Halperin, 2015-01-28 Cincinnati's East End river community has been home to generations of working class people This racially mixed community has roots that reach back as far as seven generations But the community is vulnerable Developers bulldoze raggedy but affordable housing to build upscale condos even as East Enders fight to preserve the community by participating in urban development planning controlled by powerful outsiders This book portrays how East Enders practice the preservation of community Drawing on more than six years of anthropological research and advocacy in the East End Rhoda Halperin argues for redefining community not merely as a place but as a set of culturally embedded and class marked practices that give priority to caring for children and the elderly procuring livelihood and providing support for family friends and neighbors These practices create the structures of community within the larger urban power structure Halperin uses different genres to weave the voices of East Enders throughout the book Poems and narratives offer poignant insights into the daily struggles against impersonal market forces that work against the struggle for livelihood This firsthand account questions commonly held assumptions about working class people In a fresh way it reveals the cultural construction of marginality from the viewpoints of both real East Enders and the urban power structure Fostering Children's Faith Jeanne Hall, 2012-03-29 Fostering faith in children is a shared privilege and responsibility of parents godparents and the church community We promise our children at baptism that we will support them in their faith formation in the formation of their relationship with God We need to take this promise seriously This book is intended to be an accessible and helpful resource for parents and other adults who seek to foster children's faith This book succinctly explores many ways we can support children's faith formation including our day to day interactions with children the images of God we share with them

how we pray together the rituals we create service opportunities we provide music we share together the stories we tell and listen to our celebration of the sacraments and more While this book has a distinctly Roman Catholic orientation much of the content will be relevant for a wider Christian audience Lastly but perhaps most importantly this book is rooted in the conviction that the God we seek relationship with and that we hope to foster our children's relationship with is one who is infinitely loving welcoming and always yearning for deeper connection with us **The American Friend**, 1918

Nature-Based Learning for Young Children Julie Powers, Sheila Williams Ridge, 2018-12-11 Nature Based Learning for Every Preschool Setting is designed to provide ideas for all early childhood educators ranging from novice nature educators to highly experienced nature educators in a wide range of ecosystems including forests cities prairies coastal and deserts It includes background information on a range of nature topics reproducible parent newsletters sample play based lesson plans guidance and health and safety issues related to nature activities ideas for free inexpensive equipment and materials and for big ticket items ideas for family involvement and connections to early childhood learning standards Chapters are divided by nature topic so readers can dip in right away where they want to start exploring *Fletcher Family History* Edward Hatch Fletcher, 1881 **Country & Midwestern** Mark Guarino, 2023-05-08 The untold story of Chicago's pivotal role as a country and folk music capital Chicago is revered as a musical breeding ground having launched major figures like blues legend Muddy Waters gospel soul icon Mavis Staples hip hop firebrand Kanye West and the jazz rock band that shares its name with the city Far less known however is the vital role Chicago played in the rise of prewar country music the folk revival of the 1950s and 1960s and the contemporary offspring of those scenes In Country and Midwestern veteran journalist Mark Guarino tells the epic century long story of Chicago's influence on sounds typically associated with regions further south Drawing on hundreds of interviews and deep archival research Guarino tells a forgotten story of music migration and the ways that rural culture infiltrated urban communities through the radio the automobile and the railroad The Midwest's biggest city was the place where rural transplants could reinvent themselves and shape their music for the new commercial possibilities the city offered Years before Nashville emerged as the commercial and spiritual center of country music major record labels made Chicago their home and recorded legendary figures like Bill Monroe The Carter Family and Gene Autry The National Barn Dance broadcast from the city's South Loop starting in 1924 flourished for two decades as the premier country radio show before the Grand Ole Opry Guarino chronicles the makeshift niche scenes like Hillbilly Heaven in Uptown where thousands of relocated Southerners created their own hardscrabble honky tonk subculture as well as the 1960s rise of the Old Town School of Folk Music which eventually brought national attention to local luminaries like John Prine and Steve Goodman The story continues through the end of the twentieth century and into the present day where artists like Jon Langford The Handsome Family and Wilco meld contemporary experimentation with country traditions Featuring a foreword from Grammy nominated singer songwriter Robbie Fulks and casting a cross genre
