations of the

Old Testament that would have made sense to their original readers leading Brightman and those who followed him to argue for the physical restoration of the Jews to the Holy Land In doing so the standard Reformed identification of Old Testament Israel with elect Christians was denied This book traces the evolution of the controversial idea that Israel and the church both had separate unfulfilled scriptural promises in early modern England and shows how early modern exegetes sought to re construct a distinctly English Christian identity through reading their nation into prophecy In examining Brightman s hermeneutic strategies and their influence this book argues for important links between a literal hermeneutic ideas of Jewish restoration and national identity construction in early modern England Its central arguments will be of interest to all those researching the history of biblical interpretation the role of religion in constructing national identity and the background to the later development of Christian Zionism This important study provides a new examination of Thomas Brightman s hermeneutical method particularly his ideas on the restoration of the Jews The author s thorough analysis of Brightman s approach also has more general and wider implications for understanding the development of English apocalyptic interpretation into the later seventeenth century Dr Warren Johnston Associate Professor of History Algoma University

Andrew Crome s ground breaking study of Thomas Brightman offers a new and sometimes surprising account of the development of millennial thinking in and beyond early modern England This masterly account demonstrates the extent to which an emerging Zionism supported an emerging English nationalism while outlining the historical roots of some of the most important of contemporary geopolitical themes Professor Crawford Gribben Professor of Early Modern British History Queen s University Belfast This important study provides a new examination of Thomas Brightman s hermeneutical method particularly his ideas on the restoration of the Jews The author s thorough analysis of Brightman s approach also has more general and wider implications for understanding the development of English apocalyptic interpretation into the later seventeenth century Dr Warren Johnston Associate Professor of History Algoma University

Ancient Songs Joseph Ritson,1790 Song Carol Kimball,2006-12-01 Carol Kimball s comprehensive survey of art song literature has been the principal one volume American source on the topic Now back in print after an absence of several years this newly revised edition includes biographies and discussions of the work of **Braille Scores Catalog** ,1983 **Battlegrounds of Memory** Clay Lewis,1998 In Battlegrounds of Memory Clay Lewis crosses seven generations of his family to illuminate a heritage of romantic hope and abject defeat seeking freedom from the past by understanding it His story is a cry from the heart reaching into the depths of a family s collective soul and finding hope in the midst of despair Heritage was a heavy burden on Lewis s parents children of the South whose denial of their past bound them more tightly to it Their battles with each other and their son followed old patterns of intergenerational conflict The book opens with a harrowing scene in which the author as a teenager is urged by his mother to discipline his drunken father on Christmas Eve In the forty years since he assaulted his father that night Lewis has struggled to understand how his family was changed by the history they had

experienced the wilderness frontier the Civil War and the Great Depression How they were changed ultimately became his legacy In the Marines he found that his capacity for violence ran deep in his unhappy marriages he found himself repeating old mistakes Over the years he began to recognize that the terrible wounds on both sides of his family formed patterns of scapegoats and rebels of betrayal and grief and finally of yearning and hope In this knowledge he found freedom

Battlegrounds of Memory is a work of deep courage at times humorous and ironic at other times melancholy and lyrical it is told with an amazing sensitivity and passion It is a strong testament to the force of love *Ezra Pound J. J.*

Wilhelm,2010-11-01 This third and final volume of Wilhelm's life of Ezra Pound commences with Pound's departure from Paris at the height of his writing career for Italy where he hoped to find a quieter life and it takes him to his death in 1972 It tells how he settled in Rapallo and soon found Mussolini's fascism to be amenable to his own political and economic ideas especially during the dark days of the Great Depression As Italy girded itself for World War II Pound was almost haphazardly drawn into the web and he foolishly agreed to broadcast on Radio Rome for the Duce even after the bombing of Pearl Harbor When Italy fell to the Allies Pound was put first into a dreadful American detention camp at Pisa and then was flown to Washington to be tried for treason He escaped conviction on grounds of insanity but he was then remanded to St Elizabeths Hospital where he languished for twelve years Despite the incarcerations Pound produced during this time some of his most magnificent poetry including *The Pisan Cantos* and numerous excellent translations from the Chinese and Greek He also heavily influenced an entire generation of poets ranging from Robert Lowell to Allen Ginsberg With the help of Archibald MacLeish and Robert Frost Pound was eventually freed in 1958 He returned to Italy where he lived for a time with his wife and daughter During the final years of his life he eventually returned to live with his aged lover Olga Rudge in Venice and Rapallo He died in Venice in 1972 and is buried next to Igor Stravinsky whose work his own strongly resembles since they both fought for liberation from traditional forms
