(Ellie Lancaster) D.G. Swank, Denise Grover Swank, 2023-10-24 I'm a pawn between two ancient gods and I'm done playing their games We survived the not so final battle but our short lived victory came with an immeasurable cost We didn't defeat Okeus we played right into his hands Now with new threats pressing in from several sides and those who I thought would

always stand beside me nowhere to be found new details about my mother's murder are forcing me to challenge everything I thought I knew I foolishly believed I had nothing left to lose but after a devastating loss forces me into a fight against an ancient cult I'm left with only one option a bargain with the God of Death himself Every bargain comes with a cost and this time that cost might be my own eternal life Join Ellie Collin and David in the fight to save our world from two ancient gods in the jaw dropping third book of the Curse Keeper's Trilogy Filled with dark twists and swoon worthy moments this is a book you don't want to miss The Curse Defilers completes the Curse Keeper's Trilogy but the story continues in The Soul Keeper's Series another edge of your seat read set in the same world Filled with old friends and new ones pick up The Soul Seekers after the end of The Curse Defilers *Ellie: Or, The Human Comedy* John Esten Cooke, 1855 [Ellie Is Cool Now](#) Victoria Fulton, Faith McClaren, 2023-03-21 Meet the girl who's Most Likely to Make Everything Worse TV writer Ellie Jenkins worked her butt off to put her nerdy outcast teen years behind her So there's a certain delicious irony in that she works for a hit show about popular high school kids when she was So Not Cool And now she's been offered the promotion of a lifetime if she attends her reunion But Ellie's memory of High School Hell isn't nearly as traumatic as the reality No one at the reunion is what Ellie expected Not her ex best friend who still has the ability to see right through Ellie And not her secret crush who has only gotten hotter sexier and way more complicated The only way she's going to survive this whole weird ordeal is by fixing her bad high school karma kissing the boy who got away and getting the hell out of Ohio for good But Ellie's discovering that in real life she can't just rewrite the script Reader's Digest's 27 Most Anticipated New Books to Read in 2023 The Nerd Daily's Swoonworthy 2023 Romance Book Releases You Need **The Curse Breakers (Ellie Lancaster)** D.G. Swank, Denise Grover Swank, 2023-10-10 What do you do when the gate hell opens and all the creepy crawlies come rushing out I failed But that doesn't mean I'm giving up My heart may be shattered by Colin's betrayal but I refuse to let humanity pay the price After a disastrous trip to a self-professed expert in the Lost Colony I'm running out of ideas Taunted by vengeful demons all I have to fight them is a vague memory of the curse passed through my family and the practically useless information I find on the internet Every day brings the world closer to being overrun by demons I fear I will have to face the god Okeus's wrath alone until an unexpected offer of help comes from the most unlikely of places I'm terrified to trust him but with the fate of the world on the line how can I say no The second book in The Curse Keepers Series ratchets up the romantic tension and raises the stakes to impossible heights as Ellie races to save not just her friends but the world
